7 **Be it enacted by the General Assembly of Virginia:**

8 **1. That § 33.1-288 of the Code of Virginia is amended and reenacted as follows:**

9 § 33.1-288. Use of certain funds by Board.

10 The Board may, in its discretion, use any part of funds available for the construction of state  
11 highways, in any construction district in which any project authorized for toll revenue bond financing by  
12 the Commonwealth Transportation Board as described in § 33.1-268, ~~or by the Richmond-Petersburg~~  
13 ~~Turnpike Authority as described by § 33.1-319, or by the Richmond Metropolitan Authority as described~~  
14 ~~by § 33.1-320, or by the Elizabeth River Tunnel Commission as described by Chapter 130 of the 1942~~  
15 ~~Acts of Assembly as amended,~~ is wholly or partly located, to aid in the payment of the cost of such  
16 projects and for the payment, purchase or redemption of revenue bonds issued in connection with any  
17 such project, or in connection with any such project and any one or more other projects. The Board may  
18 also, in its discretion, use any part of funds available for the maintenance of state highways, in any  
19 construction district in which any such project is wholly or partly located, to provide for the operation,  
20 maintenance and repair of any such project and for the payment of interest on revenue bonds issued in  
21 connection with any such project, or in connection with any such project and any one or more other  
22 projects; provided further, the Commonwealth Transportation Board may, in its discretion, use funds  
23 under the terms of this section for the emergency operation, maintenance and repair of the project of the  
24 Chesapeake Bay Bridge and Tunnel Commission as described by § 33.1-253 in the event of damage to  
25 the bridge under a repayment agreement approved by the bond trustee, and may also pay to the  
26 Chesapeake Bay Bridge and Tunnel Commission, for aid in the maintenance of the project, the same  
27 amounts authorized by § 33.1-41.1 for payments for maintenance to certain incorporated towns and  
28 cities.

29 Provided, however, that in the event the Board uses any part of the fund available to itself for the  
30 construction of roads in the State Highway System without reference to construction districts, commonly  
31 called the "gap fund," for any purpose permitted by this section, it shall not expend in excess of three  
32 eighths of the amount of such fund, including other amounts of such fund that may be expended in the  
33 three districts in which such projects are located; and provided, further, that in no case shall any of the  
34 funds of any construction district other than those in which the projects are located be used for the  
35 purposes of this article.

36 **2. That § 33.1-319 of the Code of Virginia is repealed.**
