4. Title State agency reporting requirements; certain eliminated.

5. Summary/Purpose: Eliminates the following obsolete or duplicative agency reports: the Annual Report of the Council on Human Rights, the Use of Earnings of Industrial Schools and Workshop Report by the Department for the Blind and Vision Impaired, the Virginia Parks Standards Report by the Secretary of Natural Resources, the Chesapeake Bay Resources Report by the Department of Environmental Quality, the Public School Teacher Compensation Report by the Director of the Department of Human Resource Management, the Intermediate Sanction Juvenile Boot Camp Annual Evaluation by the Department of Juvenile Justice, Receipts and Expenditures Report to the General Assembly by the State Forester, the Gross Amount Received from the Sale of Special Use Permits Duplicate Report by the State Forester, Unfunded Scholarship Annual Report by Institutions of Higher Learning, Issue of Bulletins and Quarterly Reports by the Virginia Department of Agriculture and Consumer Services, and the Managed Care Health Insurance Plan Certification of Quality Report by the Virginia Department of Health. The bill also removes from the Code the goal statement for competitive teacher compensation contained in § 22.1-289.1 and makes it an uncodified act. This bill is a recommendation of the Joint Subcommittee to Study the Operations, Practices, Duties, and Funding of the Commonwealth's Agencies, Boards, Commissions, Councils, and Other Governmental Entities pursuant to HJR 159 (2002).

An amendment removed a health insurance account report prepared by the Department of Human Resource Management from the bill.

6. No Fiscal Impact

7. Budget amendment necessary: No

8. Fiscal implications: None. Because the reports specified are obsolete or duplicative, the costs for preparing and publishing them are not including in agency budgets, and so no savings would accrue by eliminating them.

9. Specific agency or political subdivisions affected: Council on Human Rights, Department for the Blind and Vision Impaired, Secretary of Natural Resources, Department of Environmental Quality, Virginia Department of Agriculture and Consumer Services, Virginia Department of Health, Department of Juvenile Justice, and Department of Forestry.

10. Technical amendment necessary: No

11. Other comments: None
