§ 53.1-28. Authority to fix discharge date; improper release; warrant, arrest and hearing.

For the purpose of scheduling and providing a uniform, effective and continual program of pre-release training and conditioning of prisoners, the Director shall have authority to discharge any prisoner within the Virginia penal system on any day within a period of ~~thirty~~ 30 days prior to the date upon which such prisoner's term would normally expire. *The Director shall provide each prisoner with the following documents upon discharge: (i) the prisoner's medical records, including copies of current prescriptions and a physician's summary of continuing or pending medical treatment; (ii) verification of the prisoner's work history while in custody; and (iii) certification of all educational and treatment programs completed by the prisoner while in custody.*

The Director or his designee upon the discovery of an improper release or discharge of a prisoner from custody shall report such release or discharge to the circuit court of the jurisdiction wherein the prisoner was released or discharged.
