92 § 3. Application of proceeds. The proceeds, including any premium, of bonds and BANs (except the 93 proceeds of (i) bonds the issuance of which has been anticipated by BANs, (ii) refunding bonds, and (iii) refunding BANs) shall be deposited in a special capital outlay fund in the state treasury and, 94 95 together with the investment income thereon, shall be disbursed by the State Treasurer for paying costs 96 of the acquisition, construction, renovation, enlargement, improvement, and equipping of the authorized 97 capital projects, including financing costs. The proceeds of (i) bonds the issuance of which has been **98** anticipated by BANs, (ii) refunding bonds, and (iii) refunding BANs shall be used to pay such BANs, 99 refunded bonds, and refunded BANs.

100 § 4. Details, sale of bonds and BANs. Bonds and BANs shall be dated, and may be made redeemable before their maturity or maturities at such price or prices or within such price parameters, 101 102 all as may be determined by the Treasury Board, by and with the consent of the Governor. Bonds and BANs shall be in such form, shall bear interest at such rate or rates, either at fixed rates or at rates 103 established by formula or other method, and may contain such other provisions, all as determined by 104 the Treasury Board or, when authorized by the Treasury Board, the State Treasurer. The principal of 105 106 and premium, if any, and the interest on bonds and BANs shall be payable in lawful money of the 107 United States of America. Bonds and BANs may be certificated or uncertificated as determined by the 108 Treasury Board. The Treasury Board may contract for services of such registrars, transfer agents, or 109 other authenticating agents as it deems appropriate to maintain a record of the persons entitled to the 110 bonds and BANs. Bonds and BANs issued in certificated form may be issued under a system of book 111 entry for recording the ownership and transfer of ownership of rights to receive payments on the bonds 112 and BANs. The Treasury Board shall fix the authorized denomination or denominations of the bonds 113 and the place or places of payment of certificated bonds and BANs, which may be at the Office of the

2 of 4

HB77E

114 State Treasurer or at any bank or trust company within or without the Commonwealth. Bonds shall 115 mature at such time or times not exceeding 30 years from their date or dates, and BANs shall mature at 116 such time or times not exceeding five years from their date or dates.

117 The Treasury Board may sell bonds and BANs in such manner, by competitive bidding, negotiated 118 sale, or private placement and for such price or within such price parameters as it may determine, by 119 and with the consent of the Governor, to be in the best interest of the Commonwealth.

In the discretion of the Treasury Board, bonds and BANs may be issued at one time or from time to time and may be sold and issued at the same time with other general obligation bonds and BANs, respectively, of the Commonwealth authorized pursuant to Article X, Section 9 (a)(3), (b), and (c) of the Constitution of Virginia, as separate issues or as a combined issue, designated "Commonwealth of Virginia General Obligation Bonds Bond Anticipation Notes, Series . . . ".

125 § 5. Execution of bonds and BANs. Certificated bonds and BANs shall be signed on behalf of the 126 Commonwealth by the Governor and by the State Treasurer, or shall bear their facsimile signatures, 127 and shall bear the lesser seal of the Commonwealth or a facsimile thereof. If the bonds or BANs bear 128 the facsimile signature of the State Treasurer, they shall be signed by such administrative assistant as 129 the State Treasurer shall determine or by such registrar or paying agent as may be designated to sign 130 them by the Treasury Board. If any officer whose signature or facsimile signature appears on any 131 bonds or BANs ceases to be such officer before delivery, such signature or facsimile signature shall 132 nevertheless be valid and sufficient for all purposes the same as if such officer had remained in office 133 until such delivery, and any bond or BAN may bear the facsimile signature of, or may be signed by, 134 such persons as at the actual time of execution are the proper officers to sign such bond or BAN 135 although, at the date of such bond or BAN, such persons may not have been such officers.

136 § 6. Sources for payment of expenses. All expenses incurred under this act shall be paid from the
137 proceeds of bonds or BANs, from payments made by the institutions for which the capital projects were
138 authorized in § 2 hereof, or from any other available funds as the Treasury Board shall determine.

139 § 7. Revenues. Each institution of higher learning mentioned above is hereby authorized (i) to fix, 140 revise, charge, and collect rates, fees, and charges for or in connection with the use, occupancy, and 141 services of each capital project mentioned above or the system of which such capital project is a part 142 and (ii) to pledge to the portion of the bonds or BANs issued for such capital project the net revenues 143 resulting from such rates, fees, and charges and remaining after payment of the expenses of operating 144 the project or system, as the case may be. Each such institution is further authorized to create debt 145 service and sinking funds for the payments of the principal of, premium, if any, and interest on the 146 bonds and other reserves required by any agency of the United States of America purchasing the bonds 147 or any portion thereof.

148 § 8. Investments and Contracts. A. Pending the application of the proceeds of the bonds or BANs 149 (including refunding bonds and BANs) to the purpose for which they have been authorized and the application of funds set aside for the purpose of payment of bonds or BANs, they may be invested by the 150 151 State Treasurer in securities that are legal investments under the laws of the Commonwealth for public 152 funds and sinking funds, as the case may be. Whenever the State Treasurer receives interest from the investment of the proceeds of bonds or any BANs, such interest shall become a part of the principal of 153 154 the bonds or any BANs and shall be used in the same manner as required for principal of the bonds or 155 BANs.

156 B. The Commonwealth may enter into any contract or other arrangement that is determined to be 157 necessary or appropriate to place the obligation or investment of the Commonwealth, as represented by 158 bonds, BANs or investments, in whole or in part, on the interest rate, cash flow, or other basis desired 159 by the Commonwealth. Such contract or other arrangement may include, without limitation, contracts 160 commonly known as interest rate swap agreements and futures or contracts providing for payments based on levels of, or changes in, interest rates. These contracts or arrangements may be entered into 161 by the Commonwealth in connection with, or incidental to, entering into, or maintaining any (i)162 163 agreement which secures bonds or BANs or (ii) investment, or contract providing for investment, 164 otherwise authorized by law. These contracts and arrangements may contain such payment, security, 165 default, remedy, and other terms and conditions as determined by the Commonwealth, after giving due 166 consideration to the creditworthiness of the counterparty or other obligated party, including any rating 167 by any nationally recognized rating agency and any other criteria as may be appropriate. The 168 determinations referred to in this paragraph may be made by the Treasury Board or any public funds 169 manager with professional investment capabilities duly authorized by the Treasury Board to make such 170 determinations.

171 C. Any money set aside and pledged to secure payments of bonds, BANs, or any of the contracts
172 entered into pursuant to this section may be invested in accordance with subsection A. of this section
173 and may be pledged to and used to service any of the contracts or other arrangements entered into
174 pursuant to subsection B. of this section.

HB77E

175 § 9. Security for bonds and BANs. The net revenues of the capital projects set forth above and the full faith and credit of the Commonwealth are hereby irrevocably pledged for the payment of the 176 177 principal of and the interest on bonds and BANs (unless the Treasury Board, by and with the consent of 178 the Governor, shall provide otherwise) issued under this act. The proceeds of (i) bonds the issuance of 179 which has been anticipated by BANs, (ii) refunding bonds, and (iii) refunding BANs are hereby irrevocably pledged for the payment of principal of and interest and any premium on the BANs or 180 181 bonds to be paid or redeemed thereby. In the event the net revenues pledged to the payment of the bonds or BANs are insufficient in any fiscal year for the timely payment of the principal of, premium, if 182 any, and interest on the bonds or BANs, where the full faith and credit of the Commonwealth have been 183 184 pledged, the General Assembly shall appropriate a sum sufficient therefor or the Governor shall direct payment therefor from the general fund revenues of the Commonwealth. 185

§ 10. Exemption of interest from tax. The bonds and BANs issued under the provisions of this Act, 186 their transfer and the income therefrom, including any profit made on the sale thereof, shall at all times 187 be free and exempt from taxation by the Commonwealth and by any county, city, town, or other political 188 189 subdivision thereof. The Treasury Board is authorized to take or refrain from taking any and all actions 190 and to covenant to such effect, and to require the participating institutions to do and to covenant likewise, to the extent that, in the judgment of the Treasury Board, it is appropriate in order that 191 192 interest on the bonds and BANs may be exempt from federal income tax. Alternatively, interest on 193 bonds and BANs may be made subject to inclusion in gross income of the holders thereof for federal 194 income tax purposes.

195 § 11. Refunding bonds and BANs. The Treasury Board is authorized, by and with the consent of the 196 Governor, to sell and issue, at one time or from time to time, refunding bonds and BANs of the Commonwealth, to refund any or all of the bonds and BANs, respectively, issued under this Act or 197 otherwise authorized pursuant to Article X, Section 9(c), of the Constitution of Virginia. Refunding 198 199 bonds and BANs may be issued in a principal amount up to the amount necessary to pay at maturity or 200 redeem the bonds and BANs to be refunded and pay all issuance costs and other financing expenses of 201 the refunding. Such refunding bonds and BANs may be issued whether or not the obligations to be 202 refunded are then subject to redemption.

§ 12. Defeasance. Any bond or BAN for which cash or direct obligations of the United States of
America shall have been set aside in escrow with the State Treasurer or a bank or trust company,
within or without the Commonwealth, shall be deemed no longer outstanding under the applicable
authorizing instrument, this Act, and Article X, Section 9(c) or (b), as the case may be, of the
Constitution of Virginia.

208 § 13. Severability. The provisions of this Act or the application thereof to any person or
 209 circumstance that are held invalid shall not affect the validity of other provisions or applications of this
 210 Act which can be given effect without the invalid provisions or applications.

Act which can be given effect without the invalid provisions or applications.
2. That Chapters 2 and 813 of the Acts of Assembly of 2004 and Chapter 83 of the Acts of Assembly of 2005 are repealed; however, such repeal shall not operate to invalidate, alter the security, or prohibit the refunding of bonds heretofore issued pursuant to such acts.

214 3. That an emergency exists and this act is in force from its passage.
