**4. Title** Surveys and questionnaires of public school students

**5. Summary/Purpose:**

Prohibits local school boards from administering questionnaires or surveys to public school students during the regular school day or at school-sponsored activities if such questionnaires or surveys seek disclosure of (i) the parents' political affiliations or beliefs; (ii) the social security numbers of the parents or student, except as may be required for admission and enrollment; (iii) the sexual behavior and attitudes of the student and his family members; or (iv) disparaging information about family members. However, local school boards may administer questionnaires and surveys to students during the regular school day or at school-sponsored activities when the questionnaire or survey (i) is designed to elicit information that will assist the school board in improving service to students within the division or within a particular school, and (ii) does not include personally identifiable data or information. Before administering any permitted questionnaire or survey, local school boards must determine the age-appropriateness of the questionnaire or survey.
