4. Title Virginia Public Procurement Act; cooperative procurement; professional services.

5. Summary/Purpose:

Allows a public body to enter into cooperative procurements for professional services, excluding architectural and engineering services, even though the public body did not participate in the request for proposal or invitation to bid, if the request for proposal or invitation to bid specified that the procurement was being conducted on behalf of other public bodies.

6. Fiscal Impact will be minimal. See Item 8

7. Budget amendment necessary: No

8. Fiscal implications: This proposal will allow public entities to procure professional services, excluding contracts for architectural and engineering services, using contracts held by any public body in the United States. This could result in a cost savings depending on whether the public entity holding the contract charges a service fee.

9. Specific agency or political subdivisions affected: Any public body needing to procure professional services excluding architectural and engineering services.

10. Technical amendment necessary: No

11. Other comments: None
