Referred to Committee on Finance

**Be it enacted by the General Assembly of Virginia:**

**1. That §§ 58.1-3830 and 58.1-3840 of the Code of Virginia are amended and reenacted as follows:**

§ 58.1-3830. Local taxes not prohibited; use of dual die or stamp to evidence payment of both county, city, or town and state tax on cigarettes.

A. *All counties, cities, and towns shall have the power to levy taxes upon the sale or use of cigarettes.* No provision of Chapter 10 (§ 58.1-1000 et seq.) of this title shall be construed to deprive counties, cities and towns of the right to levy taxes upon the sale or use of cigarettes; ~~provided such county, city or town had such power prior to January 1, 1977.~~ The governing body of any county, city or town which levies a cigarette tax and permits the use of meter impressions or stamps to evidence its payment may authorize an officer of the county, city or town or joint enforcement authority to enter into an arrangement with the Department of Taxation under which a tobacco wholesaler who so desires may use a dual die or stamp to evidence the payment of both the county, city, or town tax, and the state tax, and the Department is hereby authorized to enter into such an arrangement. The procedure under such an arrangement shall be such as may be agreed upon by and between the authorized county, city, town or joint enforcement authority officer and the Department.

B. Any county cigarette tax imposed shall not apply within the limits of any town located in such county where such town now, or hereafter, imposes a town cigarette tax. However, if the governing body of any such town shall provide that a county cigarette tax, as well as the town cigarette tax, shall apply within the limits of such town, then such cigarette tax may be imposed by the county within such town *so long as the sum of the county and town cigarette tax rates does not exceed the maximum local cigarette tax rate authorized for the town under this article.*

C. *Any cigarette tax imposed by a county, city, or town shall be on such terms and in such amounts as the governing body may by ordinance prescribe. However, the local cigarette tax rate may not exceed \$0.015 on each cigarette. Any locality imposing the tax at a higher rate prior to December 1, 2004, may continue to impose the tax at that rate but not higher.*

§ 58.1-3840. Certain excise taxes permitted.

A. The provisions of Chapter 6 (§ 58.1-600 et seq.) of this title to the contrary notwithstanding, any city or town having general taxing powers established by charter pursuant to or consistent with the provisions of § 15.2-1104 may impose excise taxes on ~~cigarettes~~, admissions, transient room rentals, meals, and travel campgrounds, provided that no such taxes may be imposed on food and beverages sold through vending machines or on any tangible personal property purchased with food coupons issued by the United States Department of Agriculture under the Food Stamp Program or drafts issued through the Virginia Special Supplemental Food Program for Women, Infants, and Children. In addition, as set forth in § 51.5-98, no blind person operating a vending stand or other business enterprise under the jurisdiction of the Department for the Blind and Vision Impaired and located on property acquired and used by the United States for any military or naval purpose shall be required to collect and remit meals taxes.

B. Notwithstanding any other provision of this section, no city or town shall levy any tax under this section upon alcoholic beverages sold in factory sealed containers and purchased for off-premises consumption or food purchased for human consumption as "food" is defined in the Food Stamp Act of 1977, 7 U.S.C. § 2012, as amended, and federal regulations adopted pursuant to that act, except for the following items: sandwiches, salad bar items sold from a salad bar, prepackaged single-serving salads consisting primarily of an assortment of vegetables, and nonfactory sealed beverages.

C. Any city or town that is authorized to levy a tax on admissions may levy the tax on admissions paid for any event held at facilities that are not owned by the city or town at a lower rate than the rate levied on admissions paid for any event held at its city- or town-owned civic centers, stadiums and amphitheatres.

**2. That § 58.1-3831 of the Code of Virginia is repealed.**
