### SENATE JOINT RESOLUTION NO. 59

*Requesting the Department of Rail and Public Transportation to conduct a study for improved public transportation services to Fort Belvoir in Fairfax County and the Marine Corps Base at Quantico in Prince William and Stafford Counties. Report.*

Agreed to by the Senate, February 14, 2006  
Agreed to by the House of Delegates, March 6, 2006

WHEREAS, the U.S. Route 1 corridor in Northern Virginia, home to several large and vital military installations and numerous important commercial operations and major employment centers, is highly congested; and

WHEREAS, the Virginia Department of Transportation has studied the U.S. Route 1 corridor for the purpose of increasing its vehicular capacity and developing a bus rapid transit service; and

WHEREAS, current serious levels of congestion in the U.S. Route 1 corridor will shortly be further exacerbated if the recommendations of the 2005 Defense Base Closure and Realignment Commission (BRAC) are fully implemented; and

WHEREAS, implementation of the BRAC recommendations would add 21,000 personnel to the U.S. Army garrison at Fort Belvoir in Fairfax County and add a further 5,000 personnel at the U.S. Marine Corps Base at Quantico in Prince William and Stafford Counties; and

WHEREAS, the funding of transit improvements should be a priority for the Commonwealth; and

WHEREAS, a long-term vision that includes transit-oriented economic development also is needed; and

WHEREAS, rapid transit can serve as a cost-effective and successful means of increasing travel capacity in this congested corridor; and

WHEREAS, it is important to maintain future options in the U.S. Route 1 corridor; and

WHEREAS, the study and development of a phased approach to highway, bus, bus rapid transit, light rail, and other transit options that encourages compact, transit-oriented development throughout the corridor would assist the Counties of Fairfax, Prince William and Stafford in their efforts to bring about pedestrian-friendly, mixed-use revitalization of U.S. Route 1; now, therefore, be it
