72 carrier of passengers for hire; or (d) commissioners in chancery;

77 county or city in which he resides, or if he is a member of the United States Armed Forces, the county  
78 or city in which he is domiciled, for a five-year permit to carry a concealed handgun. There shall be no  
79 requirement regarding the length of time an applicant has been a resident or domiciliary of the county or  
80 city. The application shall be made under oath before a notary or other person qualified to take oaths  
81 and shall be made only on a form prescribed by the Department of State Police, in consultation with the  
82 Supreme Court, requiring only that information necessary to determine eligibility for the permit. The  
83 clerk shall enter on the application the date on which the application and all other information required  
84 to be submitted by the applicant is received. The court shall consult with either the sheriff or police  
85 department of the county or city and receive a report from the Central Criminal Records Exchange. As a  
86 condition for issuance of a concealed handgun permit, the applicant shall submit to fingerprinting if  
87 required by local ordinance in the county or city where the applicant resides and provide personal  
88 descriptive information to be forwarded with the fingerprints through the Central Criminal Records  
89 Exchange to the Federal Bureau of Investigation for the purpose of obtaining criminal history record  
90 information regarding the applicant, and obtaining fingerprint identification information from federal  
91 records pursuant to criminal investigations by state and local law-enforcement agencies. Where feasible  
92 and practical, the local law-enforcement agency may transfer information electronically to the State  
93 Police instead of inked fingerprint cards. Upon completion of the criminal history records check, the  
94 State Police shall return the fingerprint cards to the submitting local agency or, in the case of scanned  
95 fingerprints, destroy the electronic record. The local agency shall then promptly notify the person that he  
96 has 21 days from the date of the notice to request return of the fingerprint cards, if any. All fingerprint  
97 cards not claimed by the applicant within 21 days of notification by the local agency shall be destroyed.  
98 All optically scanned fingerprints shall be destroyed upon completion of the criminal history records  
99 check without requiring that the applicant be notified. Fingerprints taken for the purposes described in  
100 this section shall not be copied, held or used for any other purposes. The court shall issue the permit  
101 within 45 days of receipt of the completed application unless it is determined that the applicant is  
102 disqualified. Any order denying issuance of the permit shall state the basis for the denial of the permit  
103 and the applicant's right to and the requirements for perfecting an appeal of such order pursuant to  
104 subsection L. An application is deemed complete when all information required to be furnished by the  
105 applicant is delivered to and received by the clerk of court before or concomitant with the conduct of a  
106 state or national criminal history records check. If the court has not issued the permit or determined that  
107 the applicant is disqualified within 45 days of the date of receipt noted on the application, the clerk shall  
108 certify on the application that the 45-day period has expired, and send a copy of the certified application  
109 to the applicant. The certified application shall serve as a de facto permit, which shall expire 90 days  
110 after issuance, and shall be recognized as a valid concealed handgun permit when presented with a valid  
111 government-issued photo identification pursuant to subsection H, until the court issues a five-year permit  
112 or finds the applicant to be disqualified. If the applicant is found to be disqualified after the de facto  
113 permit is issued, the applicant shall surrender the de facto permit to the court and the disqualification  
114 shall be deemed a denial of the permit and a revocation of the de facto permit. If the applicant is later  
115 found by the court to be disqualified after a five-year permit has been issued, the permit shall be  
116 revoked. The clerk of court may withhold from public disclosure the social security number contained in  
117 a permit application in response to a request to inspect or copy any such permit application, except that  
118 such social security number shall not be withheld from any law-enforcement officer acting in the  
119 performance of his official duties.
