Any county or city, through its governing body, may assess a sum not in excess of ~~two dollars~~ \$12 as part of the costs in (i) each civil action filed in the district or circuit courts located within its boundaries and (ii) each criminal or traffic case in its district or circuit court in which the defendant is charged with a violation of any statute or ordinance. ~~The total assessments authorized by any county or city in a civil action pursuant to this section and § 42.1-70 shall not exceed four dollars.~~ If a town provides court facilities for a county, the governing body of the county shall return to the town a portion of the assessments collected based on the number of civil, criminal and traffic cases originating and heard in the town.
