2. That the \$ 950 million per tax year that was dedicated for reimbursements to localities for providing tangible personal property tax relief pursuant to § 58.1-3524 of the Code of Virginia immediately prior to the repeal of such section shall be appropriated per fiscal year for transportation purposes as provided in the general appropriation act. The \$ 950 million per fiscal year appropriation provided under this enactment shall not be used to reduce the share of local, federal, or state revenues otherwise available to any locality.

3. That the provisions of this act shall in no way reduce or otherwise affect reimbursements to localities as provided under law for tax years beginning prior to January 1, 2008, for localities providing tangible personal property tax relief on qualifying vehicles.

For purposes of this enactment, "tax years" means the same as the term is defined in the fourth enactment of this act and "qualifying vehicles" means the same as "qualifying vehicle" as defined in § 58.1-3523 of the Code of Virginia as such section was in effect on July 1, 2006.
