§ 24.2-404. Duties of State Board.

A. The State Board shall provide for the continuing operation and maintenance of a central record-keeping system, the Virginia Voter Registration System, for all voters registered in the Commonwealth.

In order to operate and maintain the system, the Board shall:

1. Maintain a complete, separate, and accurate record of all registered voters in the Commonwealth.  
2. Require the general registrars to enter the names of all registered voters into the system and to change or correct registration records as necessary.

3. Provide to each general registrar, voter registration cards for newly registered voters and for notice to registered voters on the system of changes and corrections in their registration records and polling places; *and provide voter registration cards containing the voter's photograph and signature for those voters who do not have a current driver's license or other identification card issued by Department of Motor Vehicles containing the voter's photograph and signature.*

4. Require the general registrars to delete from the record of registered voters the name of any voter who (i) is deceased, (ii) is no longer qualified to vote in the county or city where he is registered due to removal of his residence, (iii) has been convicted of a felony, (iv) has been adjudicated incapacitated, or (v) is otherwise no longer qualified to vote as may be provided by law.

5. Retain on the system for four years a separate record for registered voters whose names have been deleted, with the reason for deletion.

6. Retain on the system permanently a separate record for information received regarding deaths, felony convictions, and adjudications of incapacity pursuant to §§ 24.2-408 through 24.2-410.

7. Provide to each general registrar, at least 10 days prior to a general or primary election and three days prior to a special election, an alphabetical list of all registered voters in each precinct or portion of a precinct in which the election is being held in the county, city, or town. These precinct lists shall be used as the official lists of qualified voters and shall constitute the pollbooks. Prior to any general, primary, or special election, the State Board shall provide any general registrar, upon his request, with a separate electronic list of all registered voters in the registrar's county or city. If electronic pollbooks are used in the locality or electronic voter registration inquiry devices are used in precincts in the locality, the State Board shall provide a regional or statewide list of registered voters to the general registrar of the locality. The State Board shall determine whether regional or statewide data is provided.

8. Acquire by purchase, lease, or contract equipment necessary to execute the duties of the Board.

9. Use any source of information that may assist in carrying out the purposes of this section. All agencies of the Commonwealth shall cooperate with the State Board in procuring and exchanging identification information for the purpose of maintaining the voter registration system.

10. Reprint and impose a reasonable charge for the sale of any part of Title 24.2, lists of precincts and polling places, statements of election results by precinct, and any other items required of the State Board by law. Receipts from such sales shall be credited to the Board for reimbursement of printing expenses.

B. The State Board shall be authorized to provide for the production, distribution, and receipt of information and lists through the Virginia Voter Registration System by any appropriate means including, but not limited to, paper and electronic means.

§ 24.2-411.1. Offices of the Department of Motor Vehicles.

A. The Department of Motor Vehicles shall provide the opportunity to register to vote to each person who comes to an office of the Department to:

1. Apply for, replace, or renew a driver's license;
2. Apply for, replace, or renew a special identification card; or

SB883

3. Change an address on an existing driver's license or special identification card.

B. The method used to receive an application for voter registration shall avoid duplication of the license portion of the license application and require only the minimum additional information necessary to enable registrars to determine the voter eligibility of the applicant and to administer voter registration and election laws. A person who does not sign the registration portion of the application shall be deemed to have declined to register at that time. The voter application shall include a statement that, if an applicant declines to register to vote, the fact the applicant has declined to register will remain confidential and will be used only for voter registration purposes.

Each application form distributed under this section shall be accompanied by the following statement featured prominently in boldface capital letters: "WARNING: INTENTIONALLY MAKING A MATERIALLY FALSE STATEMENT ON THIS FORM CONSTITUTES THE CRIME OF ELECTION FRAUD, WHICH IS PUNISHABLE UNDER VIRGINIA LAW AS A FELONY. VIOLATORS MAY BE SENTENCED TO UP TO 10 YEARS IN PRISON, OR UP TO 12 MONTHS IN JAIL AND/OR FINED UP TO \$2,500."

Any completed application for voter registration submitted by a person who is already registered shall serve as a written request to update his registration record. Any change of address form submitted for purposes of a motor vehicle driver's license or special identification card shall serve as notification of change of address for voter registration for the registrant involved unless the registrant states on the form that the change of address is not for voter registration purposes. If the information from the notification of change of address for voter registration indicates that the registered voter has moved to another general registrar's jurisdiction within the Commonwealth, the notification shall be treated as a request for transfer from the registered voter. The notification and the registered voter's registration record shall be transmitted as directed by the State Board of Elections to the appropriate general registrar who shall send a voter registration card as confirmation of the transfer to the voter pursuant to § 24.2-424.

C. The completed voter registration portion of the application shall be transmitted as directed by the State Board not later than five business days after the date of receipt.

D. The State Board of Elections shall maintain statistical records on the number of applications to register to vote with information provided from the Department of Motor Vehicles.

E. A person who provides services at the Department of Motor Vehicles shall not disclose, except as authorized by law for official use, the social security number of any applicant for voter registration.

*F. The Department of Motor Vehicles shall assist the State Board in providing voter registration cards containing the voter's photograph and signature as required by subdivision A 3 of § 24.2-404.*

§ 24.2-423. Notice of change of name of registered voter.

Whenever a registered voter changes his legal name, either by marriage, divorce, order of court, or otherwise, the voter shall promptly notify the general registrar of the jurisdiction where he is registered. Such notice may be made in writing or on a form approved by the State Board of Elections, which may be electronic. The notice in writing may be provided by mail or by facsimile and shall be signed by the voter unless he is physically unable to sign, in which case his own mark acknowledged by a witness shall be sufficient signature. The State Board is authorized to conduct a pilot program, under which electronic notice may be provided by electronic mail or such other electronic means as may be permitted by the State Board and signed by the voter in a manner consistent with the Uniform Electronic Transactions Act (§ 59.1-479 et seq.). The general registrar shall enter the new name on the registration records and issue the voter a new voter registration card *that complies with the requirements of subdivision A 3 of § 24.2-404.*

§ 24.2-424. Change of registered voter's address within the Commonwealth; pilot project.

A. Whenever a registered voter changes his place of residence within the Commonwealth, he shall promptly notify any general registrar of the address of his new residence. Such notice may be made in person, in writing, by return of the voter registration card noting the new address, or on a form approved by the State Board of Elections, which may be electronic. The notice in writing may be provided by mail or by facsimile and shall be signed by the voter unless he is physically unable to sign, in which case his own mark acknowledged by a witness shall be sufficient signature. The State Board is authorized to conduct a pilot program, under which electronic notice may be provided by electronic mail or such other electronic means as may be permitted by the State Board and signed by the voter in a manner consistent with the Uniform Electronic Transactions Act (§ 59.1-479 et seq.). The fact that a voter provides an address on a candidate or referendum petition that differs from the address for the voter on the voter registration system shall not be deemed sufficient notice, in and of itself, to change the voter's registration address. Any statements made by any voter applying for transfer are subject to felony penalties for making a false statement pursuant to § 24.2-1016.

B. If the voter has moved within the same county or city, on receipt of the notification, the general registrar for that county or city shall (i) enter the new address on the registration record; (ii) if satisfied that the registered voter has moved into another precinct within the same county or city, transfer the

registration of the voter to that precinct; and (iii) issue the voter a new voter registration card *that complies with the requirements of subdivision A 3 of § 24.2-404*. This transfer may be entered in the registration records at any time the registration records are not closed pursuant to § 24.2-416.

C. Any request for transfer or change of address within the Commonwealth delivered to any registrar shall be forwarded to the general registrar for the city or county in the Commonwealth where the voter now resides. When forwarding said notice, or upon request from the registrar for the county or city where the voter now resides, the registrar for the county or city where the voter formerly resided shall forward the original application for registration to the registrar for the voter's new locality.

D. Upon receipt of the voter's original registration application, and notice as specified in subsection A of this section indicating the voter's current residence, the registrar for the county or city in which the voter currently resides shall: (i) enter the new address on the registration record; (ii) if satisfied that the registered voter has moved into a precinct within that county or city, transfer the registration of the voter to that precinct; (iii) issue the voter a new voter registration card *that complies with the requirements of subdivision A 3 of § 24.2-404*; and (iv) through the Virginia voter registration system, notify the registrar of the locality where the voter formerly resided that the registration has been transferred. This transfer may be entered in the registration records at any time the registration records are not closed pursuant to § 24.2-416.

E. If the original registration application is no longer available to the registrar in the city or county where the voter formerly resided, either of the following shall be sent to and accepted by the registrar in the city or county where the voter now resides in lieu of such application: (i) an unsigned voter card (or "conversion card") used as the voter record upon the creation of the statewide voter registration system or (ii) a replacement record provided by the State Board to replace damaged files in the registrar's office. If no other record is available, then the registrar of the voter's former locality shall provide written notification to the registrar of the locality in which the voter now resides that none of the required documents are available. In this instance only, the registrar of the locality in which the voter now resides shall copy the voter's record from the Virginia voter registration system and use that record in lieu of the original voter registration application. Any complete voter registration application on a form previously authorized for use in Virginia shall be valid for the purposes of continuing or transferring a voter's registration within the Commonwealth.

§ 24.2-643. Qualified voter permitted to vote; procedures at polling place; voter identification.

A. After the polls are open, each qualified voter at a precinct shall be permitted to vote. The officers of election shall ascertain that a person offering to vote is a qualified voter before admitting him to the voting booth and furnishing an official ballot to him.

B. An officer of election shall ask the voter for his full name and current residence address and repeat, in a voice audible to party and candidate representatives present, the full name and address stated by the voter. The officer shall ask the voter to present any one of the following forms of identification *containing his photograph and signature*: his Commonwealth of Virginia voter registration card, ~~his social security card, his valid Virginia driver's license, or any other identification card issued by a government agency of the Commonwealth, one of its political subdivisions, or the United States; or any valid employee identification card containing a photograph of the voter and issued by an employer of the voter in the ordinary course of the employer's business.~~ *the Department of Motor Vehicles. If a voter is entitled to vote except that he is unable to present one of the forms of identification listed above, he shall be allowed to vote after signing a statement, subject to felony penalties for false statements pursuant to § 24.2-1016, that he is the named registered voter who he claims to be. He shall then be offered a provisional ballot for processing in accordance with the provisions of § 24.2-653. The State Board of Elections shall provide instructions to the electoral boards for the handling and counting of such provisional ballots in accordance with the provisions of § 24.2-653 and this section.*

If the voter's name is found on the pollbook, if he presents one of the forms of identification listed above, if he is qualified to vote in the election, and if no objection is made, an officer shall enter, opposite the voter's name on the pollbook, the first or next consecutive number from the voter count form provided by the State Board, or shall enter that the voter has voted if the pollbook is in electronic form; an officer shall provide the voter with the official ballot; and another officer shall admit him to the voting booth.

~~Except as provided in subsection E of this section, if a voter is entitled to vote except that he is unable to present one of the forms of identification listed above, he shall be allowed to vote after signing a statement, subject to felony penalties for false statements pursuant to § 24.2-1016, that he is the named registered voter who he claims to be.~~ A voter who requires assistance in voting by reason of physical disability or inability to read or write, and who requests assistance pursuant to § 24.2-649, may be assisted in preparation of this statement in accordance with that section. The provisions of § 24.2-649 regarding voters who are unable to sign shall be followed when assisting a voter in completing this statement.

A voter may be accompanied into the voting booth by his child age 15 or younger.

C. If the current residence address stated by the voter is different from the address shown on the pollbook, the officer of election shall furnish the voter with a change of address form prescribed by the State Board. Upon its completion, the voter shall sign the prescribed form, subject to felony penalties for making false statements pursuant to § 24.2-1016, which the officer of election shall then place in an envelope provided for such forms for transmission to the general registrar who shall then transfer or cancel the registration of such voter pursuant to Chapter 4 (§ 24.2-400 et seq.) of this title.

D. At the time the voter is asked his full name and current residence address, the officer of election shall ask any voter for whom the pollbook indicates that an identification number other than a social security number is recorded on the Virginia voter registration system if he presently has a social security number. If the voter is able to provide his social security number, he shall be furnished with a voter registration form prescribed by the State Board to update his registration information. Upon its completion, the form shall be placed by the officer of election in an envelope provided for such forms for transmission to the general registrar. Any social security numbers so provided shall be entered by the general registrar in the voter's record on the voter registration system.

E. For federal elections held after January 1, 2004, this subsection shall apply in the case of any voter who is required by subparagraph (b) of 42 U.S.C.S. § 15483 of the Help America Vote Act of 2002 to show identification the first time the voter votes in a federal election in the state. At such election, such voter shall present: (i) a current and valid photo identification; or (ii) a copy of a current utility bill, bank statement, government check, paycheck or other document that shows the name and address of the voter. Such individual who desires to vote in person but who does not show one of the forms of identification specified in this paragraph shall be offered a provisional ballot under the provisions of § 24.2-653. Neither the identification requirements of subsection B of this section, nor the identification requirements of subsection A of § 24.2-653, shall apply to such voter at that election. The State Board of Elections shall provide instructions to the electoral boards for the handling and counting of such provisional ballots pursuant to subsection B of § 24.2-653 and this section.

§ 24.2-651.1. Voter who is shown as having already voted; challenge and procedure for voting; voter identification.

The officers of election shall challenge the vote of any person who offers to vote, who is listed on the pollbook, and whose name is marked to indicate that he has already voted in person in the election.

*If the person challenged refuses to sign the statement, he shall not be permitted to vote.*

When the voter has shown the requested identification, has signed the statement, and is permitted to vote, the officers of election shall mark his name on the pollbook with the first or next consecutive number from the voter count form, or shall enter that the voter has voted if the pollbook is in electronic form, and shall indicate on the pollbook that the person has signed the required statement in accordance with the instructions of the State Board of Elections.
