3. Committee: Passed both Houses

4. Title: Federal sport fish matching funds

5. Summary/Purpose: The bill gives the Virginia Marine Resources Commission the authority to continue to accept federal Wallop-Breaux grant money. The U.S. Department of the Interior has indicated that Virginia's current statutes do not give the agency such authority. The wording, as proposed, would satisfy federal officials.

6. Fiscal impact: See item 8.

7. Budget amendment necessary: No.

8. Fiscal implications: Federal Wallop-Breaux grant funds for the Marine Resources Commission total \$1.1 million per year. Without the change to statute to meet the federal requirements, Virginia may lose the grant funding. The funds are used to support mandated Atlantic States Marine Fisheries Commission research projects on species such as shad and striped bass.

9. Specific agency or political subdivisions affected: Marine Resources Commission.

10. Technical amendment necessary: No.

11. Other comments: None.
