B. Subject to the conditions of subsections C and D, the amount of the reimbursement to taxpayers for tax year 1998 and the amount of the payments to treasurers for tax years after 1998 shall be 100 percent for qualifying vehicles with a value of one thousand dollars or less and for each qualifying vehicle with a value of more than one thousand dollars shall be as follows:

	Percentage Level
1. For any tax year beginning in calendar year 1998	12.5 percent of the reimbursable amount for each qualifying vehicle
2. For any tax year beginning in calendar year 1999	27.5 percent of the reimbursable amount for each qualifying vehicle

305 years thereafter

306 C. Notwithstanding the schedule set forth in subsection B, the percentage level for each
307 qualifying vehicle to be paid by the Commonwealth for a tax year shall not be increased at the
308 beginning of any calendar year above the percentage level paid by the Commonwealth in the preceding
309 tax year if:

310 1. Actual general fund revenues for a fiscal year, including transfers, are less than the projected
311 general fund revenues, as reported in the general appropriation act in effect at that time, by one-half of
312 one percent or more of the amount of actual general fund revenues for such fiscal year;

313 2. The general fund revenue forecast provided by the Governor in December pursuant to § 2.2-1503
314 indicates that general fund revenues, excluding transfers, for any fiscal year will be less than five
315 percent greater than general fund revenues for the immediately preceding fiscal year; or

316 3. The general fund revenue forecast provided by the Governor in December pursuant to § 2.2-1503
317 indicates that total general fund revenues available for appropriation, including transfers, for either of the
318 fiscal years covered by the general appropriation act in effect at that time will be less than the general
319 fund appropriations for such fiscal year or years.

320 D. If the percentage level remains the same for consecutive tax years, the percentage level to be used
321 in the following tax year shall remain the same unless none of the conditions described in subsection C
322 have occurred, in which event the amount to be paid by the Commonwealth for the immediately
323 following tax year shall be equal to the next highest percentage amount listed in subsection B. E. An
324 amount equal to the percentage of the reimbursable amount as determined under subdivisions B 2
325 through B 5 shall appear as a deduction on the tangible personal property tax bill for qualifying
326 vehicles, as provided by subsection E of § 58.1-3912.

327 1. In the event the General Assembly changes the percentage of the reimbursable amount as
328 described under subsection B for the current tax year and a locality has already printed its tangible
329 personal property tax bills for qualifying vehicles for the year that the percentage is changed, the
330 following procedures shall apply:

331 a. If the percentage of the reimbursable amount is decreased for the current tax year and the taxpayer
332 has paid the assessment, the locality may (i) levy an additional amount for the amount of the difference
333 between the percentage of the reimbursable amount for the tax year reflected on the original assessment
334 and the percentage of the reimbursable amount for the tax year as modified by the General Assembly in
335 the current year or (ii) carry forward the additional levy and include it on the subsequent tax bill,
336 provided such levy is not subject to penalty and interest.

337 b. If the percentage of the reimbursable amount is increased for the current tax year and the taxpayer
338 has paid the assessment, the locality shall issue a refund to the taxpayer for the amount of the difference
339 between the percentage of the reimbursable amount for the tax year reflected on the original assessment
340 and the percentage of the reimbursable amount for the tax year as modified by the General Assembly in
341 the current tax year. Such refunds shall be issued by the treasurer no later than thirty days after receipt
342 of the payment from the Commonwealth pursuant to § 58.1-3526.

343 2. In the event the General Assembly changes the percentage of the reimbursable amount as
344 described under subsection B before a locality has printed its tangible personal property tax bills for
345 qualifying vehicles, the following procedures shall apply:

346 a. If the percentage of the reimbursable amount is decreased for the current tax year, the locality may
347 adjust each taxpayer's tangible personal property tax bill to reflect the changes made by the General
348 Assembly to the percentage of the reimbursable amount.

349 b. If the percentage of the reimbursable amount is increased for the current tax year, the locality
350 shall adjust each taxpayer's tangible personal property tax bill to reflect the changes made by the
351 General Assembly to the percentage of the reimbursable amount.

352 § 58.1-3526. (Repealed effective January 1, 2006) Payment to treasurers for tax year 1999 and
353 thereafter.

354 A. For tax year 19992007 and tax years thereafter, the Commonwealth shall pay to treasurers the
355 amount specified in subdivisions B 2 through B 5 of § 58.1-3524 for each qualifying vehicle, if the
356 conditions of this section are satisfied.

357 B. As provided by subsection E of § 58.1-3912, the treasurer shall include such amount as a
358 deduction on the face of tangible personal property tax bills for qualifying vehicles and shall clearly
359 designate such deduction as an amount to be paid by the Commonwealth. In addition to tangible
360 personal property taxes levied on property other than qualifying vehicles, the taxpayer shall pay to the
361 treasurer any payment due for the difference between tangible personal property taxes levied on a
362 qualifying vehicle and such deduction. On or before the date the certified personal property tax book is
363 required by § 58.1-3118 to be provided to the treasurer, the commissioner of the revenue shall identify
364 each qualifying vehicle and its value to the treasurer of the locality.

365 C. Except as provided by subsection B of § 58.1-3528, upon full payment of the tangible personal
366 property tax levied on a qualifying vehicle, less the amount of the deduction, as described in subsection

B of this section, the treasurer shall make a request to the Commonwealth for payment of the amount equal to the amount specified in subdivisions B 2 through B 5 of § 58.1-3524 for the qualifying vehicle. Such request shall include a summary of the information appearing on the related tangible personal property tax bill. The summary information to be included in the request and the form of such request shall be prescribed by the Comptroller. Upon receipt of such information, the Comptroller shall issue the proper warrant for payment by the State Treasurer. If the Comptroller determines that a treasurer is unable to provide the summary information, he shall issue a warrant for payment to such treasurer in an amount equal to the estimate made by the Department under § 58.1-3529. Provided that the request for payment is received by the deadlines established and in the format prescribed by the Comptroller, he shall issue the warrant for payment no later than two business days after the receipt of the request from the treasurer.

D. 1. If a taxpayer is required to make a payment for the difference between the tangible personal property tax levied on a qualifying vehicle and the deduction as described in subsection B, the amount as determined under subdivisions B 2 through B 5 of § 58.1-3524 for such qualifying vehicle shall be paid by the Commonwealth to the treasurer at such times as are consistent with the treasurer's receipt of tangible personal property tax payments on qualifying vehicles as of January 1, 1998.

2.
