69 their official duties, or while in transit to or from such duties:

- 70 1. Carriers of the United States mail;
71 2. Officers or guards of any state correctional institution;
72 3. [Repealed.]

73 4. Conservators of the peace, except that the following conservators of the peace shall not be
74 permitted to carry a concealed handgun without obtaining a permit as provided in subsection D hereof:
75 (a) notaries public; (b) registrars; (c) drivers, operators or other persons in charge of any motor vehicle
76 carrier of passengers for hire; or (d) commissioners in chancery;

78 Director of the Department of Corrections pursuant to § 53.1-29; and

79 6. Harbormaster of the City of Hopewell.

80 D. Any person 21 years of age or older may apply in writing to the clerk of the circuit court of the
81 county or city in which he resides, or if he is a member of the United States Armed Forces, the county
82 or city in which he is domiciled, for a five-year permit to carry a concealed handgun. There shall be no
83 requirement regarding the length of time an applicant has been a resident or domiciliary of the county or
84 city. The application shall be made under oath before a notary or other person qualified to take oaths
85 and shall be made only on a form prescribed by the Department of State Police, in consultation with the
86 Supreme Court, requiring only that information necessary to determine eligibility for the permit. The
87 clerk shall enter on the application the date on which the application and all other information required
88 to be submitted by the applicant is received. The court shall consult with either the sheriff or police
89 department of the county or city and receive a report from the Central Criminal Records Exchange. As a
90 condition for issuance of a concealed handgun permit, the applicant shall submit to fingerprinting if
91 required by local ordinance in the county or city where the applicant resides and provide personal
92 descriptive information to be forwarded with the fingerprints through the Central Criminal Records
93 Exchange to the Federal Bureau of Investigation for the purpose of obtaining criminal history record
94 information regarding the applicant, and obtaining fingerprint identification information from federal
95 records pursuant to criminal investigations by state and local law-enforcement agencies. Where feasible
96 and practical, the local law-enforcement agency may transfer information electronically to the State
97 Police instead of inked fingerprint cards. Upon completion of the criminal history records check, the
98 State Police shall return the fingerprint cards to the submitting local agency or, in the case of scanned
99 fingerprints, destroy the electronic record. The local agency shall then promptly notify the person that he
100 has 21 days from the date of the notice to request return of the fingerprint cards, if any. All fingerprint
101 cards not claimed by the applicant within 21 days of notification by the local agency shall be destroyed.
102 All optically scanned fingerprints shall be destroyed upon completion of the criminal history records
103 check without requiring that the applicant be notified. Fingerprints taken for the purposes described in
104 this section shall not be copied, held or used for any other purposes. The court shall issue the permit
105 within 45 days of receipt of the completed application unless it is determined that the applicant is
106 disqualified. Any order denying issuance of the permit shall state the basis for the denial of the permit
107 and the applicant's right to and the requirements for perfecting an appeal of such order pursuant to
108 subsection L. An application is deemed complete when all information required to be furnished by the
109 applicant is delivered to and received by the clerk of court before or concomitant with the conduct of a
110 state or national criminal history records check. If the court has not issued the permit or determined that
111 the applicant is disqualified within 45 days of the date of receipt noted on the application, the clerk shall
112 certify on the application that the 45-day period has expired, and send a copy of the certified application
113 to the applicant. The certified application shall serve as a de facto permit, which shall expire 90 days
114 after issuance, and shall be recognized as a valid concealed handgun permit when presented with a valid
115 government-issued photo identification pursuant to subsection H, until the court issues a five-year permit
116 or finds the applicant to be disqualified. If the applicant is found to be disqualified after the de facto
117 permit is issued, the applicant shall surrender the de facto permit to the court and the disqualification
118 shall be deemed a denial of the permit and a revocation of the de facto permit. If the applicant is later
119 found by the court to be disqualified after a five-year permit has been issued, the permit shall be
120 revoked. The clerk of court may withhold from public disclosure the social security number contained in

121 a permit application in response to a request to inspect or copy any such permit application, except that
122 such social security number shall not be withheld from any law-enforcement officer acting in the
123 performance of his official duties.

124 E. The following persons shall be deemed disqualified from obtaining a permit:

125 1. An individual who is ineligible to possess a firearm pursuant to § 18.2-308.1:1, 18.2-308.1:2 or

137 § 18.2-308.1:4 from purchasing or transporting a firearm.

139 that a permit may be obtained in accordance with subsection C of that section.

140 7. An individual who has been convicted of two or more misdemeanors within the five-year period
141 immediately preceding the application, if one of the misdemeanors was a Class 1 misdemeanor, but the
142 judge shall have the discretion to deny a permit for two or more misdemeanors that are not Class 1.
143 Traffic infractions and misdemeanors set forth in Title 46.2 shall not be considered for purposes of this
144 disqualification.

146 controlled substance.

155 the applicant, is likely to use a weapon unlawfully or negligently to endanger others. The sheriff, chief
156 of police, or attorney for the Commonwealth may submit to the court a sworn written statement
157 indicating that, in the opinion of such sheriff, chief of police, or attorney for the Commonwealth, based
158 upon the specific acts set forth in the statement, the applicant is likely to use a weapon unlawfully or
159 negligently to endanger others. The statement of the sheriff, chief of police, or the attorney for the
160 Commonwealth shall be based upon personal knowledge of the specific acts, or upon a written statement
161 made under oath before a notary public of a competent person having personal knowledge of the
162 specific acts.

168 offense that would have been at the time of conviction a felony if committed by an adult under the laws
169 of any state, the District of Columbia, the United States or its territories. For purposes of this
170 disqualifier, only convictions occurring within 16 years following the later of the date of (i) the
171 conviction or adjudication or (ii) release from any incarceration imposed upon such conviction or
172 adjudication shall be deemed to be "previous convictions."

174 subdivision 14 or 15.

175 18. An individual who has received mental health treatment or substance abuse treatment in a
176 residential setting within five years prior to the date of his application for a concealed handgun permit.

177 19. An individual not otherwise ineligible pursuant to this section, who, within the three-year period
178 immediately preceding the application for the permit, was found guilty of any criminal offense set forth
179 in Article 1 (§ 18.2-247 et seq.) of Chapter 7 of this title or of a criminal offense of illegal possession
180 or distribution of marijuana or any controlled substance, under the laws of any state, the District of
181 Columbia, or the United States or its territories.

185 distribution of marijuana or any controlled substance under the laws of any state, the District of
186 Columbia, or the United States or its territories, the trial court found that the facts of the case were
187 sufficient for a finding of guilt and disposed of the case pursuant to § 18.2-251 or the substantially
188 similar law of any other state, the District of Columbia, or the United States or its territories.

190 perjury, punishable as provided in § 18.2-434.

191 G. The court shall require proof that the applicant has demonstrated competence with a handgun and
192 the applicant may demonstrate such competence by one of the following, but no applicant shall be

195 and Inland Fisheries or a similar agency of another state;

196 2. Completing any National Rifle Association firearms safety or training course;

202 guards, investigators, special deputies, or any division or subdivision of law enforcement or security

216 the completion of the course or class by the applicant; or a copy of any document which shows
217 completion of the course or class or evidences participation in firearms competition shall constitute
218 evidence of qualification under this subsection.

219 H. The permit to carry a concealed handgun shall specify only the following information: name,
220 address, date of birth, gender, height, weight, color of hair, color of eyes, and signature of the permittee;

224 shall be of a uniform style prescribed by the Department of State Police. The person issued the permit
225 shall have such permit on his person at all times during which he is carrying a concealed handgun and
226 shall display the permit and a photo-identification issued by a government agency of the Commonwealth

236 apply. The final order of the court shall include the court's findings of fact and conclusions of law.

237 J. Any person convicted of an offense that would disqualify that person from obtaining a permit
238 under subsection E or who violates subsection F shall forfeit his permit for a concealed handgun and
239 surrender it to the court. Upon receipt by the Central Criminal Records Exchange of a record of the
240 arrest, conviction or occurrence of any other event that would disqualify a person from obtaining a
241 concealed handgun permit under subsection E, the Central Criminal Records Exchange shall notify the
242 court having issued the permit of such disqualifying arrest, conviction or other event.

243 J1. Any person permitted to carry a concealed handgun, who is under the influence of alcohol or

244 illegal drugs while carrying such handgun in a public place, shall be guilty of a Class 1 misdemeanor.
245 Conviction of any of the following offenses shall be prima facie evidence, subject to rebuttal, that the
246 person is "under the influence" for purposes of this section: manslaughter in violation of § 18.2-36.1,

251 for a concealed handgun permit for a period of five years.

252 J2. An individual who has a felony charge pending or a charge pending for an offense listed in
253 subdivision E 14 or E 15, holding a permit for a concealed handgun, may have the permit suspended by
254 the court before which such charge is pending or by the court that issued the permit.

255 J3. No person shall carry a concealed handgun onto the premises of any restaurant or club as defined
256 in § 4.1-100 for which a license to sell and serve alcoholic beverages for on-premises consumption has
257 been granted by the Virginia Alcoholic Beverage Control Board under Title 4.1 of the Code of Virginia;
258 however, nothing herein shall prohibit any sworn law-enforcement officer from carrying a concealed
259 handgun on the premises of such restaurant or club or any owner or event sponsor or his employees
260 from carrying a concealed handgun while on duty at such restaurant or club if such person has a
261 concealed handgun permit.

262 J4. Any individual for whom it would be unlawful to purchase, possess or transport a firearm under
263 § 18.2-308.1:2 or 18.2-308.1:3, who holds a concealed handgun permit, may have the permit suspended
264 by the court that issued the permit during the period of incompetency, incapacity or disability.

265 K. No fee shall be charged for the issuance of such permit to a person who has retired from service
266 (i) as a magistrate in the Commonwealth; (ii) as a special agent with the Alcoholic Beverage Control
267 Board or as a law-enforcement officer with the Department of State Police, the Department of Game and
268 Inland Fisheries, or a sheriff or police department, bureau or force of any political subdivision of the
269 Commonwealth, after completing 15 years of service or after reaching age 55; (iii) as a law-enforcement
270 officer with the United States Federal Bureau of Investigation, Bureau of Alcohol, Tobacco and
271 Firearms, Secret Service Agency, Drug Enforcement Administration, United States Citizenship and
272 Immigration Services, Customs Service, Department of State Diplomatic Security Service, U.S. Marshals
273 Service or Naval Criminal Investigative Service, after completing 15 years of service or after reaching
274 age 55; (iv) as a law-enforcement officer with any police or sheriff's department within the United
275 States, the District of Columbia or any of the territories of the United States, after completing 15 years
276 of service; or (v) as a law-enforcement officer with any combination of the agencies listed in clauses (ii)
277 through (iv), after completing 15 years of service. The clerk shall charge a fee of \$10 for the processing
278 of an application or issuing of a permit, including his costs associated with the consultation with
279 law-enforcement agencies. The local law-enforcement agency conducting the background investigation
280 may charge a fee not to exceed \$35 to cover the cost of conducting an investigation pursuant to this
281 section. The \$35 fee shall include any amount assessed by the Federal Bureau of Investigation for
282 providing criminal history record information, and the local law-enforcement agency shall forward the
283 amount assessed by the Federal Bureau of Investigation to the State Police with the fingerprints taken
284 from the applicant. The State Police may charge a fee not to exceed \$5 to cover their costs associated
285 with processing the application. The total amount assessed for processing an application for a permit
286 shall not exceed \$50, with such fees to be paid in one sum to the person who accepts the application.
287 Payment may be made by any method accepted by that court for payment of other fees or penalties. No
288 payment shall be required until the application is accepted by the court as a complete application. The
289 order issuing such permit, or the copy of the permit application certified by the clerk as a de facto
290 permit pursuant to subsection D, shall be provided to the State Police and the law-enforcement agencies
291 of the county or city. The State Police shall enter the permittee's name and description in the Virginia
292 Criminal Information Network so that the permit's existence and current status will be made known to
293 law-enforcement personnel accessing the Network for investigative purposes.

294 L. Any person denied a permit to carry a concealed handgun under the provisions of this section
295 may present a petition for review to the Court of Appeals. The petition for review shall be filed within
296 60 days of the expiration of the time for requesting an ore tenus hearing pursuant to subsection I, or if
297 an ore tenus hearing is requested, within 60 days of the entry of the final order of the circuit court
298 following the hearing. The petition shall be accompanied by a copy of the original papers filed in the
299 circuit court, including a copy of the order of the circuit court denying the permit. Subject to the
300 provisions of subsection B of § 17.1-410, the decision of the Court of Appeals or judge shall be final.
301 Notwithstanding any other provision of law, if the decision to deny the permit is reversed upon appeal,
302 taxable costs incurred by the person shall be paid by the Commonwealth.

303 M. For purposes of this section:

304 "Handgun" means any pistol or revolver or other firearm, except a machine gun, originally designed,

305 made and intended to fire a projectile by means of an explosion of a combustible material from one or
306 more barrels when held in one hand.

307 "Lawfully admitted for permanent residence" means the status of having been lawfully accorded the
308 privilege of residing permanently in the United States as an immigrant in accordance with the
309 immigration laws, such status not having changed.

310 "Law-enforcement officer" means those individuals defined as a law-enforcement officer in § 9.1-101,
311 campus police officers appointed pursuant to Chapter 17 (§ 23-232 et seq.) of Title 23, law-enforcement
312 agents of the Armed Forces of the United States, the Naval Criminal Investigative Service, and federal
313 agents who are otherwise authorized to carry weapons by federal law. "Law-enforcement officer" shall
314 also mean any sworn full-time law-enforcement officer employed by a law-enforcement agency of the
315 United States or any state or political subdivision thereof, whose duties are substantially similar to those
316 set forth in § 9.1-101.

317 N. As used in this article:

318 "Ballistic knife" means any knife with a detachable blade that is propelled by a spring-operated
319 mechanism.

320 "Spring stick" means a spring-loaded metal stick activated by pushing a button which rapidly and
321 forcefully telescopes the weapon to several times its original length.

322 O. The granting of a concealed handgun permit shall not thereby authorize the possession of any
323 handgun or other weapon on property or in places where such possession is otherwise prohibited by law
324 or is prohibited by the owner of private property.

325 P. A valid concealed handgun or concealed weapon permit or license issued by another state shall
326 authorize the holder of such permit or license who is at least 21 years of age to carry a concealed
327 handgun in the Commonwealth, provided (i) the issuing authority provides the means for instantaneous
328 verification of the validity of all such permits or licenses issued within that state, accessible 24 hours a
329 day, and (ii) except for the age of the permit or license holder and the type of weapon authorized to be
330 carried, the requirements and qualifications of that state's law are adequate to prevent possession of a
331 permit or license by persons who would be denied a permit in the Commonwealth under this section.
332 The Superintendent of State Police shall (a) in consultation with the Office of the Attorney General
333 determine whether states meet the requirements and qualifications of this section, (b) maintain a registry
334 of such states on the Virginia Criminal Information Network (VCIN), and (c) make the registry available
335 to law-enforcement officers for investigative purposes. The Superintendent of the State Police, in
336 consultation with the Attorney General, may also enter into agreements for reciprocal recognition with
337 any state qualifying for recognition under this subsection.

338 P1. Nonresidents of the Commonwealth 21 years of age or older may apply in writing to the
339 Virginia Department of State Police for a five-year permit to carry a concealed handgun. Every applicant
340 for a nonresident concealed handgun permit shall submit two photographs of a type and kind specified
341 by the Department of State Police for inclusion on the permit and shall submit fingerprints on a card
342 provided by the Department of State Police for the purpose of obtaining the applicant's state or national
343 criminal history record. As a condition for issuance of a concealed handgun permit, the applicant shall
344 submit to fingerprinting by his local or state law-enforcement agency and provide personal descriptive
345 information to be forwarded with the fingerprints through the Central Criminal Records Exchange to the
346 Federal Bureau of Investigation for the purpose of obtaining criminal history record information
347 regarding the applicant and obtaining fingerprint identification information from federal records pursuant
348 to criminal investigations by state and local law-enforcement agencies. The application shall be made
349 under oath before a notary or other person qualified to take oaths on a form provided by the Department
350 of State Police, requiring only that information necessary to determine eligibility for the permit. If the
351 permittee is later found by the Department of State Police to be disqualified, the permit shall be revoked
352 and the person shall return the permit after being so notified by the Department of State Police. The
