The effective date of this bill is not specified.

6. **No Fiscal Impact:** Not Available. (See Line 8.)

8. Fiscal implications:

This bill would have no impact on state revenues. It would, however, result in a gain of local revenue for Floyd County if the county elects to impose the tax. Floyd County currently does not impose a transient occupancy tax within the county, therefore, no data is available to estimate the local revenue gain should Floyd County impose the tax at the maximum 5%.

9. Specific agency or political subdivisions affected:

Floyd County

10. **Technical amendment necessary:** None.

11. Other comments:

Under current law, any county may impose a transient occupancy tax at a maximum rate of two percent, upon the adoption of an ordinance, on hotels, motels, boarding houses, travel campgrounds, and other facilities offering guest rooms. The tax, however, does not apply to rooms rented on a continuous occupancy by the same individual or group for 30 or more continuous days.

Under this bill, Floyd County would be authorized to impose a transient occupancy tax of no more than 5%.
