10 Be it enacted by the General Assembly of Virginia:	
11 1. That § 42.1-36.1 of the Code of Virginia is amended and reenacted as follows:	
12 § 42.1-36.1. Power and duty of library boards and certain governing bodies regarding ac	ceptable
13 Internet use policies.	1
A. On or before December 1, 1999, and biennially thereafter, (i) every library board es	ablished
15 pursuant to § 42.1-35 or (ii) the governing body of any county, city, or town which that, put	suant to
16 § 42.1-36, has not established a library board pursuant to § 42.1-35, shall file with the Library	arian of
17 Virginia an acceptable use policy for the international network of computer systems commonly	+ known
18 as the Internet. At a minimum, the policy shall contain provisions which (i) that (a) are des	igned to
19 prohibit use by library employees and patrons of the library's computer equipment and commu	
20 services for sending, receiving, viewing, or downloading illegal material via the Internet, (ii) (b)	
21 prevent access by library patrons under the age of eighteen 18 to material which that is ha	
22 juveniles, and (iii) (c) establish appropriate measures to be taken against persons who violate th	
23 For libraries that receive state funding for any purpose, the policy shall also contain place	
24 requiring the selection, installation, and activation on those computers that have Internet of	
25 technology protection measure, as selected by the Library of Virginia, to filter or block Interne	
26 through such computers to child pornography as set out in § 18.2-374.1:1, obscenity as de	
27 § 18.2-372, and, with respect to minors, materials deemed harmful to juveniles as defined in § 1	
28 Such policy shall provide that a person authorized by the library board shall disable the terms	
29 protection measure required by this section at the request of a patron to enable access to b	
30 research or other lawful purpose. The library board or the governing body may include su	
terms, conditions, and requirements in the library's policy as it deems appropriate, such as the investigation of	
written parental authorization for Internet use by juveniles or differentiating acceptable uses elementary, middle, and high school students.	between
	vriata to
B. The library board or the governing body shall take such steps as it deems appropriate appropriate the library's policy which may include, but are not limited to, (i) the	
36 software programs designed to block access by (a) library employees and patrons to illegal ma	
37 (b) library patrons under the age of eighteen 18 to material which that is harmful to juvenile	terial or
38 both; (ii) charging library employees to casually monitor patrons' Internet use; or (iii) installing	

40 purpose, the library board or governing body shall select, install, and activate on those computers that
41 have Internet access a technology protection measure as required by the policy established pursuant to
42 subsection A.
43 C. On or before December 1, 2000, and biennially thereafter, the Librarian of Virginia shall submit a

screens on computers which that access the Internet. For libraries that receive state funding for any

43 C. On or before December 1, 2000, and blennially thereafter, the Librarian of Virginia shall submit a
44 report to the Chairmen of the House Committee on Education, the House Committee on Science and
45 Technology, and the Senate Committee on Education and Health which that summarizes the acceptable
46 use policies filed with the Librarian pursuant to this section and the status thereof.
