19. Used in operating or propelling commercial watercraft. 20. 21. Used in operating or propelling recreational and pleasure watercraft.

B. 1. Any person purchasing fuel for consumption in a solid waste compacting or ready-mix concrete highway vehicle, or a bulk feed delivery truck, where the vehicle's equipment is mechanically or hydraulically driven by an internal combustion engine that propels the vehicle, is entitled to a refund in an amount equal to 35 percent of the tax paid on such fuel. For purposes of this section, a "bulk feed delivery truck" means bulk animal feed delivery trucks utilizing power take-off (PTO) driven auger or air feed discharge systems for off-road deliveries of animal feed.

2. *Any person purchasing fuel for consumption in a vehicle designed or permanently adapted solely and exclusively for bulk spreading or spraying of agricultural liming materials, chemicals, or fertilizer, where the vehicle's equipment is mechanically or hydraulically driven by an internal combustion engine that propels the vehicle, is entitled to a refund in an amount equal to 55 percent of the tax paid on such fuel.*

C. Any person purchasing any fuel on which tax imposed pursuant to this chapter has been paid may apply for a refund of the tax if such fuel was consumed by a highway vehicle used in operating an urban or suburban bus line or a taxicab service. This refund also applies to a common carrier of passengers which has been issued a certificate of public convenience and necessity pursuant to §§ 46.2-2005 and 58.1-2204 providing regular route service over the highways of the Commonwealth. No refund shall be granted unless the majority of the passengers using such bus line, taxicab service or common carrier of passengers do so for travel of a distance of not more than 40 miles, one way, in a single day between their place of abode and their place of employment, shopping areas or schools.

If the applicant for a refund is a taxicab service, he shall hold a valid permit from the Department to engage in the business of a taxicab service. No applicant shall be denied a refund by reason of the fee arrangement between the holder of the permit and the driver or drivers, if all other conditions of this section have been met.

Under no circumstances shall a refund be granted more than once for the same fuel. The amount of refund under this subsection shall be equal to the amount of the taxes paid, except refunds granted on the tax paid on fuel used by a taxicab service shall be in an amount equal to the tax paid less one cent per gallon on the fuel used.

Any refunds made under this subsection shall be deducted from the urban highway funds allocated to the highway construction district, pursuant to Article 1.1 (§ 33.1-23.01 et seq.) of Chapter 1 of Title 33.1, in which the recipient has its principal place of business.

Except as otherwise provided in this chapter, all provisions of law applicable to the refund of fuel taxes by the Commissioner generally shall apply to the refunds authorized by this subsection. Any county having withdrawn its roads from the secondary system of state highways under provisions of § 11 Chapter 415 of the Acts of 1932 shall receive its proportionate share of such special funds as is now provided by law with respect to other fuel tax receipts.

D. Refunds resulting from any fuel shipments diverted from Virginia shall be based on the amount of tax paid for the fuel less discounts allowed by § 58.1-2233.

E. Any person who is required to be licensed under this chapter and is applying for a refund shall not be eligible for such refund if the applicant was not licensed at the time the refundable transaction was conducted.
