## CHAPTER 796

*An Act to amend and reenact § 18.2-248 of the Code of Virginia, relating to possession of methamphetamine precursor chemicals; penalty.*

[H 1974]

Approved March 26, 2005

**Be it enacted by the General Assembly of Virginia:**

**1. That § 18.2-248 of the Code of Virginia is amended and reenacted as follows:**

§ 18.2-248. Manufacturing, selling, giving, distributing or possessing with intent to manufacture, sell, give or distribute a controlled substance or an imitation controlled substance prohibited; penalties.

A. Except as authorized in the Drug Control Act (§ 54.1-3400 et seq.), it shall be unlawful for any person to manufacture, sell, give, distribute, or possess with intent to manufacture, sell, give or distribute a controlled substance or an imitation controlled substance.

B. In determining whether any person intends to manufacture, sell, give or distribute an imitation controlled substance, the court may consider, in addition to all other relevant evidence, whether any distribution or attempted distribution of such pill, capsule, tablet or substance in any other form whatsoever included an exchange of or a demand for money or other property as consideration, and, if so, whether the amount of such consideration was substantially greater than the reasonable value of such pill, capsule, tablet or substance in any other form whatsoever, considering the actual chemical composition of such pill, capsule, tablet or substance in any other form whatsoever and, where applicable, the price at which over-the-counter substances of like chemical composition sell.

C. Any person who violates this section with respect to a controlled substance classified in Schedule I or II shall upon conviction be imprisoned for not less than five nor more than 40 years and fined not more than \$500,000. Upon a second or subsequent conviction of such a violation, any such person may, in the discretion of the court or jury imposing the sentence, be sentenced to imprisonment for life or for any period not less than five years and be fined not more than \$500,000.

When a person is convicted of a third or subsequent offense under this subsection and it is alleged in the warrant, indictment or information that he has been before convicted of two or more such offenses or of substantially similar offenses in any other jurisdiction which offenses would be felonies if committed in the Commonwealth and such prior convictions occurred before the date of the offense alleged in the warrant, indictment, or information, he shall be sentenced to imprisonment for life or for a period of not less than five years, three years of which shall be a mandatory minimum term of imprisonment to be served consecutively with any other sentence and he shall be fined not more than \$500,000.

D. If such person proves that he gave, distributed or possessed with intent to give or distribute a controlled substance classified in Schedule I or II only as an accommodation to another individual who is not an inmate in a community correctional facility, local correctional facility or state correctional facility as defined in § 53.1-1 or in the custody of an employee thereof, and not with intent to profit thereby from any consideration received or expected nor to induce the recipient or intended recipient of the controlled substance to use or become addicted to or dependent upon such controlled substance, he shall be guilty of a Class 5 felony.

E. If the violation of the provisions of this article consists of the filling by a pharmacist of the prescription of a person authorized under this article to issue the same, which prescription has not been received in writing by the pharmacist prior to the filling thereof, and such written prescription is in fact received by the pharmacist within one week of the time of filling the same, or if such violation consists of a request by such authorized person for the filling by a pharmacist of a prescription which has not been received in writing by the pharmacist and such prescription is, in fact, written at the time of such request and delivered to the pharmacist within one week thereof, either such offense shall constitute a Class 4 misdemeanor.

F. Any person who violates this section with respect to a controlled substance classified in Schedule III, IV or V or an imitation controlled substance which imitates a controlled substance classified in Schedule III, IV or V, except for an anabolic steroid classified in Schedule III constituting a violation of § 18.2-248.5, shall be guilty of a Class 1 misdemeanor.

G. Any person who violates this section with respect to an imitation controlled substance which imitates a controlled substance classified in Schedule I or II shall be guilty of a Class 6 felony. In any prosecution brought under this subsection, it is not a defense to a violation of this subsection that the defendant believed the imitation controlled substance to actually be a controlled substance.

H. Any person who manufactures, sells, gives, distributes or possesses with the intent to manufacture, sell, give or distribute the following:

1. 1.0 kilograms or more of a mixture or substance containing a detectable amount of heroin;
2. 5.0 kilograms or more of a mixture or substance containing a detectable amount of:
  - a. Coca leaves, except coca leaves and extracts of coca leaves from which cocaine, ecgonine, and derivatives of ecgonine or their salts have been removed;
  - b. Cocaine, its salts, optical and geometric isomers, and salts of isomers;
  - c. Ecgonine, its derivatives, their salts, isomers, and salts of isomers; or
  - d. Any compound, mixture, or preparation which contains any quantity of any of the substances referred to in subdivisions a through c;

Such mandatory minimum sentence shall not be applicable if the court finds that (i) the person does not have a prior conviction for an offense listed in subsection C of § 17.1-805;; (ii) the person did not use violence or credible threats of violence or possess a firearm or other dangerous weapon in connection with the offense or induce another participant in the offense to do so;; (iii) the offense did not result in death or serious bodily injury to any person;; (iv) the person was not an organizer, leader, manager, or supervisor of others in the offense, and was not engaged in a continuing criminal enterprise as defined in subsection I of this section;; and (v) not later than the time of the sentencing hearing, the person has truthfully provided to the Commonwealth all information and evidence the person has concerning the offense or offenses that were part of the same course of conduct or of a common scheme or plan, but the fact that the person has no relevant or useful other information to provide or that the Commonwealth already is aware of the information shall not preclude a determination by the court that the defendant has complied with this requirement.

H1. Any person who was the principal or one of several principal administrators, organizers or leaders of a continuing criminal enterprise shall be guilty of a felony if (i) the enterprise received at least \$100,000 but less than \$250,000 in gross receipts during any 12-month period of its existence from the manufacture, importation, or distribution of heroin or cocaine or ecgonine or methamphetamine or the derivatives, salts, isomers, or salts of isomers thereof or marijuana or (ii) the person engaged in the enterprise to manufacture, sell, give, distribute or possess with the intent to manufacture, sell, give or distribute the following during any 12-month period of its existence:

A conviction under this section shall be punishable by a fine of not more than \$1 million and imprisonment for 20 years to life, 20 years of which shall be a mandatory minimum sentence.

H2. Any person who was the principal or one of several principal administrators, organizers or leaders of a continuing criminal enterprise if (i) the enterprise received \$250,000 or more in gross receipts during any 12-month period of its existence from the manufacture, importation, or distribution of heroin or cocaine or ecgonine or methamphetamine or the derivatives, salts, isomers, or salts of isomers thereof or marijuana or (ii) the person engaged in the enterprise to manufacture, sell, give, distribute or possess with the intent to manufacture, sell, give or distribute the following during any 12-month period of its existence:

1. At least 5.0 kilograms of a mixture or substance containing a detectable amount of heroin;

The work group shall consult with the Virginia Sheriff's Association, the Virginia Association of Chiefs of Police, and the Virginia Fire Chiefs Association in the development of the protocol.**
