[H 24]

Approved March 30, 2006

Be it enacted by the General Assembly of Virginia:

1. That §§ 24.2-649, 24.2-704, and 24.2-1012 of the Code of Virginia are amended and reenacted as follows:

§ 24.2-649. Assistance for certain voters.

A. Any voter age 65 or older or physically disabled may request and then shall be handed a paper ballot or a mark sense ballot by an officer of election outside the polling place but within 150 feet of the entrance to the polling place. The voter shall mark the paper ballot in the officer's presence but in a secret manner and fold and return the ballot to the officer. The officer shall immediately return to the polling place and deposit the ballot in the ballot container in accordance with § 24.2-646. The voter shall mark the mark sense ballot in the officer's presence but in a secret manner and cover and return the ballot to the officer who shall immediately return to the polling place and deposit the ballot in the ballot counter in accordance with the instructions of the State Board.

Any county or city that has acquired an electronic voting device that is so constructed as to be easily portable may use the voting device in lieu of a paper or mark sense ballot for the voter requiring assistance pursuant to this subsection. However, the electronic voting device may be used in lieu of a paper ballot only so long as: (i) the voting device remains in the plain view of two officers of election representing two political parties or, in a primary election, two officers of election representing the party conducting the primary, provided that if the use of two officers for this purpose would result in too few officers remaining in the polling place to meet legal requirements, the equipment shall remain in plain view of one officer who shall be either the chief officer or the assistant chief officer; and (ii) the voter casts his ballot in a secret manner unless the voter requests assistance pursuant to this section. After the voter has completed voting his ballot, the officer or officers shall immediately return the voting device to its assigned location inside the polling place. The machine number, the time that the machine was removed and the time that it was returned, the number on the machine's public counter before the machine was removed and the number on the same counter when it was returned, and the name or names of the officer or officers who accompanied the machine shall be recorded on the statement of results.

B. Any qualified voter, who requires assistance to vote by reason of physical disability or inability to read or write, may, if he so requests, be assisted in voting. If he is blind, he may designate an officer of election or any other person to assist him. If he is unable to read and write or disabled for any cause other than blindness, he may designate an officer of election or some other person to assist him other than the voter's employer or agent of that employer, or officer or agent of the voter's union.

The officer of election or other person so designated shall not enter the booth with the voter unless (i) the voter signs a request stating that he requires assistance by reason of physical disability or inability to read or write and (ii) the officer of election or other person signs a statement that he is not the voter's employer or an agent of that employer, or an officer or agent of the voter's union, and that he will act in accordance with the requirements of this section. The request and statement shall be on a single form furnished by the State Board. If the voter is unable to sign the request, his own mark acknowledged by him before an officer of election shall be sufficient signature, provided no mark shall be required of a voter who is blind. An officer of election shall advise the voter and person assisting the voter of the requirements of this section and record the name of the voter and the name and address of the person assisting him.

The officer of election or other person so designated shall assist the qualified voter in the preparation of his ballot in accordance with his instructions and without soliciting his vote or in any manner attempting to influence his vote and shall not in any manner divulge or indicate, by signs or otherwise, how the voter voted on any office or question.

A person who willfully violates this subsection shall be guilty of a Class 1 misdemeanor. In addition, the provisions of § 24.2-1016 and its felony penalties for false statements shall be applicable to any request or statement signed pursuant to this section, *and the provisions of §§ 24.2-704 and 24.2-1012 and the felony penalties for violations of the law related to providing assistance to absentee voters shall be applicable in such cases.*

In any precinct in which an electronic voting device is available that provides an audio ballot, the officers of election shall notify a voter requiring assistance pursuant to this subsection that such

equipment is available for him to use to vote in privacy without assistance and the officers of election shall instruct the voter on the use of the voting equipment. Nothing in this subsection shall be construed to require a voter to use the equipment unassisted.

§ 24.2-704. Applications and ballots for persons requiring assistance in voting; penalty.

The application for an absentee ballot shall provide space for the applicant to indicate that he will require assistance to vote his absentee ballot by reason of blindness, physical disability, or inability to read or write. On receipt of an application from an applicant marked to indicate he will require assistance, the electoral board shall deliver, with the items required by § 24.2-706, the voter assistance form furnished by the State Board pursuant to § 24.2-649. The voter and any person assisting him shall complete the form by signing the request for assistance and statement required of the assistant. If the voter is unable to sign the request, the witness will note this fact on the line for signature of voter. The provisions of § 24.2-649 shall apply to absentee voting and assistance for absentee voters. *Any person who willfully violates the provisions of this section or § 24.2-649 in providing assistance to a person who is voting absentee shall be guilty of a Class 5 felony.*

§ 24.2-1012. Offenses as to absent voters.

Any person who knowingly aids or abets or attempts to aid or abet a violation of the absentee voting procedures prescribed in § 24.2-649 and Chapter 7 (§ 24.2-700 et seq.) shall be guilty of a Class 5 felony.

Any person attempting to vote by fraudulently signing the name of a qualified voter shall be guilty of forgery and shall be guilty of a Class 4 felony.

Any public official who knowingly violates any of the provisions of the law concerning absent voters and thereby aids in any way the illegal casting, or attempting to cast a vote, or who connives to nullify any provisions of this chapter in order that fraud may be perpetrated, shall forever be disqualified from holding office in the Commonwealth and shall forever be disqualified from exercising the right of franchise.

2. That the provisions of this act may result in a net increase in periods of imprisonment or commitment. Pursuant to § 30-19.1:4, the estimated amount of the necessary appropriation cannot be determined for periods of imprisonment in state adult correctional facilities and is \$0 for periods of commitment to the custody of the Department of Juvenile Justice.
