Any person 21 years of age or older may apply in writing to the clerk of the circuit court of the 80 county or city in which he resides, or if he is a member of the United States Armed Forces, the county or city in which he is domiciled, for a five year permit to carry a concealed handgun. There shall be no 81 82 requirement regarding the length of time an applicant has been a resident or domiciliary of the county or 83 city. The application shall be made under oath before a notary or other person qualified to take oaths 84 and shall be made only on a form prescribed by the Department of State Police, in consultation with the Supreme Court, requiring only that information necessary to determine eligibility for the permit. The 85 86 clerk shall enter on the application the date on which the application and all other information required 87 to be submitted by the applicant is received. The court shall consult with either the sheriff or police 88 department of the county or city and receive a report from the Central Criminal Records Exchange. As a 89 condition for issuance of a concealed handgun permit, the applicant shall submit to fingerprinting if 90 required by local ordinance in the county or city where the applicant resides and provide personal descriptive information to be forwarded with the fingerprints through the Central Criminal Records 91 92 Exchange to the Federal Bureau of Investigation for the purpose of obtaining criminal history record 93 information regarding the applicant, and obtaining fingerprint identification information from federal 94 records pursuant to criminal investigations by state and local law-enforcement agencies. Where feasible 95 and practical, the local law-enforcement agency may transfer information electronically to the State 96 Police instead of inked fingerprint cards. Upon completion of the criminal history records check, the State Police shall return the fingerprint cards to the submitting local agency or, in the case of scanned 97 98 fingerprints, destroy the electronic record. The local agency shall then promptly notify the person that he 99 has 21 days from the date of the notice to request return of the fingerprint cards, if any. All fingerprint 100 cards not claimed by the applicant within 21 days of notification by the local agency shall be destroyed. All optically scanned fingerprints shall be destroyed upon completion of the criminal history records 101 102 check without requiring that the applicant be notified. Fingerprints taken for the purposes described in this section shall not be copied, held or used for any other purposes. The court shall issue the permit 103 and notify the State Police of the issuance of the permit within 45 days of receipt of the completed 104 application unless it is determined that the applicant is disqualified. Any order denying issuance of the 105 permit shall state the basis for the denial of the permit and the applicant's right to and the requirements 106 for perfecting an appeal of such order pursuant to subsection L. An application is deemed complete 107 108 when all information required to be furnished by the applicant is delivered to and received by the clerk 109 of court before or concomitant with the conduct of a state or national criminal history records check. If 110 the court has not issued the permit or determined that the applicant is disqualified within 45 days of the date of receipt noted on the application, the clerk shall certify on the application that the 45-day period 111 has expired, and send a copy of the certified application to the applicant. The certified application shall 112 serve as a de facto permit, which shall expire 90 days after issuance, and shall be recognized as a valid 113 114 concealed handgun permit when presented with a valid government-issued photo identification pursuant to subsection H, until the court issues a five year permit or finds the applicant to be disqualified. If the 115 applicant is found to be disqualified after the de facto permit is issued, the applicant shall surrender the 116 de facto permit to the court and the disqualification shall be deemed a denial of the permit and a 117 revocation of the de facto permit. If the applicant is later found by the court to be disqualified after a 118 five-year permit has been issued, the permit shall be revoked. The clerk of court may withhold from 119 120 public disclosure the social security number contained in a permit application in response to a request to inspect or copy any such permit application, except that such social security number shall not be 121
