§ 20-60.5. Support payment provisions; how paid.

A. 1. Unless otherwise directed by the Committee on District Courts, in all cases in which payment of a support obligation arising under an order or decree entered prior to October 1, 1985, is made by the obligor through the office of a clerk of court, the clerk shall notify the payee and the obligor that the obligor will be directed to pay future support payments to the Department of Social Services as of the date provided in the notice.

In cases transferred from the courts to the Department of Social Services on or after October 1, 1985, the payee shall be deemed as having executed an authorization to seek or enforce a support obligation with the Department's Division of Child Support Enforcement unless the payee specifically indicates that the Division's services are not desired.

2. Unless otherwise directed by the Department of Social Services, the notice of change in payment shall be served or sent by certified mail, return receipt requested, and shall contain (i) the name of the payee and, if different in whole or in part, the names of the persons to whom an obligation of support is owed by the obligor, (ii) the name of the obligor, (iii) the amount of the periodic support payment, the due dates of such payments and any arrearages, (iv) the beginning date for sending payments to the Department of Social Services, and (v) the date by which the payee and obligor shall notify the Department of Social Services of the election to (a) have the Department of Social Services collect and disburse support payments together with forms and instructions for applying for such services or (b) have support payment made by the obligor directly to the payee. A copy of the notice also shall be transmitted to the Department of Social Services.

3. Unless otherwise directed by the Committee on District Courts, if both the obligor and the payee request in writing to the Department of Social Services that all support payments be made by the obligor directly to the payee, then the Department of Social Services shall so notify the court and the court shall enter an order to such effect. In the event an election is taken pursuant to subdivision 2 (v) (a), the notice of election shall have the same force and effect as an order of the court.

4. The above provisions shall also apply to payroll deductions made pursuant to § 20-79.1, except that only the payee and the employer shall receive such notice.

5. The change in payment provision required by subsection A shall be initiated by October 1, 1985, unless a different date is mutually agreed to by the Department of Social Services and the Committee on District Courts as to individual courts.

B. Unless a different date is mutually agreed to by the Department of Social Services and the Committee on District Courts, all orders or decrees for support entered on or after October 1, 1985, shall direct that payment be made only to the payee unless one of the parties objects, in which case the order or decree shall direct that payment be made to or through the Department of Social Services.

C. The Department of Social Services shall promptly pay to the payee all support payments collected by it which have been ordered by a court to be paid to or through the Department. The Department shall pay interest to the payee when such interest amount exceeds five dollars on a support payment as provided in § 63.2-1951.

D. If the Department of Social Services enters into a contract with a public or private entity for the processing of support payments, then, except as provided in subsection E, and notwithstanding any other provision of this section:

1. The Department shall notify the affected court of the existence of such contract and how payments are contractually required to be made to such contractors; and

2. The affected court shall include in all support orders (i) how payments are required to be made to such contractors and (ii) that payments are to be made in such manner until different payment instructions are mailed to the person making payments by the court or by the Department.

E. An employer of 10,000 persons or more shall not be required to make payments other than by combined single payment to the Department's central office in Richmond without the express written
