CHAPTER 4.

JURISDICTION OVER LANDS ACQUIRED BY THE UNITED STATES.

§ 1-400. Conditional consent given to acquisition of lands by United States; concurrent jurisdiction ceded.

A. On and after July 1, 1981, the conditional consent of the Commonwealth is hereby given in accordance with clause 17, § 8, Article 1 of the United States Constitution to the acquisition by the United States, or under its authority, by purchase, lease, condemnation, or otherwise, of any lands in the Commonwealth, whether under water or not, required for customhouses, post offices, arsenals, forts, magazines, dockyards, military reserves, or for needful public buildings.

B. The acquisition by condemnation of any property within the Commonwealth, not expressly consented to in subsection A of this section, shall require the prior approval of the General Assembly.

C. Over all lands hereafter acquired by the United States, the Commonwealth hereby cedes to the United States concurrent governmental, judicial, executive and legislative power and jurisdiction.

D. There is hereby expressly reserved in the Commonwealth, over all lands so acquired by the United States the following:

1. Tax on motor vehicle fuels and lubricants. - The Commonwealth shall have the jurisdiction and power to levy a tax on oil, gasoline and all other motor fuels and lubricants thereon owned by others than the United States and a tax on the sale thereof, on such lands, except sales to the United States for use in the exercise of essentially governmental functions.

2. Service of civil and criminal process. - The Commonwealth shall have the jurisdiction and power to serve criminal and civil process on such lands.

3. Sale of intoxicating liquors. - The Commonwealth shall have the jurisdiction and power to license and regulate, or to prohibit, the sale of intoxicating liquors on any such lands.

4. Tax on property and businesses. - The Commonwealth shall have the jurisdiction and power to tax all property, including buildings erected thereon, not belonging to the United States, and to require licenses and impose license taxes upon any business or businesses conducted thereon.

E. For all purposes of taxation and of the jurisdiction of the courts of the Commonwealth over persons, transactions, matters and property on such lands, the lands shall be deemed to be a part of the county or city in which they are situated.

F. Any such acquisition by or conveyance or lease to the United States, as provided in this section, shall be deemed to have been secured or made upon the express condition that the reservations of power and limitations provided in this section are recognized as valid by the United States and, in the event the United States shall deny the validity of the reservations, as to all or any part of such lands, then and in that event, the title and possession of all or any such part of such lands, conveyed to the United States by the Commonwealth, shall immediately revert to the Commonwealth.

G. Nothing contained in this section shall affect any special act adopted ceding jurisdiction to the United States, nor any deeds executed pursuant to § 1-401.

§ 1-401. Ceding additional jurisdiction to United States.

A. Whenever the head or other authorized officer of any department or independent establishment or agency of the United States shall deem it desirable that additional jurisdiction or powers be ceded over any lands in the Commonwealth acquired or proposed to be acquired by the United States under his immediate jurisdiction, custody or control, and whenever the Governor and Attorney General of the Commonwealth shall agree to the same, the Governor and Attorney General shall execute and acknowledge a deed in the name of and under the lesser seal of the Commonwealth ceding such additional jurisdiction. The deed shall accurately and specifically describe the area and location of the land over which the additional jurisdiction and powers are ceded and shall set out specifically what additional jurisdiction and powers are ceded, and may set out any reservations in the Commonwealth of jurisdiction which may be deemed proper in addition to those referred to in subsection D.

B. No such deed shall become effective or operative until the jurisdiction therein provided for is accepted on behalf of the United States as required by 40 U.S.C. § 255. The head or other authorized officer of a department or independent establishment or agency of the United States shall indicate such acceptance by executing and acknowledging such deed and admitting it to record in the office of the clerk of the court in which deeds conveying the lands affected would properly be recorded.

C. When such deed has been executed and acknowledged on behalf of the Commonwealth and the United States, and admitted to record as provided in subsection B, it shall have the effect of ceding to and vesting in the United States the jurisdiction and powers therein provided for and none other.

D. Every such deed as is provided for in this section shall reserve in the Commonwealth over all lands therein referred to the jurisdiction and power to serve civil and criminal process on such lands and in the event that the lands or any part thereof shall be sold or leased to any person, under the terms of which sale or lease the vendee or lessee shall have the right to conduct thereon any private industry or business, then the jurisdiction ceded to the United States over any such lands so sold or leased shall cease and determine, and thereafter the Commonwealth shall have all jurisdiction and power she would have had if no jurisdiction or power had been ceded to the United States. This provision, however, shall not apply to post exchanges, officers' clubs and similar activities on lands acquired by the United States for purposes of national defense. It is further provided that the reservations provided for in this subsection shall remain effective even though they should be omitted from any deed executed pursuant to this section.

E. Nothing contained in this section shall be construed as repealing any special acts ceding jurisdiction to the United States to acquire any specific tract of land.

§ 1-402. Shenandoah National Park.

The respective jurisdiction and powers of the Commonwealth and the United States over all lands within the Shenandoah National Park, as it is now constituted or may hereafter be extended, shall be as follows:

1. Criminal and police jurisdiction. - The United States shall have exclusive jurisdiction, legislative, executive and judicial, with respect to the commission of crimes, and the arrest, trial and punishment therefor, and exclusive general police jurisdiction thereover.

2. Sale of alcoholic beverages. - The United States shall have the power to regulate or prohibit the sale of alcoholic beverages on such lands; provided, that, if the sale of alcoholic beverages is prohibited by general law in the Commonwealth outside of such lands, no such alcoholic beverages shall be sold on the lands contained in the Park area; and provided further, that if the general laws of the Commonwealth permit the sale of alcoholic beverages, then the regulations of the United States relating to such sales on such lands shall conform as nearly as possible to the regulatory provisions in accordance with which such sales are permitted in the Commonwealth outside of such Park lands. Nothing in this subsection shall be construed as reserving in the Commonwealth power to require licenses of persons engaged in the sale of intoxicating beverages on such lands, nor the power to require that any sales be made through official liquor stores.

3. Service of civil and criminal process. - The Commonwealth shall have jurisdiction to serve civil process within the limits of the Park in any suits properly instituted in any of the courts of the Commonwealth and to serve criminal process within such limits in any suits or prosecutions for or on account of crimes committed in the Commonwealth but outside of the Park.

4. Tax on alcoholic beverages. - The Commonwealth shall have jurisdiction and power to levy a nondiscriminatory tax on all alcoholic beverages possessed or sold on such lands.

5. Tax on motor vehicle fuels and lubricants. - The Commonwealth shall have jurisdiction and power to tax the sales of oil and gasoline, and other motor vehicle fuels and lubricants for use in motor vehicles. This subsection shall not be construed as a consent by the United States to the taxation by the Commonwealth of such sales for the exclusive use of the United States.

6. Tax on businesses. - The Commonwealth shall have jurisdiction and power to levy nondiscriminatory taxes on private individuals, associations and corporations, their franchises and properties, on such lands, and on their businesses conducted thereon.

7. Jurisdiction of courts. - The courts of the Commonwealth shall have concurrent jurisdiction with the courts of the United States of all civil causes of action arising on such lands to the same extent as if the cause of action had arisen in the county or city in which the land lies outside the Park area, and

the state officers shall have jurisdiction to enforce on such lands the judgments of the state courts and the collection of taxes by appropriate process.

8. Voting residence. - *Persons residing in or on any of the lands embraced in the Park shall have the right to establish a voting residence in the Commonwealth by reason thereof, and the consequent right to vote at all elections within the county or city in which the land or lands upon which they reside are located upon like terms and conditions, and to the same extent as they would be entitled to vote in such county or city if the lands on which they reside had not been deeded or conveyed to the United States.*

9. Fugitives. - *All fugitives from justice taking refuge in the Park shall be subject to the same laws as refugees from justice found in the Commonwealth.*

§ 1-403. Conveyances of certain waste and unappropriated lands and marshlands to the United States.

A. *The Governor is authorized to execute in the name of the Commonwealth deeds conveying, subject to the jurisdictional and other limitations and reservations contained in §§ 1-400 and 1-405, to the United States such title as the Commonwealth may have in waste and unappropriated lands entirely surrounded by lands owned by the United States, when the same are certified as being vacant and unappropriated by a duly authorized agent of the United States and are described by metes and bounds descriptions filed with the Secretary of the Commonwealth and with the clerk of the court in the county wherein such unappropriated land is situated.*

B. *The Governor is authorized to execute, in the name and on behalf of the Commonwealth, a deed or other appropriate instrument conveying to the United States, without any consideration but subject to the jurisdictional limitations and reservations contained in §§ 1-400 and 1-405, such right, title and interest in or easement over and across the marshes lying along the seaside of the Counties of Accomack and Northampton as may be necessary and proper for the construction, operation and maintenance of a canal or channel for small boats over and through such marshlands.*

§ 1-404. Licensing sale of mixed alcoholic beverages on lands ceded to or owned by United States.

The Virginia Alcoholic Beverage Control Board may license the sale of mixed alcoholic beverages as defined in Chapter 1 (§ 4.1-100 et seq.) of Title 4.1 at places primarily engaged in the sale of meals on lands ceded by the Commonwealth to the United States or owned by the government of the United States or any agency thereof provided that such lands are used as ports of entry or egress to and from the United States, and provided that such lands lie within or partly within the boundaries of any county in this Commonwealth which permits the lawful dispensing of mixed alcoholic beverages. The Board is hereby authorized to adopt rules and regulations governing the sale of such spirits, and to fix the fees for such licenses, within the limits fixed by general law.

§ 1-405. Reversion to Commonwealth; recorded title prerequisite to vesting jurisdiction.

A. *As used in this section, unless the context requires otherwise:*

"Corrective action" means the response and remediation to environmental contamination to the extent required by any applicable environmental law or regulation applicable to the property.

"Environmental contamination" means any hazardous waste, substance or toxic material, or its discharge or release, that is regulated under any environmental law or regulation applicable to the property, and shall include petroleum (including crude oil), natural gas, liquefied natural gas, ordnance, unexploded munitions, and asbestos.

B. *If the United States shall cease to be the owner of any lands, or any part thereof, granted or conveyed to it by the Commonwealth; if the purposes of any such grant or conveyance to the United States shall cease; or if the United States shall for five consecutive years fail to use any such land for the purposes of the grant or conveyance, then, and in that event, the right and title to such land, or such part thereof, shall immediately revert to the Commonwealth unless such land, or part thereof, contains environmental contamination. No land containing environmental contamination shall be transferred or revert to the Commonwealth, unless and until all corrective action necessary to protect human health and the environment with respect to any environmental contamination on the lands, or portion thereof, has been completed to the satisfaction of the Commonwealth and approved by the Governor pursuant to § 2.2-1149, and the United States has executed and delivered a transfer instrument including covenants warranting that (i) all corrective action necessary to protect human health and the environment with respect to any environmental contamination on the land or any portion thereof has been taken, and (ii) any corrective action for environmental contamination occurring before the date of transfer found to be necessary after the date of the transfer of the title of the land or any portion thereof shall be conducted by the United States.*

In cases where the Defense Base Closure and Realignment Commission (BRAC Commission) established pursuant to P.L. 101-510 (1990), as amended, identifies United States military bases located in the Commonwealth for closure, the Commonwealth shall have, in addition to the foregoing, the right to enter upon such lands so identified for the purpose of inspection for environmental contamination. Upon completion of such inspection, the Commonwealth shall report its findings to the Governor and the appropriate federal agencies.

C. *All deeds, conveyances or title papers for the transfer of title of lands to the United States shall*

be recorded in the county or city wherein the land or the greater part thereof lies, but no tax shall be required on any such instrument made to the United States by which they acquire lands for public purposes.

D. The jurisdiction ceded by § 1-400 shall not vest until the United States shall have acquired the title of record to such lands, or rights or interest therein, by purchase, condemnation, lease or otherwise. So long as the lands, or any rights or interest therein, are held in fee simple by the United States, and no longer, such lands, rights or interest, as the case may be, shall continue exempt and exonerated, from all state and local taxes which may be levied or imposed under the authority of the Commonwealth.

§ 1-406. Conveyances to political subdivisions of lands ceded to and no longer used by United States.

Whenever any land in the Commonwealth has been or is conveyed to the United States with a provision in the deed that upon abandonment or use for any purpose other than that stated in the deed such land shall revert to the Commonwealth, and if any such land is abandoned or is no longer used for the purpose for which conveyed, the Governor is hereby authorized to convey to the political subdivision in which such land is situated, all right, title and interest of the Commonwealth in and to such land. This section shall not affect any lease made under Chapter 321 of the Acts of 1952.

§ 1-407. Concurrent jurisdiction of Commonwealth and United States over certain lands leased to political subdivisions.

Whenever the United States government has exclusive jurisdiction over property located in the Commonwealth of Virginia, and leases the property, or part thereof, to any political subdivision to be used by it for a public purpose, the exclusive jurisdiction shall cease as to the property so leased and the Commonwealth and the United States government shall have concurrent jurisdiction over the property so long as the lease continues. At the termination of the lease the jurisdiction of the Commonwealth shall cease and the United States shall have exclusive jurisdiction thereof.

§ 1-408. Relinquishment by United States of jurisdiction over lands in the Commonwealth.

Whenever a duly authorized official or agent of the United States, acting pursuant to authority conferred by the United States Congress, notifies the Governor that the United States desires or is willing to relinquish to the Commonwealth the jurisdiction, or a portion thereof, held by the United States over lands located in the Commonwealth, as designated in such notice, the Governor may, in his discretion, accept such relinquishment. Such acceptance shall be made by sending a notice of acceptance to the official or agent designated by the United States to receive such notice of acceptance. The Governor shall send a signed copy of the notice of acceptance, together with the notice of relinquishment received from the United States, to the Secretary of the Commonwealth, who shall maintain a permanent file of said notices.

Upon the sending of the notice of acceptance to the designated official or agent of the United States, the Commonwealth shall immediately have such jurisdiction over the lands designated in the notice of relinquishment as the notice shall specify.

Upon receipt of a copy of the notice of relinquishment and a copy of the notice of acceptance, the Secretary of the Commonwealth shall immediately give written notice of such change in jurisdiction to the Attorney General and the attorney for the Commonwealth of the city or county in which such lands are located. The Secretary of the Commonwealth shall also certify a copy of each of the notices to the clerk of court in which deeds are admitted to record for the city or county in which such lands are located. The clerk shall record the notices in his deed book and index them in the name of the United States and the Commonwealth.

Conduct that violates any Virginia or federal statute or regulation governing discrimination on the basis of race, color, religion, national origin, sex, pregnancy, childbirth or related medical conditions, age, marital status, or disability shall be an "unlawful discriminatory practice" for the purposes of this chapter.

The terms "because of sex or gender" or "on the basis of sex or gender" or terms of similar import when used in reference to discrimination in the Code and acts of the General Assembly include because of or on the basis of pregnancy, childbirth or related medical conditions. Women affected by pregnancy, childbirth or related medical conditions shall be treated the same for all purposes as persons not so affected but similar in their abilities or disabilities.

§ 3.1-383. Food forbidden to be sold; seizure; prosecution and punishment; inspection.

It shall be unlawful for any person; ~~firm or corporation~~ to sell or to offer or expose for sale for human food any article which has been prepared, handled or kept where the sanitary conditions are such that the article is rendered unhealthy, unwholesome, deleterious, or otherwise unfit for human food, or which consists in whole or in part of diseased, filthy, decomposed or putrid animal or vegetable matter.

The Commissioner, his agents or assistants, and all peace and health officers shall have the power and are required to seize any and all articles which are offered or exposed for sale for human food, which have been prepared, handled or kept where the sanitary conditions are such that the article is rendered unhealthy, unwholesome, deleterious or otherwise unfit for human food, or which consist in whole or in part of diseased, filthy, decomposed or putrid animal or vegetable matter; and shall deliver the same forthwith to and before the nearest ~~justice of the peace~~ *magistrate*, or other officer authorized to issue such warrants, together with all information obtained, and the ~~justice~~ *magistrate* or other officer shall, upon sworn complaint being filed, issue a warrant, for the arrest of any person charged in any such complaint with a violation of the provisions of this section, returnable before the ~~trial justice of the city or county general district court~~, *who* which shall proceed to try the case. Any person; ~~firm or corporation~~ who shall violate any of the provisions of this section, shall be guilty of a misdemeanor and, upon conviction, shall be fined not less than \$10 nor more than \$100, and the article or articles of food in question shall be destroyed.

The Commissioner, his agents or assistants, and all peace and health officers in the execution of the provisions of this section, shall have full right to enter and inspect all places in which any articles of human food are stored, offered or exposed for sale; and any person; ~~firm or corporation~~ who shall hinder or obstruct any of the officers in the discharge of the authority or duty imposed by the provisions of this section shall be guilty of a violation of the same.

§ 3.1-411. Proceeding for forfeiture.

If upon such analysis it shall appear that the food or dairy products are adulterated, substituted, misbranded, or imitated within the meaning of this chapter, the Commissioner, or his deputy, or any person by him duly authorized may make complaint before ~~any justice of the peace~~ *a magistrate*, or other officer authorized to issue such summons, having jurisdiction where such goods were seized, and thereupon the ~~justice of the peace~~ *magistrate* or other officer shall issue his summons to the person from whom such goods were seized, directing him to appear before the ~~trial justice~~ *general district court* in such jurisdiction not less than six nor more than ~~twelve~~ *12* days from the date of issuing the summons and show cause why the goods should not be condemned and disposed of. If the person from whom the goods were seized cannot be found, the summons shall be served upon the person then in possession of the goods. The summons shall be served at least six days before the time of appearance mentioned therein. If the person from whom the goods were seized cannot be found, and no one can be found in possession of the goods, and the defendant shall not appear on the return day, then the ~~trial justice~~ *general district court* shall proceed in the cause in the same manner as where a writ of attachment is returned not personally served upon any of the defendants and none of the defendants shall appear upon the return day.

§ 3.1-412. Judgment as to goods seized; procedure before general district court; appeal.

Unless cause to the contrary thereof is shown, or if the goods shall be found upon trial to be in violation of any of the provisions of this chapter or other laws which now exist or which may be hereafter enacted, it shall be the duty of the ~~trial justice~~ *general district court* to render judgment that

the seized property be forfeited to the Commonwealth, and that the goods be destroyed or sold by the Commissioner for any purpose other than to be used for food. The mode of procedure before the ~~trial justice~~ *general district court* shall be the same, as near as may be in civil proceedings. Either party may appeal to the circuit ~~or corporation courts court~~ as appeals are taken from the ~~trial justices' courts~~ *general district court*, but it shall not be necessary for the Commonwealth to give any appeal bond.

§ 16.1-69.35. Administrative duties of chief district judge.

The chief judge of each district shall have the following administrative duties and authority with respect to his district:

1. When any district court judge is under any disability or for any other cause is unable to hold court and the chief judge determines that assistance is needed:

a. The chief district judge shall designate a judge within the district or a judge of another district court within the Commonwealth, if one is reasonably available, to hear and dispose of any action or actions properly coming before such district court for disposition;

b. If unable to designate a judge as provided in subdivision 1 a, the chief district judge may designate a retired district judge for such hearing and disposition if such judge consents; or

c. If unable to assign a retired district court judge, the chief district judge may designate a retired circuit court judge if such judge consents or the chief district judge may request that the Chief Justice of the Supreme Court designate a circuit judge if such judge consents.

If no judges are available under subdivision a, b or c, then a substitute judge shall be designated pursuant to § 16.1-69.21.

While acting, any judge so designated shall have all the authority and power of the judge of the court, and his order or judgment shall, to all intents and purposes, be the judgment of the court. A general district court judge designated pursuant to subdivision 1 a, may, with his consent, substitute for or replace a juvenile and domestic relations district court judge, and vice versa. The names of the judges designated under subdivisions b and c shall be selected from a list provided by the Executive Secretary and approved by the Chief Justice of the Supreme Court.

2. The chief general district court judge of a district may designate any juvenile and domestic relations district court judge of the district, with the judge's consent, for an individual case or to sit and hear cases for a period of not more than 90 days, in any of the general district courts within the district. The chief juvenile and domestic relations district court judge of a district may designate any general district court judge of the district, with the judge's consent, for an individual case or to sit and hear cases for a period of not more than 90 days, in any of the juvenile and domestic relations district courts within the district. Every judge so designated shall have the same powers and jurisdiction and be authorized to perform the same duties as any judge of the district for which he is designated to assist, and, while so acting, his order or judgment shall be, for all purposes, the judgment of the court to which he is assigned.

3. If on account of congestion in the work of any district court there is in his opinion need therefor, the Chief Justice of the Supreme Court may, upon his own initiative or upon written application of the chief district court judge desiring assistance, designate a judge from another district or any circuit court judge, if such circuit court judge consents, or a retired judge to provide judicial assistance to such district. Every judge so designated shall have the same powers and jurisdiction and be authorized to perform the same duties as any judge of the district for which he is designated to assist and while so acting his order or judgment shall be, to all intents and purposes, the judgment of the court to which he is assigned.

4. Subject to such rules as may be established pursuant to § 16.1-69.32, the chief judge may establish special divisions of any general district court when the work of the court may be more efficiently handled thereby such as through the establishment of special civil, criminal or traffic divisions, and he may assign the judges of the general district court with respect to serving such special divisions. In the City of Richmond the general district court shall, in addition to any specialized divisions, maintain a separate division of such court in that part of Richmond south of the James River with concurrent jurisdiction in civil matters whenever one or more of the defendants reside or the cause of action or any part thereof arises in that part of the city, concurrent jurisdiction over all traffic matters arising in that

part of the city and exclusive jurisdiction over all other criminal matters arising in that part of the city.

5. The chief judge or presiding judge of any district court may authorize the clerk's office to close on any date when the chief judge or presiding judge determines that operation of the clerk's office, under prevailing conditions, would constitute a threat to the health or safety of the clerk's office personnel or the general public. Closing of the clerk's office pursuant to this subsection shall have the same effect as provided in ~~§ 1-13.3:1~~ *subsection B of § 1-210*. In determining whether to close because of a threat to the health or safety of the general public, the chief judge or the presiding judge of the district court shall coordinate with the chief judge or presiding judge of the circuit court so that, where possible and appropriate, both the circuit and district courts take the same action. He shall determine the times each such court shall be held for the trial of civil, criminal or traffic matters and cases. He shall determine whether, in the case of district courts in counties, court shall be held at any place or places in addition to the county seat. He shall determine the office hours and arrange a vacation schedule of the judges within his district, in order to ensure the availability of a judge or judges to the public at normal times of business. A schedule of the times and places at which court is held shall be filed with the Executive Secretary of the Supreme Court and kept posted at the courthouse, and in any county also at any such other place or places where court may be held, and the clerk shall make such schedules available to the public upon request. Any matter may, in the discretion of the judge, or by direction of the chief district judge, be removed from any one of such designated places to another, or to or from the county seat, in order to serve the convenience of the parties or to expedite the administration of justice; however, any town having a population of over 15,000 as of July 1, 1972, having court facilities and a court with both general criminal and civil jurisdiction prior to July 1, 1972, shall be designated by the chief judge as a place to hold court.

6. Subject to the provisions of § 16.1-69.38, the chief judge of a general district court or the chief judge of a juvenile and domestic relations district court may establish a voluntary civil mediation program for the alternate resolution of disputes. The costs of the program shall be paid by the local governing bodies within the district or by the parties who voluntarily participate in the program.

§ 16.1-241. Jurisdiction; consent for abortion.

The judges of the juvenile and domestic relations district court elected or appointed under this law shall be conservators of the peace within the corporate limits of the cities and the boundaries of the counties for which they are respectively chosen and within one mile beyond the limits of such cities and counties. Except as hereinafter provided, each juvenile and domestic relations district court shall have, within the limits of the territory for which it is created, exclusive original jurisdiction, and within one mile beyond the limits of said city or county, concurrent jurisdiction with the juvenile court or courts of the adjoining city or county, over all cases, matters and proceedings involving:

A. The custody, visitation, support, control or disposition of a child:

1. Who is alleged to be abused, neglected, in need of services, in need of supervision, a status offender, or delinquent except where the jurisdiction of the juvenile court has been terminated or divested;

2. Who is abandoned by his parent or other custodian or who by reason of the absence or physical or mental incapacity of his parents is without parental care and guardianship;

2a. Who is at risk of being abused or neglected by a parent or custodian who has been adjudicated as having abused or neglected another child in the care of the parent or custodian;

3. Whose custody, visitation or support is a subject of controversy or requires determination. In such cases jurisdiction shall be concurrent with and not exclusive of courts having equity jurisdiction, except as provided in § 16.1-244;

In any case in which the juvenile is alleged to have committed a violent juvenile felony enumerated in subsection B of § 16.1-269.1, and for any charges ancillary thereto, the jurisdiction of the juvenile court shall be limited to conducting a preliminary hearing to determine if there is probable cause to believe that the juvenile committed the act alleged and that the juvenile was 14 years of age or older at the time of the commission of the alleged offense, and any matters related thereto. In any case in which the juvenile is alleged to have committed a violent juvenile felony enumerated in subsection C of § 16.1-269.1, and for all charges ancillary thereto, if the attorney for the Commonwealth has given notice as provided in subsection C of § 16.1-269.1, the jurisdiction of the juvenile court shall be limited to conducting a preliminary hearing to determine if there is probable cause to believe that the juvenile committed the act alleged and that the juvenile was 14 years of age or older at the time of the commission of the alleged offense, and any matters related thereto. A determination by the juvenile

court following a preliminary hearing pursuant to subsection B or C of § 16.1-269.1 to certify a charge to the grand jury shall divest the juvenile court of jurisdiction over the charge and any ancillary charge. In any case in which a transfer hearing is held pursuant to subsection A of § 16.1-269.1, if the juvenile court determines to transfer the case, jurisdiction of the juvenile court over the case shall be divested as provided in § 16.1-269.6.

In all other cases involving delinquent acts, and in cases in which an ancillary charge remains after a violent juvenile felony charge has been dismissed or a violent juvenile felony has been reduced to a lesser offense not constituting a violent juvenile felony, the jurisdiction of the juvenile court shall not be divested unless there is a transfer pursuant to subsection A of § 16.1-269.1.

The authority of the juvenile court to adjudicate matters involving the custody, visitation, support, control or disposition of a child shall not be limited to the consideration of petitions filed by a mother, father or legal guardian but shall include petitions filed at any time by any party with a legitimate interest therein. A party with a legitimate interest shall be broadly construed and shall include, but not be limited to, grandparents, stepparents, former stepparents, blood relatives and family members. A party with a legitimate interest shall not include any person (i) whose parental rights have been terminated by court order, either voluntarily or involuntarily, (ii) whose interest in the child derives from or through a person whose parental rights have been terminated by court order, either voluntarily or involuntarily, including, but not limited to, grandparents, stepparents, former stepparents, blood relatives and family members, if the child subsequently has been legally adopted, except where a final order of adoption is entered pursuant to § 63.2-1241, or (iii) who has been convicted of a violation of subsection A of § 18.2-61, § 18.2-63 or subsection B of § 18.2-366 when the child who is the subject of the petition was conceived as a result of such violation. The authority of the juvenile court to consider a petition involving the custody of a child shall not be proscribed or limited where the child has previously been awarded to the custody of a local board of social services.

B. The admission of minors for inpatient treatment in a mental health facility in accordance with the provisions of Article 16 (§ 16.1-335 et seq.) of this chapter and the commitment of a mentally ill person or judicial certification of eligibility for admission to a treatment facility of a mentally retarded person in accordance with the provisions of Chapters 1 (§ 37.1-1 et seq.) and 2 (§ 37.1-63 et seq.) of Title 37.1. Jurisdiction of the commitment and certification of adults shall be concurrent with the general district court.

C. Except as provided in subsections D and H hereof, judicial consent to such activities as may require parental consent may be given for a child who has been separated from his parents, guardian, legal custodian or other person standing in loco parentis and is in the custody of the court when such consent is required by law.

D. Judicial consent for emergency surgical or medical treatment for a child who is neither married nor has ever been married, when the consent of his parent, guardian, legal custodian or other person standing in loco parentis is unobtainable because such parent, guardian, legal custodian or other person standing in loco parentis (i) is not a resident of the Commonwealth, (ii) has his whereabouts unknown, (iii) cannot be consulted with promptness, reasonable under the circumstances, or (iv) fails to give such consent or provide such treatment when requested by the judge to do so.

F. Any parent, guardian, legal custodian or other person standing in loco parentis of a child:

1. Who has been abused or neglected;

G. Petitions filed by or on behalf of a child or such child's parent, guardian, legal custodian or other person standing in loco parentis for the purpose of obtaining treatment, rehabilitation or other services that are required by law to be provided for that child or such child's parent, guardian, legal custodian or other person standing in loco parentis. Jurisdiction in such cases shall be concurrent with and not exclusive of that of courts having equity jurisdiction as provided in § 16.1-244.

Any objection based on jurisdiction under this subsection shall be made before a jury is impaneled and sworn in a jury trial or, in a nonjury trial, before the earlier of when the court begins to hear or receive evidence or the first witness is sworn, or it shall be conclusively waived for all purposes. Any such objection shall not affect or be grounds for challenging directly or collaterally the jurisdiction of the court in which the case is tried.

K. No such petition shall be accepted, however, after the child has been placed in the home of adoptive parents.

Such proceedings shall be advanced on the docket so as to be heard by the court within 10 days of filing of the petition, or as soon thereafter as practicable so as to provide the earliest possible disposition.

V. Petitions filed by a juvenile seeking judicial authorization for a physician to perform an abortion if a minor elects not to seek consent of an authorized person.

After a hearing, a judge shall issue an order authorizing a physician to perform an abortion, without the consent of any authorized person, if he finds that (i) the minor is mature enough and well enough informed to make her abortion decision, in consultation with her physician, independent of the wishes of any authorized person, or (ii) the minor is not mature enough or well enough informed to make such decision, but the desired abortion would be in her best interest.

If the judge authorizes an abortion based on the best interests of the minor, such order shall expressly state that such authorization is subject to the physician or his agent giving notice of intent to perform the abortion; however, no such notice shall be required if the judge finds that such notice would not be in the best interest of the minor. In determining whether notice is in the best interest of the minor, the judge shall consider the totality of the circumstances; however, he shall find that notice is not in the best interest of the minor if he finds that (i) one or more authorized persons with whom the minor regularly and customarily resides is abusive or neglectful, and (ii) every other authorized person, if any, is either abusive or neglectful or has refused to accept responsibility as parent, legal guardian, custodian or person standing in loco parentis.

The minor may participate in the court proceedings on her own behalf, and the court may appoint a guardian ad litem for the minor. The court shall advise the minor that she has a right to counsel and shall, upon her request, appoint counsel for her.

Notwithstanding any other provision of law, the provisions of this subsection shall govern proceedings relating to consent for a minor's abortion. Court proceedings under this subsection and records of such proceedings shall be confidential. Such proceedings shall be given precedence over other pending matters so that the court may reach a decision promptly and without delay in order to serve the best interests of the minor. Court proceedings under this subsection shall be heard and decided as soon as practicable but in no event later than four days after the petition is filed.

An expedited confidential appeal to the circuit court shall be available to any minor for whom the court denies an order authorizing an abortion without consent or without notice. Any such appeal shall be heard and decided no later than five days after the appeal is filed. The time periods required by this subsection shall be subject to ~~§ 1-13.3-1~~ *subsection B of § 1-210*. An order authorizing an abortion without consent or without notice shall not be subject to appeal.

No filing fees shall be required of the minor at trial or upon appeal.

If either the original court or the circuit court fails to act within the time periods required by this

subsection, the court before which the proceeding is pending shall immediately authorize a physician to perform the abortion without consent of or notice to an authorized person.

Nothing contained in this subsection shall be construed to authorize a physician to perform an abortion on a minor in circumstances or in a manner that would be unlawful if performed on an adult woman.

A physician shall not knowingly perform an abortion upon an unemancipated minor unless consent has been obtained or the minor delivers to the physician a court order entered pursuant to this section and the physician or his agent provides such notice as such order may require. However, neither consent nor judicial authorization nor notice shall be required if the minor declares that she is abused or neglected and the attending physician has reason to suspect that the minor may be an abused or neglected child as defined in § 63.2-100 and reports the suspected abuse or neglect in accordance with § 63.2-1509; or if there is a medical emergency, in which case the attending physician shall certify the facts justifying the exception in the minor's medical record.

For purposes of this subsection:

"Authorization" means the minor has delivered to the physician a notarized, written statement signed by an authorized person that the authorized person knows of the minor's intent to have an abortion and consents to such abortion being performed on the minor.

"Authorized person" means (i) a parent or duly appointed legal guardian or custodian of the minor or (ii) a person standing in loco parentis, including, but not limited to, a grandparent or adult sibling with whom the minor regularly and customarily resides and who has care and control of the minor. Any person who knows he is not an authorized person and who knowingly and willfully signs an authorization statement consenting to an abortion for a minor is guilty of a Class 3 misdemeanor.

"Consent" means that (i) the physician has given notice of intent to perform the abortion and has received authorization from an authorized person, or (ii) at least one authorized person is present with the minor seeking the abortion and provides written authorization to the physician, which shall be witnessed by the physician or an agent thereof. In either case, the written authorization shall be incorporated into the minor's medical record and maintained as a part thereof.

"Medical emergency" means any condition which, on the basis of the physician's good faith clinical judgment, so complicates the medical condition of the pregnant minor as to necessitate the immediate abortion of her pregnancy to avert her death or for which a delay will create a serious risk of substantial and irreversible impairment of a major bodily function.

"Notice of intent to perform the abortion" means that (i) the physician or his agent has given actual notice of his intention to perform such abortion to an authorized person, either in person or by telephone, at least 24 hours previous to the performance of the abortion; or (ii) the physician or his agent, after a reasonable effort to notify an authorized person, has mailed notice to an authorized person by certified mail, addressed to such person at his usual place of abode, with return receipt requested, at least 72 hours prior to the performance of the abortion.

"Perform an abortion" means to interrupt or terminate a pregnancy by any surgical or nonsurgical procedure or to induce a miscarriage as provided in §§ 18.2-72, 18.2-73 or § 18.2-74.

D. Any person 21 years of age or older may apply in writing to the clerk of the circuit court of the county or city in which he resides, or if he is a member of the United States Armed Forces, the county or city in which he is domiciled, for a five-year permit to carry a concealed handgun. There shall be no requirement regarding the length of time an applicant has been a resident or domiciliary of the county or city. The application shall be made under oath before a notary or other person qualified to take oaths and shall be made only on a form prescribed by the Department of State Police, in consultation with the Supreme Court, requiring only that information necessary to determine eligibility for the permit. The clerk shall enter on the application the date on which the application and all other information required to be submitted by the applicant is received. The court shall consult with either the sheriff or police department of the county or city and receive a report from the Central Criminal Records Exchange. As a condition for issuance of a concealed handgun permit, the applicant shall submit to fingerprinting if required by local ordinance in the county or city where the applicant resides and provide personal descriptive information to be forwarded with the fingerprints through the Central Criminal Records Exchange to the Federal Bureau of Investigation for the purpose of obtaining criminal history record

information regarding the applicant, and obtaining fingerprint identification information from federal records pursuant to criminal investigations by state and local law-enforcement agencies. Where feasible and practical, the local law-enforcement agency may transfer information electronically to the State Police instead of inked fingerprint cards. Upon completion of the criminal history records check, the State Police shall return the fingerprint cards to the submitting local agency or, in the case of scanned fingerprints, destroy the electronic record. The local agency shall then promptly notify the person that he has 21 days from the date of the notice to request return of the fingerprint cards, if any. All fingerprint cards not claimed by the applicant within 21 days of notification by the local agency shall be destroyed. All optically scanned fingerprints shall be destroyed upon completion of the criminal history records check without requiring that the applicant be notified. Fingerprints taken for the purposes described in this section shall not be copied, held or used for any other purposes. The court shall issue the permit within 45 days of receipt of the completed application unless it is determined that the applicant is disqualified. Any order denying issuance of the permit shall state the basis for the denial of the permit and the applicant's right to and the requirements for perfecting an appeal of such order pursuant to subsection L. An application is deemed complete when all information required to be furnished by the applicant is delivered to and received by the clerk of court before or concomitant with the conduct of a state or national criminal history records check. If the court has not issued the permit or determined that the applicant is disqualified within 45 days of the date of receipt noted on the application, the clerk shall certify on the application that the 45-day period has expired, and send a copy of the certified application to the applicant. The certified application shall serve as a de facto permit, which shall expire 90 days after issuance, and shall be recognized as a valid concealed handgun permit when presented with a valid government-issued photo identification pursuant to subsection H, until the court issues a five-year permit or finds the applicant to be disqualified. If the applicant is found to be disqualified after the de facto permit is issued, the applicant shall surrender the de facto permit to the court and the disqualification shall be deemed a denial of the permit and a revocation of the de facto permit. If the applicant is later found by the court to be disqualified after a five-year permit has been issued, the permit shall be revoked. The clerk of court may withhold from public disclosure the social security number contained in a permit application in response to a request to inspect or copy any such permit application, except that such social security number shall not be withheld from any law-enforcement officer acting in the performance of his official duties.

E. The following persons shall be deemed disqualified from obtaining a permit:

16. An individual whose previous convictions or adjudications of delinquency were based on an offense which would have been at the time of conviction a felony if committed by an adult under the laws of any state, the District of Columbia, the United States or its territories. F. The making of a materially false statement in an application under this section shall constitute perjury, punishable as provided in § 18.2-434.

G. The court shall require proof that the applicant has demonstrated competence with a handgun and the applicant may demonstrate such competence by one of the following, but no applicant shall be required to submit to any additional demonstration of competence:

J1. Any person permitted to carry a concealed handgun, who is under the influence of alcohol or illegal drugs while carrying such handgun in a public place, shall be guilty of a Class 1 misdemeanor. The State Police may charge a fee not to exceed \$5 to cover their costs associated with processing the application. The total amount assessed for processing an application for a permit shall not exceed \$50, with such fees to be paid in one sum to the person who accepts the application. Payment may be made by any method accepted by that court for payment of other fees or penalties. No payment shall be required until the application is accepted by the

P. A valid concealed handgun or concealed weapon permit or license issued by another state shall authorize the holder of such permit or license who is at least 21 years of age to carry a concealed handgun in the Commonwealth, provided (i) the issuing authority provides the means for instantaneous verification of the validity of all such permits or licenses issued within that state, accessible 24 hours a day, and (ii) except for the age of the permit or license holder and the type of weapon authorized to be carried, the requirements and qualifications of that state's law are adequate to prevent possession of a permit or license by persons who would be denied a permit in the Commonwealth under this section. The Superintendent of State Police shall (a) in consultation with the Office of the Attorney General determine whether states meet the requirements and qualifications of this section, (b) maintain a registry of such states on the Virginia Criminal Information Network (VCIN), and (c) make the registry available to law-enforcement officers for investigative purposes. (c) To require that outdoor theater entrances and exits are adequately lighted and marked.

~~Throughout this title the term "systems of state highways" shall have the meaning ascribed thereto by § 1-13.40.~~

The term "public transportation" or "mass transit" as used in this title means passenger transportation by rubber-tired, rail, or other surface conveyance which provides shared ride services open to the general public on a regular and continuing basis. The term does not include school buses; charter or sight-seeing service; vehicular ferry service which serves as a link in the highway network; or human service agency or other client-restricted transportation.

§ 33.1-320.2. Preamble; Woodrow Wilson Bridge and Tunnel Compact.

Whereas, traffic congestion imposes serious economic burdens on the metropolitan Washington, D.C., area, costing each commuter an estimated \$1,000 per year; and

Whereas, the volume of traffic in the metropolitan Washington, D.C., area is expected to increase by more than 70 percent between 1990 and 2020; and

Whereas, the deterioration of the Woodrow Wilson Memorial Bridge and the growing population of the metropolitan Washington, D.C., area contribute significantly to traffic congestion; and

Whereas, the Bridge serves as a vital link in the Interstate Highway System and in the Northeast corridor; and

Whereas, identifying alternative methods for maintaining this vital link of the Interstate System is critical to addressing the traffic congestion of the area; and

Whereas, the Bridge is the only drawbridge in the metropolitan Washington, D.C., area on the Interstate System; and

Whereas, the Bridge is the only segment of the Capital Beltway with only six lanes; and

Whereas, the Bridge is the only segment of the Capital Beltway with a remaining expected life of less than 10 years; and

Whereas, the Bridge is the only part of the Interstate Highway System owned by the federal government; and

Whereas, the Bridge was constructed by the federal government; and

Whereas, prior to the date of the enactment of this Act, the federal government will have contributed 100 percent of the cost of building and rehabilitating the Bridge; and

Whereas, the federal government has a continuing responsibility to fund future costs associated with the upgrading of the Interstate Route 95 crossing, including the rehabilitation and construction of the Bridge; and

Whereas, the Woodrow Wilson Memorial Bridge Coordination Committee is undertaking planning studies pertaining to the Bridge, consistent with the National Environmental Policy Act of 1969 (42 U.S.C. § 4321 et seq.) and other applicable federal laws; and

Whereas, the transfer of ownership of the Bridge to a regional authority under the terms and conditions described in this Act would foster regional transportation planning efforts to identify solutions to the growing problem of traffic congestion on and around the Bridge; and

Whereas, the Authority shall maximize the use of existing public or private sector entities to provide necessary project services, including management, construction, legal, accounting, and operating services and not create a new bureaucracy or organizational structure; and

Whereas, any material change to the Bridge must take into account the interests of nearby communities, the commuting public, federal, state, and local government organizations, and other affected groups; and

Whereas, a commission of congressional, state, and local officials and transportation representatives has recommended to the Secretary of the United States Department of Transportation that the Bridge be transferred to an independent authority to be established by the State of Maryland, the District of Columbia and the Commonwealth of Virginia; now, therefore,

The State of Maryland, the District of Columbia and the Commonwealth of Virginia, hereinafter referred to as the signatories, do hereby covenant and agree as follows:

Article V.

Adoption of Compact by Signatories; Withdrawal; Cooperation.

1. This compact shall be adopted by the signatories in the manner provided by law. This compact shall become effective after the State of Maryland and the District of Columbia have passed acts similar in substance to this Act.

2. Any signatory may withdraw from the compact upon one year's written notice to that effect to the other signatories. In the event of a withdrawal of one of the signatories from the compact, the compact shall be terminated; provided, however, that no revenue bonds, notes, or other evidence of obligation issued pursuant to Article VII of Chapter II, or any other financial obligations of the Authority remain outstanding and that the withdrawing signatory has made a full accounting of its financial obligations, if any, to the other signatories.

3. Upon the termination of this compact, the jurisdiction over the matters and persons covered by this compact shall revert to the signatories and the federal government, as their interests may appear.

4. Each of the signatories pledges to each of the other signatory parties faithful cooperation in the development and implementation of the project.

Article VI.

Terms of Agreement Between Signatories.

The Authority shall not undertake the ownership of the existing Woodrow Wilson Bridge, or any duties or responsibilities associated therewith, nor undertake any of the responsibilities and powers provided in this Act until the Governors of the State of Maryland and the Commonwealth of Virginia and the Mayor of the District of Columbia have entered into an agreement with the U.S. Secretary of Transportation including provisions governing the transfer of the existing Bridge from the federal government to the Authority, and which shall provide for a contractual commitment by the federal government to provide federal funding for the project, including, at a minimum, a 100 percent federal share for the following:

(1) The cost of continuing rehabilitation of the Bridge until such time as the project is operational;

(2) An amount, as determined by the Woodrow Wilson Memorial Bridge Coordination Committee, equivalent to the cost of replacing the Bridge with a comparable modern bridge designed according to current engineering standards;

(3) The cost of planning, preliminary engineering and design, right-of-way acquisition, environmental studies and documentation, and final engineering for the project; and

(4) A substantial contribution towards remaining project costs.

Such federal funds shall be in addition to and shall not diminish the federal transportation funding allocated or apportioned to the Commonwealth of Virginia and the State of Maryland and the District of Columbia. Upon all parties' approval of this agreement, this compact shall become effective and the Authority shall have responsibility for duties concerning ownership, construction, operation, and

maintenance of the project. At least ~~thirty~~ 30 days before the Governor of Virginia enters into the agreement described under this article, the Governor shall submit the agreement to the Commonwealth Transportation Board for its review and comment.

Article VII.

Management Plan.

Within a reasonable period after this compact becomes effective under Article VI of this chapter, the Authority shall prepare and submit to the Governors of the Commonwealth of Virginia and the State of Maryland and the Mayor of the District of Columbia, a management plan that includes:

- A. An organizational structure;
- B. A staffing plan that includes job descriptions; and
- C. A proposed salary schedule consistent with existing salary schedules for similar positions in the State of Maryland, the Commonwealth of Virginia, or the District of Columbia.

The Authority shall not implement the provisions of this Act until the Governors of the Commonwealth of Virginia and the State of Maryland and the Mayor of the District of Columbia have approved the management plan.

Subsequent to the approval of the management plan, the Authority may increase the number of its employees and their salary levels, provided that such increases do not result in a ~~twenty~~ 20 percent increase above the level in the approved management plan. Increases in excess of ~~twenty~~ 20 percent shall require an amendment to the approved management plan. A proposed amendment shall be submitted to and approved by the Governors of the Commonwealth of Virginia and the State of Maryland and the Mayor of the District of Columbia prior to becoming effective.

In the conduct of its responsibilities and duties, the Authority shall maximize the use of existing public and private sector entities to provide necessary services, including management, construction, legal, accounting, and other services, as the Authority may deem necessary.

Article VIII.

Jurisdiction of Courts; Liability for Contracts and Torts.

1. Except as provided herein, the Authority shall be liable for its contracts and for its torts and those of its directors, officers, employees, and agents. For tort actions arising out of conduct occurring in Maryland, Maryland tort and sovereign immunity law shall apply. The exclusive remedy for such breach of contracts and torts for which the Authority shall be liable, as herein provided, shall be by suit against the Authority. Nothing contained in this Act shall be construed as a waiver by Maryland, the District of Columbia, or Virginia of any immunity from suit.

2. The United States district courts shall have original jurisdiction, concurrent with the courts of Virginia, the District of Columbia, and Maryland, of all actions brought by or against the Authority. Any such action initiated in a state court or the superior court of the District of Columbia shall be removable to the appropriate United States district court in the manner provided by act of June 25, 1948, as amended (28 U.S.C. § 1446).

3. If any part or provision of this compact or the application thereof to any person or circumstances be adjudged invalid by any court of competent jurisdiction, such judgment shall be confined in its operation to the part, provision or application directly involved in the controversy in which such judgment shall have been rendered and shall not affect or impair the validity of the remainder of this compact or the application thereof to other persons or circumstances, and the signatories hereby declare that they would have entered into this compact or the remainder thereof had the invalidity of such provision or application thereof been apparent.

4. This compact shall be liberally construed to effectuate the purposes for which it is created.

Article III.

Incidental Powers.

The Authority shall have power to construct grade separations at intersections of the project with public highways and to change and adjust the lines and grades of such highways so as to accommodate the same to the design of such grade separation. The cost of such grade separations and any damage incurred in changing and adjusting the lines and grades of such highways shall be ascertained and paid by the Authority as a part of the cost of the project.

If the Authority shall find it necessary to change the location of any portion of any public highway, it shall cause the same to be reconstructed at such location as the Authority shall deem most favorable and be of substantially the same type and in as good condition as the original highway. The cost of such reconstruction and any damage incurred in changing the location of any such highway shall be ascertained and paid by the Authority as a part of the cost of the project.

Any public highway affected by the construction of the project may be vacated or relocated by the Authority in the manner now provided by law for the vacation or relocation of public roads, and any damages awarded on account thereof shall be paid by the Authority as a part of the cost of the project.

The Authority shall also have power to make regulations for the installation, construction, maintenance, repair, renewal, relocation and removal of tracks, pipes, mains, conduits, cables, wires, towers, poles and other equipment and appliances (herein called "public utility facilities") of any public utility in, on, along, over or under the project. Whenever the Authority shall determine that it is necessary that any such public utility facilities which now are, or hereafter may be, located in, on, along, over or under the project should be relocated in the project, or should be removed from the project, the public utility owning or operating such facilities shall relocate or remove the same in accordance with the order of the Authority, provided that the cost and expenses of such relocation or removal, including the cost of installing such facilities in a new location or new locations, and the cost of any lands, or any rights or interests in lands, and any other rights, acquired to accomplish such relocation or removal, shall be ascertained and paid by the Authority as a part of the cost of the project. In case of any such relocation or removal of facilities, the public utility owning or operating the same, its successors or assigns, may maintain and operate such facilities, with the necessary appurtenances, in the new location or new locations, for as long a period, and upon the same terms and conditions, as it had the right to maintain and operate such facilities in their former location or locations.

Article IV.

Acquisition of Property.

The Authority is hereby authorized and empowered to acquire by purchase, whenever it shall deem such purchase expedient, solely from funds provided under the authority of this Act, such lands, structures, rights-of-way, property, rights, franchises, easements and other interest in lands, including lands lying under water and riparian rights, which are located within the Washington, D.C., metropolitan

area, as it may deem necessary or convenient for the construction and operation of the project, upon such terms and at such prices as may be considered by it to be reasonable and can be agreed upon between it and the owner thereof; and to take title thereto in the name of the Authority.

All counties, cities, towns and other political subdivisions and all public agencies and authorities of the signatories, notwithstanding any contrary provision of law, are hereby authorized and empowered to lease, lend, grant or convey to the Authority at the Authority's request, upon such terms and conditions as the governing bodies of such counties, cities, towns, political subdivisions, agencies or authorities may deem reasonable and fair and without the necessity for any advertisement, order of court or other action or formality, other than the regular and formal action of the authorities concerned, any real property which may be necessary or convenient to the effectuation of the authorized purposes of the Authority, including public roads and other real property already devoted to public use.

Whenever a reasonable price cannot be agreed upon, or whenever the owner is legally incapacitated or is absent, unknown or unable to convey valid title, the Authority is hereby authorized and empowered to acquire by condemnation or by the exercise of the power of eminent domain any lands, property, rights, rights-of-way, franchises, easements and other property deemed necessary or convenient for the construction or the efficient operation of the project or necessary in the restoration of public or private property damaged or destroyed.

Whenever the Authority acquires property under this article, it shall comply with the applicable federal law relating to relocation and relocation assistance. If there is no applicable federal law, the Authority shall comply with the provisions of the state law of the signatory in which the property is located governing relocation and relocation assistance.

In advance of undertaking any acquisition of property or easements in Maryland or the condemnation of such property, the Authority must obtain from the Maryland Board of Public Works approval of a plan identifying the properties or easements to be obtained for the project. In advance of undertaking any acquisition of property or easements in Virginia or the condemnation of such property, the Authority must obtain from the Virginia Commonwealth Transportation Board approval of a plan identifying the properties to be obtained for the project. Condemnation proceedings shall be in accordance with the provisions of state law of the signatory in which the property is located governing condemnation by the highway agency of such state. Nothing in this act shall be construed to authorize the authority to condemn the property of the Commonwealth of Virginia, the District of Columbia, or the State of Maryland.

Article V. Procurement.

1. Except as provided in subdivisions 2, 3, and 6 of this article, and except in the case of procurement procedures otherwise expressly authorized by law, the Authority in conducting a procurement of goods, services, or construction shall obtain full and open competition through the use of competitive procedures in accordance with the requirements of this section and use the competitive procedure or combination of procedures that is most suitable under the circumstances of the procurement.

The Authority shall solicit sealed bids if (i) time permits the solicitation, submission, and evaluation of sealed bids; (ii) the award will be made on the basis of price and other price-related factors; (iii) it is not necessary to conduct discussions with the responding sources about their bids; and (iv) there is a reasonable expectation of receiving more than one sealed bid. If the Authority does not solicit sealed bids, it shall request competitive proposals.

2. The Authority may use procedures other than competitive procedures if:

a. the goods, services, or construction needed by the Authority are available from only one responsible source and no other type of property, services, or construction will satisfy the needs of the Authority;

b. the Authority's need for the property, services, or construction is of such unusual and compelling urgency that the Authority would be seriously injured unless the Authority limits the number of sources from which it solicits bids or proposals; or

c. the goods or services needed can be obtained through federal or other governmental sources at reasonable prices.

3. For the purpose of applying subdivision 2 a of this article:

a. in the case of a contract for goods, services, or construction to be awarded on the basis of acceptance of an unsolicited proposal, the goods, services, or construction shall be deemed to be available from only one responsible source if the source has submitted an unsolicited proposal that demonstrates a concept:

(1) that is unique and innovative or, in the case of a service, for which the source demonstrates a unique capability to provide the service; and

(2) the substance of which is not otherwise available to the Authority and does not resemble the substance of a pending competitive procurement.

b. in the case of a follow-on contract for the continued development or production of a major system or highly specialized equipment or the continued provision of highly specialized services, the goods,

services, or construction may be deemed to be available from only the original source and may be procured through procedures other than competitive procedures if it is likely that award to a source other than the original source would result in:

(1) substantial duplication of cost to the Authority that is not expected to be recovered through competition; or

(2) unacceptable delays in fulfilling the Authority's needs.

4. If the Authority uses procedures other than competitive procedures to procure property, services, or construction under subdivision 2 b of this article, the Authority shall request offers from as many potential sources as is practicable under the circumstances.

5. a. To promote efficiency and economy in contracting, the Authority may use simplified acquisition procedures for purchases of property, services and construction.

b. For the purposes of this section, simplified acquisition procedures may be used for purchases for an amount that does not exceed the simplified acquisition threshold adopted by the federal government.

c. A proposed purchase or contract for an amount above the simplified acquisition threshold may not be divided into several purchases or contracts for lesser amounts in order to use the procedures under subdivision a of this section.

d. In using simplified acquisition procedures, the Authority shall promote competition to the maximum extent practicable.

6. The Authority shall adopt policies and procedures to implement this article. The policies and procedures shall provide for publication of notice of procurements and other actions designed to secure competition where competitive procedures are used.

7. The Authority in its sole discretion may reject any and all bids or proposals received in response to a solicitation.

8. In structuring all procurements under this article, the Authority shall comply with federal laws and regulations, and other federal requirements set forth in grant agreements or elsewhere, as they may be amended from time to time, governing minority business enterprise participation.

Article VI.

Revenues.

The Authority is hereby authorized to fix, revise, charge and collect tolls for the use of the project, and to contract with any person, partnership, association or corporation desiring the use of the project, and to fix the terms, conditions, rents and rates of charges for such use.

Such tolls shall be so fixed and adjusted in respect of the aggregate of tolls from the project as to provide a fund sufficient in combination with other revenues, if any, to pay (i) the cost of maintaining, repairing and operating such project and (ii) the principal of and the interest on the bonds as the same shall become due and payable, and to create reserves for such purposes. Such tolls shall be not subject to supervision or regulation by any other authority, board, bureau, or agency of the Commonwealth of Virginia or the State of Maryland or the District of Columbia. The tolls and all other revenues derived from the project in connection with which the bonds of any issue shall have been issued, except such part thereof as may be necessary to pay such cost of maintenance, repair, and operation and to provide such reserves therefor as may be provided for in the resolution authorizing the issuance of such bonds or in the trust indenture securing the same, shall be set aside at such regular intervals as may be provided in such resolution or such trust indenture in a sinking fund which is hereby pledged to, and charged with, the payment of the principal of and the interest on such bonds as the same shall become due, and, upon the approval of the Governors of the Commonwealth of Virginia and the State of Maryland, and the Mayor of the District of Columbia, the redemption price or the purchase price of bonds retired by call or purchase as therein provided. Such pledge shall be valid and binding from the time when the pledge is made; the tolls or other revenues or other moneys so pledged and thereafter received by the Authority shall immediately be subject to the lien of such pledge without any physical delivery thereof or further act, and the lien of any such pledge shall be valid and binding as against all parties having claims of any kind in tort, contract, or otherwise against the Authority, irrespective of whether such parties have notice thereof. Neither the resolution nor any trust indenture by which a pledge is created need be filed or recorded except in the records of the Authority. The use and disposition of moneys to the credit of such sinking fund shall be subject to the provisions of the resolution authorizing the issuance of such bonds or of such trust indenture. Except as may otherwise be provided in such resolution or such trust indenture, such sinking fund shall be a fund for all such bonds without distinction or priority of one over another.

Tolls shall not be set at rates such that toll revenues generated by the project exceed those necessary to meet requirements under any applicable trust indenture for the project.

Article VII.

Revenue Bonds.
