~~B.~~ The provisions of the Administrative Process Act (§ 2.2-4000 et seq.) shall be applicable to proceedings under this ~~section~~ subsection.

B. Pursuant to the procedures set forth in subsection C and in addition to the authority for other disciplinary actions provided in this chapter, the Superintendent of Public Instruction may issue a summary order of suspension of the license of a residential or day school for students with disabilities, in conjunction with any proceeding for revocation, denial, or other action, when conditions or practices exist in the school that pose an immediate and substantial threat to the health, safety, and welfare of the students who are residing or attending the school and the Superintendent of Public Instruction believes the operation of the school should be suspended during the pendency of such proceeding.

suspension or may find that such summary suspension is not warranted by the facts and circumstances presented. A final order of summary suspension shall include notice that the licensee may appeal the Superintendent of Public Instruction's decision to the appropriate circuit court no later than 10 days following issuance of the order. The sole issue before the court shall be whether the Superintendent of Public Instruction had reasonable grounds to require the licensee to cease operations during the pendency of the concurrent revocation, denial, or other proceeding. The concurrent revocation, denial, or other proceeding shall not be affected by the outcome of any hearing on the appropriateness of the summary suspension.

The willful and material failure to comply with the summary order of suspension or final order of summary suspension shall be punishable as a Class 2 misdemeanor. The Superintendent of Public Instruction may require the cooperation of any other agency or subdivision of the Commonwealth in the relocation of students who are residents of a home or facility whose license has been summarily suspended pursuant to this section and in any other actions necessary to reduce the risk of further harm to students.

§ 37.2-418. Revocation, suspension, or refusal of licenses; resumption of operation; summary suspension under certain circumstances; penalty.

A. The Commissioner is authorized to revoke or suspend any license issued hereunder or refuse issuance of a license on any of the following grounds: (i) violation of any provision of this article or of any applicable regulation made pursuant to such provisions; (ii) permitting, aiding, or abetting the commission of an illegal act in services delivered by the provider; or (iii) conduct or practices detrimental to the welfare of any individual receiving services from the provider.

B. Whenever the Commissioner revokes, suspends, or denies a license, the provisions of the Administrative Process Act (§ 2.2-4000 et seq.) shall apply. Any person aggrieved by the final decision of the Commissioner to refuse to issue a license or by his revocation or suspension of a license is entitled to judicial review in accordance with the provisions of the Administrative Process Act.

C. If a license is revoked or refused as herein provided, a new application for license may be considered by the Commissioner when the conditions upon which the action was based have been corrected and satisfactory evidence of this fact has been furnished. In no event may an applicant reapply for a license after the Commissioner has refused or revoked a license until a period of six months from the effective date of that action has elapsed, unless the Commissioner in his sole discretion believes that there has been such a change in the conditions causing refusal of the prior application or revocation of the license as to justify considering the new application. When an appeal is taken by the applicant pursuant to this section, the six-month period shall be extended until a final decision has been rendered on appeal. A new license may then be granted after proper inspection has been made and all provisions of this article and applicable regulations made thereunder have been complied with and recommendations to that effect have been made to the Commissioner upon the basis of an inspection by any authorized inspector or agent of the Department.

D. Suspension of a license shall in all cases be for an indefinite time and the suspension may be lifted and rights under the license fully or partially restored at such time as the Commissioner determines, based on an inspection, that the rights of the licensee appear to so require and the interests of the public will not be jeopardized by resumption of operation.

E. Pursuant to the procedures set forth in subsection F and in addition to the authority provided in subsections A through D, the Commissioner may issue a summary order of suspension of the license of a group home or residential facility for children, in conjunction with any proceeding for revocation, denial, or other action, when conditions or practices exist in the home or facility that pose an immediate and substantial threat to the health, safety, and welfare of the children who are residents and the Commissioner believes the operation should be suspended during the pendency of such proceeding.

F. The summary order of suspension shall take effect upon its issuance and shall be served on the licensee or its designee as soon as practicable thereafter by personal service and certified mail, return receipt requested, to the address of record of the licensee. The order shall state the time, date, and location of a hearing to determine whether the suspension is appropriate. Such hearing shall be held no later than three business days after the issuance of the summary order of suspension and shall be convened by the Commissioner or his designee.

After such hearing, the Commissioner may issue a final order of summary suspension or may find that such summary suspension is not warranted by the facts and circumstances presented. A final order of summary suspension shall include notice that the licensee may appeal the Commissioner's decision to the appropriate circuit court no later than 10 days following issuance of the order. The sole issue before the court shall be whether the ~~Department~~ Commissioner had reasonable grounds to require the licensee to cease operations during the pendency of the concurrent revocation, denial, or other proceeding. The concurrent revocation, denial, or other proceeding shall not be affected by the outcome of any hearing on the appropriateness of the summary suspension.

The willful and material failure to comply with the summary order of suspension or final order of summary suspension shall be punishable as a Class 2 misdemeanor. The Commissioner may require the cooperation of any other agency or subdivision of the Commonwealth in the relocation of children who are residents of a home or facility whose license has been summarily suspended pursuant to this section and in any other actions necessary to reduce the risk of further harm to children.

Pursuant to the procedures set forth in subsection B and in addition to the authority for other disciplinary actions provided in this chapter, the Commissioner may issue a summary order of suspension of the license of any group home or residential facility for adults, in conjunction with any proceeding for revocation, denial, or other action, when conditions or practices exist in the home or facility that pose an immediate and substantial threat to the health, safety, and welfare of the adults who are residents and the Commissioner believes the operation of the home or facility should be suspended during the pendency of such proceeding.

B. The summary order of suspension shall take effect upon its issuance and shall be served on the licensee or its designee as soon as practicable thereafter by personal service and certified mail, return receipt requested, to the address of record of the licensee. The order shall state the time, date, and location of a hearing to determine whether the suspension is appropriate. Such hearing shall be held no later than three business days after the issuance of the summary order of suspension and shall be convened by the Commissioner or his designee.

After such hearing, the Commissioner may issue a final order of summary suspension or may find that such summary suspension is not warranted by the facts and circumstances presented. A final order of summary suspension shall include notice that the licensee may appeal the Commissioner's decision to the appropriate circuit court no later than 10 days following issuance of the order. The sole issue before the court shall be whether the Commissioner had reasonable grounds to require the licensee to cease operations during the pendency of the concurrent revocation, denial, or other proceeding. The concurrent revocation, denial, or other proceeding shall not be affected by the outcome of any hearing on the appropriateness of the summary suspension.

The willful and material failure to comply with the summary order of suspension or final order of summary suspension shall be punishable as a Class 2 misdemeanor. The Commissioner may require the cooperation of any other agency or subdivision of the Commonwealth in the relocation of adults who are residents of a home or facility whose license has been summarily suspended pursuant to this section and in any other actions necessary to reduce the risk of further harm to such residents.
