

1 VIRGINIA ACTS OF ASSEMBLY — CHAPTER

2 *An Act to amend and reenact § 15.2-2286 of the Code of Virginia, relating to cluster development.*

3 [S 95]

4 Approved

5 **Be it enacted by the General Assembly of Virginia:**6 **1. That § 15.2-2286 of the Code of Virginia is amended and reenacted as follows:**7 § 15.2-2286. Permitted provisions in zoning ordinances; amendments; applicant to pay delinquent
8 taxes.9 A. A zoning ordinance may include, among other things, reasonable regulations and provisions as to
10 any or all of the following matters:11 1. For variances or special exceptions, as defined in § 15.2-2201, to the general regulations in any
12 district.13 2. For the temporary application of the ordinance to any property coming into the territorial
14 jurisdiction of the governing body by annexation or otherwise, subsequent to the adoption of the zoning
15 ordinance, and pending the orderly amendment of the ordinance.16 3. For the granting of special exceptions under suitable regulations and safeguards; notwithstanding
17 any other provisions of this article, the governing body of any locality may reserve unto itself the right
18 to issue such special exceptions. Conditions imposed in connection with residential special use permits,
19 wherein the applicant proposes affordable housing, shall be consistent with the objective of providing
20 affordable housing. When imposing conditions on residential projects specifying materials and methods
21 of construction or specific design features, the approving body shall consider the impact of the
22 conditions upon the affordability of housing.23 The governing body or the board of zoning appeals of the City of Norfolk may impose a condition
24 upon any special exception relating to retail alcoholic beverage control licensees which provides that
25 such special exception will automatically expire upon a change of ownership of the property, a change
26 in possession, a change in the operation or management of a facility or upon the passage of a specific
27 period of time.28 The governing body of the City of Richmond may impose a condition upon any special use permit
29 issued after July 1, 2000, relating to retail alcoholic beverage licensees which provides that such special
30 use permit shall be subject to an automatic review by the governing body upon a change in possession,
31 a change in the owner of the business, or a transfer of majority control of the business entity. Upon
32 review by the governing body, it may either amend or revoke the special use permit after notice and a
33 public hearing as required by § 15.2-2206.34 4. For the administration and enforcement of the ordinance including the appointment or designation
35 of a zoning administrator who may also hold another office in the locality. The zoning administrator
36 shall have all necessary authority on behalf of the governing body to administer and enforce the zoning
37 ordinance. His authority shall include (i) ordering in writing the remedying of any condition found in
38 violation of the ordinance; (ii) insuring compliance with the ordinance, bringing legal action, including
39 injunction, abatement, or other appropriate action or proceeding subject to appeal pursuant to
40 § 15.2-2311; and (iii) in specific cases, making findings of fact and, with concurrence of the attorney for
41 the governing body, conclusions of law regarding determinations of rights accruing under § 15.2-2307.
42 Notwithstanding the provisions of § 15.2-2311, a zoning ordinance may prescribe an appeal period of
43 less than 30 days, but not less than 10 days, for a notice of violation involving temporary or seasonal
44 commercial uses, parking of commercial trucks in residential zoning districts, or similar short-term,
45 recurring violations.46 Where provided by ordinance, the zoning administrator may be authorized to grant a modification
47 from any provision contained in the zoning ordinance with respect to physical requirements on a lot or
48 parcel of land, including but not limited to size, height, location or features of or related to any building,
49 structure, or improvements, if the administrator finds in writing that: (i) the strict application of the
50 ordinance would produce undue hardship; (ii) such hardship is not shared generally by other properties
51 in the same zoning district and the same vicinity; and (iii) the authorization of the modification will not
52 be of substantial detriment to adjacent property and the character of the zoning district will not be
53 changed by the granting of the modification. Prior to the granting of a modification, the zoning
54 administrator shall give, or require the applicant to give, all adjoining property owners written notice of
55 the request for modification, and an opportunity to respond to the request within 21 days of the date of
56 the notice. The zoning administrator shall make a decision on the application for modification and issue

a written decision with a copy provided to the applicant and any adjoining landowner who responded in writing to the notice sent pursuant to this paragraph. The decision of the zoning administrator shall constitute a decision within the purview of § 15.2-2311, and may be appealed to the board of zoning appeals as provided by that section. Decisions of the board of zoning appeals may be appealed to the circuit court as provided by § 15.2-2314.

The zoning administrator shall respond within 90 days of a request for a decision or determination on zoning matters within the scope of his authority unless the requester has agreed to a longer period.

5. For the imposition of penalties upon conviction of any violation of the zoning ordinance. Any such violation shall be a misdemeanor punishable by a fine of not less than \$10 nor more than \$1,000. If the violation is uncorrected at the time of the conviction, the court shall order the violator to abate or remedy the violation in compliance with the zoning ordinance, within a time period established by the court. Failure to remove or abate a zoning violation within the specified time period shall constitute a separate misdemeanor offense punishable by a fine of not less than \$10 nor more than \$1,000, and any such failure during any succeeding 10-day period shall constitute a separate misdemeanor offense for each 10-day period punishable by a fine of not less than \$100 nor more than \$1,500.

6. For the collection of fees to cover the cost of making inspections, issuing permits, advertising of notices and other expenses incident to the administration of a zoning ordinance or to the filing or processing of any appeal or amendment thereto.

7. For the amendment of the regulations or district maps from time to time, or for their repeal. Whenever the public necessity, convenience, general welfare, or good zoning practice requires, the governing body may by ordinance amend, supplement, or change the regulations, district boundaries, or classifications of property. Any such amendment may be initiated (i) by resolution of the governing body; (ii) by motion of the local planning commission; or (iii) by petition of the owner, contract purchaser with the owner's written consent, or the owner's agent therefor, of the property which is the subject of the proposed zoning map amendment, addressed to the governing body or the local planning commission, who shall forward such petition to the governing body; however, the ordinance may provide for the consideration of proposed amendments only at specified intervals of time, and may further provide that substantially the same petition will not be reconsidered within a specific period, not exceeding one year. Any such resolution or motion by such governing body or commission proposing the rezoning shall state the above public purposes therefor.

In any county having adopted such zoning ordinance, all motions, resolutions or petitions for amendment to the zoning ordinance, and/or map shall be acted upon and a decision made within such reasonable time as may be necessary which shall not exceed 12 months unless the applicant requests or consents to action beyond such period or unless the applicant withdraws his motion, resolution or petition for amendment to the zoning ordinance or map, or both. In the event of and upon such withdrawal, processing of the motion, resolution or petition shall cease without further action as otherwise would be required by this subdivision.

8. For the submission and approval of a plan of development prior to the issuance of building permits to assure compliance with regulations contained in such zoning ordinance.

9. For areas and districts designated for mixed use developments or planned unit developments as defined in § 15.2-2201.

10. For the administration of incentive zoning as defined in § 15.2-2201.

11. For provisions allowing the locality to enter into a voluntary agreement with a landowner that would result in the downzoning of the landowner's undeveloped or underdeveloped property in exchange for a tax credit equal to the amount of excess real estate taxes that the landowner has paid due to the higher zoning classification. The locality may establish reasonable guidelines for determining the amount of excess real estate tax collected and the method and duration for applying the tax credit. For purposes of this section, "downzoning" means a zoning action by a locality that results in a reduction in a formerly permitted land use intensity or density.

12. Provisions for the clustering of single-family dwellings so as to preserve open space.

a. A locality may, at its option, provide in its zoning or subdivision ordinance standards, conditions and criteria for clustering of single-family dwellings and the preservation of open space developments. In establishing such standards, conditions and criteria, the governing body may, in its discretion, include any provisions it determines appropriate to ensure quality development, preservation of open space and compliance with its comprehensive plan and land use ordinances. The density calculation of the cluster development shall be based upon the same criteria for the property as would otherwise be permitted by applicable land use ordinances. As a locality determines, at its option, to provide for clustering of single-family dwellings and the preservation of open space developments, it may vary provisions for such developments for each different zoning area within the locality.

If proposals for clustering of single-family dwellings and the preservation of open space developments comply with the locality's adopted standards, conditions and criteria, the development and

open space preservation shall be permitted by right under the local subdivision ordinance. The implementation and approval of the cluster development and open space preservation shall be done administratively by the locality's staff and without a public hearing. No local ordinance shall require that a special exception, special use, or conditional use permit be obtained for such developments. However, any such ordinance may exempt (i) developments of two acres or less and (ii) property located in an *Air Installation Compatible Use Zone* from the provisions of this subdivision.

b. Additionally, in any zoning or subdivision ordinance adopted pursuant to subdivision A 12, a locality may, at its option, provide for the clustering of single-family dwellings and the preservation of open space at a density calculation greater than the density permitted in the applicable land use ordinance. To implement and approve such increased density development, the locality may, at its option, (i) establish and provide in its zoning or subdivision ordinance standards, conditions, and criteria for such development, and if the proposed development complies with those standards, conditions and criteria, it shall be permitted by right and approved administratively by the locality staff in the same manner provided in subdivision A 12 a, or (ii) approve the increased density development upon approval of a special exception, special use permit, conditional use permit or rezoning.

c. Any locality that provides for clustering of single-family dwellings and preservation of open space upon approval of a special exception, special use permit, conditional use permit or rezoning shall no later than July 1, 2004, amend its applicable land use ordinance to comply with the provisions of subdivision A 12. Any land use provisions for clustering of single-family dwellings and preservation of open space adopted after the effective date of this act shall comply with subdivision A 12. Notwithstanding any of the requirements of subdivision A 12 to the contrary, any local government land use ordinance in affect as of January 1, 2002, that provides for the clustering of single-family dwellings and preservation of open space development by right without requiring either a special exception, special use permit, conditional use permit or other discretionary approval may remain in effect at the option of the locality.

B. Prior to the initiation of an application for a special exception, special use permit, variance, rezoning or other land disturbing permit, including building permits and erosion and sediment control permits, or prior to the issuance of final approval, the authorizing body may require the applicant to produce satisfactory evidence that any delinquent real estate taxes owed to the locality which have been properly assessed against the subject property have been paid.
