[H 2438]

Approved

Be it enacted by the General Assembly of Virginia:

1. That § 18.2-248 of the Code of Virginia is amended and reenacted and that the Code of Virginia is amended by adding a section numbered 18.2-248.02 as follows:

§ 18.2-248. Manufacturing, selling, giving, distributing or possessing with intent to manufacture, sell, give or distribute a controlled substance or an imitation controlled substance prohibited; penalties.

A. Except as authorized in the Drug Control Act (§ 54.1-3400 et seq.), it shall be unlawful for any person to manufacture, sell, give, distribute, or possess with intent to manufacture, sell, give or distribute a controlled substance or an imitation controlled substance.

B. In determining whether any person intends to manufacture, sell, give or distribute an imitation controlled substance, the court may consider, in addition to all other relevant evidence, whether any distribution or attempted distribution of such pill, capsule, tablet or substance in any other form whatsoever included an exchange of or a demand for money or other property as consideration, and, if so, whether the amount of such consideration was substantially greater than the reasonable value of such pill, capsule, tablet or substance in any other form whatsoever, considering the actual chemical composition of such pill, capsule, tablet or substance in any other form whatsoever and, where applicable, the price at which over-the-counter substances of like chemical composition sell.

C. *Except as provided in subsection C1*, any person who violates this section with respect to a controlled substance classified in Schedule I or II shall upon conviction be imprisoned for not less than five nor more than 40 years and fined not more than \$500,000. Upon a second or subsequent conviction of such a violation, any such person may, in the discretion of the court or jury imposing the sentence, be sentenced to imprisonment for life or for any period not less than five years and be fined not more than \$500,000.

When a person is convicted of a third or subsequent offense under this subsection and it is alleged in the warrant, indictment or information that he has been before convicted of two or more such offenses or of substantially similar offenses in any other jurisdiction which offenses would be felonies if committed in the Commonwealth and such prior convictions occurred before the date of the offense alleged in the warrant, indictment, or information, he shall be sentenced to imprisonment for life or for a period of not less than five years, three years of which shall be a mandatory minimum term of imprisonment to be served consecutively with any other sentence and he shall be fined not more than \$500,000.

C1. Any person who violates this section with respect to the manufacturing of methamphetamine, its salts, isomers, or salts of its isomers or less than 200 grams of a mixture or substance containing a detectable amount of methamphetamine, its salts, isomers, or salts of its isomers shall, upon conviction, be imprisoned for not less than 10 nor more than 40 years and fined not more than \$500,000. Upon a second conviction of such a violation, any such person may, in the discretion of the court or jury imposing the sentence, be sentenced to imprisonment for life or for any period not less than 10 years, and be fined not more than \$500,000. When a person is convicted of a third or subsequent offense under this subsection and it is alleged in the warrant, indictment, or information that he has been previously convicted of two or more such offenses or of substantially similar offenses in any other jurisdiction, which offenses would be felonies if committed in the Commonwealth and such prior convictions occurred before the date of the offense alleged in the warrant, indictment, or information, he shall be sentenced to imprisonment for life or for a period not less than 10 years, three years of which shall be a mandatory minimum term of imprisonment to be served consecutively with any other sentence and he shall be fined not more than \$500,000. Upon conviction, in addition to any other punishment, a person found guilty of this offense shall be ordered by the court to make restitution, as the court deems appropriate, to any innocent property owner whose property is damaged, destroyed, or otherwise rendered unusable as a result of such methamphetamine production. This restitution may include the person's or his estate's estimated or actual expenses associated with cleanup, removal, or repair of the affected property.

D. If such person proves that he gave, distributed or possessed with intent to give or distribute a controlled substance classified in Schedule I or II only as an accommodation to another individual who

is not an inmate in a community correctional facility, local correctional facility or state correctional facility as defined in § 53.1-1 or in the custody of an employee thereof, and not with intent to profit thereby from any consideration received or expected nor to induce the recipient or intended recipient of the controlled substance to use or become addicted to or dependent upon such controlled substance, he shall be guilty of a Class 5 felony.

E. If the violation of the provisions of this article consists of the filling by a pharmacist of the prescription of a person authorized under this article to issue the same, which prescription has not been received in writing by the pharmacist prior to the filling thereof, and such written prescription is in fact received by the pharmacist within one week of the time of filling the same, or if such violation consists of a request by such authorized person for the filling by a pharmacist of a prescription which has not been received in writing by the pharmacist and such prescription is, in fact, written at the time of such request and delivered to the pharmacist within one week thereof, either such offense shall constitute a Class 4 misdemeanor.

F. Any person who violates this section with respect to a controlled substance classified in Schedule III, IV or V or an imitation controlled substance which imitates a controlled substance classified in Schedule III, IV or V, except for an anabolic steroid classified in Schedule III constituting a violation of § 18.2-248.5, shall be guilty of a Class 1 misdemeanor.

G. Any person who violates this section with respect to an imitation controlled substance which imitates a controlled substance classified in Schedule I or II shall be guilty of a Class 6 felony. In any prosecution brought under this subsection, it is not a defense to a violation of this subsection that the defendant believed the imitation controlled substance to actually be a controlled substance.

1. 1.0 kilograms or more of a mixture or substance containing a detectable amount of heroin;

H1. Any person who was the principal or one of several principal administrators, organizers or leaders of a continuing criminal enterprise shall be guilty of a felony if (i) the enterprise received at least \$100,000 but less than \$250,000 in gross receipts during any 12-month period of its existence from the manufacture, importation, or distribution of heroin or cocaine or ecgonine or methamphetamine or the derivatives, salts, isomers, or salts of isomers thereof or marijuana or (ii) the person engaged in the enterprise to manufacture, sell, give, distribute or possess with the intent to manufacture, sell, give or distribute the following during any 12-month period of its existence:
