Be it enacted by the General Assembly of Virginia:

1. That § 58.1-611.1 of the Code of Virginia is amended and reenacted as follows:

§ 58.1-611.1. Rate of tax on sales of food purchased for human consumption.

A. The tax imposed by §§ 58.1-603 and 58.1-604 on food purchased for human consumption shall be levied and distributed as follows:

1. From January 1, 2000, through midnight on June 30, 2005, the tax rate on such food shall be three percent of the gross sales price. The revenue from the tax shall be distributed as follows: (i) the revenue from the tax at the rate of one-half percent shall be distributed as provided in subsection A of § 58.1-638, (ii) the revenue from the tax at the rate of one percent shall be distributed as provided in subsections B, C and D of § 58.1-638, and (iii) the revenue from the tax at the rate of one and one-half percent shall be used for general fund purposes.

2. On and after July 1, 2005, the tax rate on such food shall be one and one-half percent of the gross sales price. The revenue from the tax shall be distributed as follows: (i) the revenue from the tax at the rate of one-half percent shall be distributed as provided in subsection A of § 58.1-638 and (ii) the revenue from the tax at the rate of one percent shall be distributed as provided in subsections B, C and D of § 58.1-638.

B. The provisions of this section shall not affect the imposition of tax on food purchased for human consumption pursuant to §§ 58.1-605 and 58.1-606.

C. As used in this section, "food purchased for human consumption" has the same meaning as "food" defined in the Food Stamp Act of 1977, 7 U.S.C. § 2012, as amended, and federal regulations adopted pursuant to that Act, except it shall not include seeds and plants which produce food for human consumption. For the purpose of this section, "food purchased for human consumption" shall not include food sold by any retail establishment where the gross receipts derived from the sale of food prepared by such retail establishment for immediate consumption on or off the premises of the retail establishment constitutes more than 80 percent of the total gross receipts of that retail establishment, including but not limited to motor fuel purchases, regardless of whether such prepared food is consumed on the premises of that retail establishment. For purposes of this section, "retail establishment" means each place of business for which any "dealer," as defined in § 58.1-612, is required to apply for and receive a certificate of registration pursuant to § 58.1-613.
