**Be it enacted by the General Assembly of Virginia:**

**1. That § 18.2-254.1 of the Code of Virginia is amended and reenacted as follows:**

§ 18.2-254.1. Drug Treatment Court Act.

A. This section shall be known and may be cited as the "Drug Treatment Court Act."

B. The General Assembly recognizes that there is a critical need in the Commonwealth for effective treatment programs that reduce the incidence of drug use, drug addiction, family separation due to parental substance abuse, and drug-related crimes. It is the intent of the General Assembly by this section to enhance public safety by facilitating the creation of drug treatment courts as means by which to accomplish this purpose.

C. The goals of drug treatment courts include: (i) reducing drug addiction and drug dependency among offenders; (ii) reducing recidivism; (iii) reducing drug-related court workloads; (iv) increasing personal, familial and societal accountability among offenders; and, (v) promoting effective planning and use of resources among the criminal justice system and community agencies.

D. Drug treatment courts are specialized court dockets within the existing structure of Virginia's court system offering judicial monitoring of intensive treatment and strict supervision of addicts in drug and drug-related cases. Local officials must complete a recognized planning process before establishing a drug treatment court program.

E. Administrative oversight for implementation of the Drug Treatment Court Act shall be conducted by the Supreme Court of Virginia. The Supreme Court of Virginia shall be responsible for (i) providing oversight for the distribution of funds for drug treatment courts; (ii) providing technical assistance to drug treatment courts; (iii) providing training for judges who preside over drug treatment courts; (iv) providing training to the providers of administrative, case management, and treatment services to drug treatment courts; and (v) monitoring the completion of evaluations of the effectiveness and efficiency of drug treatment courts in the Commonwealth.

F. A state drug treatment court advisory committee shall be established to (i) evaluate and recommend standards for the planning and implementation of drug treatment courts; (ii) assist in the evaluation of their effectiveness and efficiency; and (iii) encourage and enhance cooperation among agencies that participate in their planning and implementation. The committee shall be chaired by the Chief Justice of the Supreme Court of Virginia or his designee and shall include a member of the Judicial Conference of Virginia who presides over a drug treatment court; a district court judge; the Executive Secretary or his designee; the directors of the following executive branch agencies: Department of Corrections, Department of Criminal Justice Services, Department of Juvenile Justice, Department of Mental Health, Mental Retardation and Substance Abuse Services, Department of Social Services; a representative of the following entities: community corrections/pretrial services programs, the Commonwealth's Attorney's Association, the [ ~~Public Defender~~ *Indigent Defense* ] Commission, the Circuit Court Clerk's Association, the Virginia Sheriff's Association, the Virginia Association of Chiefs of Police, the Commission on VASAP, and two representatives designated by the Virginia Drug Court Association. [ *Each jurisdiction or combination of jurisdictions that intends to establish a drug treatment court shall make application to the state drug treatment court advisory committee, which shall review such application and make recommendations for approval or denial to the Chief Justice of the Supreme Court. Such courts shall be established with such funds as may be provided by the Supreme Court.* ]

G. Each jurisdiction or combination of jurisdictions that intend to establish a drug treatment court or continue the operation of an existing one shall establish a local drug treatment court advisory committee. Jurisdictions that establish separate adult and juvenile drug treatment courts may establish an advisory committee for each such court. Each advisory committee shall ensure quality, efficiency, and fairness in the planning, implementation, and operation of the drug treatment court or courts that serve the jurisdiction or combination of jurisdictions. Advisory committee membership shall include, but shall not be limited to the following people or their designees: (i) the drug treatment court judge; (ii) the attorney for the Commonwealth, or, where applicable, the city or county attorney who has responsibility for the

68 H. Each local drug treatment court advisory committee shall establish criteria for the eligibility and  
69 participation of offenders who have been determined to be addicted to or dependent upon drugs. Subject  
70 to the provisions of this section, neither the establishment of a drug treatment court nor anything herein  
71 shall be construed as limiting the discretion of the attorney for the Commonwealth to prosecute any  
72 criminal case arising therein which he deems advisable to prosecute, except to the extent the  
73 participating attorney for the Commonwealth agrees to do so. As defined in § 17.1-805 or 19.2-297.1,  
74 adult offenders who have been convicted of a violent criminal offense within the preceding 10 years, or  
75 juvenile offenders who previously have been adjudicated not innocent of any such offense within the  
76 preceding 10 years, shall not be eligible for participation in any drug treatment court established or  
77 continued in operation pursuant to this section.

85 ongoing judicial interaction with each drug court participant; (viii) ongoing monitoring and evaluation of  
86 program effectiveness and efficiency; (ix) ongoing interdisciplinary education and training in support of  
87 program effectiveness and efficiency; and (x) ongoing collaboration among drug treatment courts, public  
88 agencies, and community-based organizations to enhance program effectiveness and efficiency.

89 J. Participation by an offender in a drug treatment court shall be voluntary and made pursuant only  
90 to a written agreement entered into by and between the offender and the Commonwealth with the  
91 concurrence of the court.

92 K. Nothing in this section shall preclude the establishment of substance abuse treatment programs  
93 pursuant to the deferred judgment provisions of § 18.2-251.

94 L. Each offender shall contribute to the cost of the substance abuse treatment he receives while  
95 participating in a drug treatment court pursuant to guidelines developed by the drug treatment court  
96 advisory committee.

97 M. Nothing contained in this section shall confer a right or an expectation of a right to treatment for  
98 an offender or be construed as requiring a local drug treatment court advisory committee to accept for  
99 participation every offender.

100 N. The Office of the Executive Secretary shall, with the assistance of the state drug treatment court  
101 advisory committee, develop a statewide evaluation model and conduct ongoing evaluations of the  
102 effectiveness and efficiency of all local drug treatment courts. A report of these evaluations shall be  
103 submitted to the General Assembly by December 1 of each year. Each local drug treatment court  
104 advisory committee shall submit evaluative reports to the Office of the Executive Secretary as requested.

107 ~~such court have been specifically granted permission under the Code of Virginia to establish such court.~~  
108 ~~The provisions of this subsection shall not apply to any drug treatment court established on or before~~  
109 ~~March 1, 2004, and operational as of July 1, 2004.~~

110 P. Subject to the requirements and conditions established by the state Drug Treatment Court  
111 Advisory Committee, there shall be established a drug treatment court in the following jurisdiction: the
