The effective date of this bill is not specified.

6. No Fiscal Impact: (See Line 8.)

7. Budget amendment necessary: No.

8. Fiscal implications:

This bill would have no impact on state revenues. If Carroll County chooses to impose this tax it would result in a revenue gain to that locality. Based on the revenue collected in Fiscal Year 2004, the imposition of an additional three percent tax would result in a gain of \$181,333 annually.

10. Technical amendment necessary: No.

11. Other comments:

Under current law, any county may impose a transient occupancy tax at a maximum rate of two percent, upon the adoption of an ordinance, on hotels, motels, boarding houses, travel campgrounds, and other facilities offering guest rooms. The tax, however, does not

apply to rooms rented on a continuous occupancy by the same individual or group for 30 or more continuous days. Under this bill, Carroll County would be authorized to impose a transient occupancy tax of no more than 5%. Any revenues generated over two percent must be spent solely for tourism, marketing of tourism, or initiatives that, as determined in consultation with the local tourism industry organizations, will attract travelers to the locality or generate tourism revenues in the locality.
