A. From such funds as may be appropriated and from such gifts, bequests, and any gifts, grants, or donations from public or private sources, there is hereby established the Virginia Military Survivors and Dependents Education Program for the sole purpose of providing undergraduate or other postsecondary education free of (i) tuition and all required fees; (ii) institutional charges; (iii) general or college fees, or any charges by whatever term referred to; (iv) board and room rent; and (v) books and supplies at any public institution of higher education or other public accredited postsecondary institution granting a degree, diploma, or certificate in the Commonwealth of Virginia for the use and benefit of qualified survivors and dependents of military service members. Such qualified survivors and dependents shall be eligible for the benefits conferred by this subsection if the military service member who was killed, is missing in action, is a prisoner of war, or is disabled (i) was a citizen of Virginia at the time of entering such active military service or called to active duty as a member of the Armed Forces Reserves or Virginia National Guard Reserve; (ii) is and has been a citizen of Virginia for at least five years immediately prior to the date on which the admission application was submitted by or on behalf of such qualified survivor or dependent for admission to such institution of higher education or other public accredited postsecondary institution; (iii) if deceased, was a citizen of Virginia on the date of his death and had been a citizen of Virginia for at least five years immediately prior to his death; (iv) in the case of a qualified child, is deceased and the surviving parent had been, at some time previous to marrying the deceased parent, a citizen of Virginia for at least five years or is and has been a citizen of Virginia for at least five years immediately prior to the date on which the admission application was submitted by or on behalf of such child; or (v) in the case of a qualified spouse, is deceased and the surviving spouse had been, at some time previous to marrying the deceased spouse, a citizen of Virginia for at least five years or is and has been a citizen of Virginia for at least five years prior to the date on which the admission application was submitted by such qualified spouse.

Qualified survivors and dependents who have been admitted to such institutions, upon certification to the Commissioner of the Department of Veterans Services of eligibility under this subsection, shall be admitted free of tuition and all required fees. Certification shall be established through documentation from the United States Department of Veterans Affairs that the survivor's or dependent's veteran parent or spouse was killed in the line of duty, missing in action, a prisoner of war, or has been rated at least 90% disabled and has been discharged or released under conditions other than dishonorable.

The amounts that may be expended for such qualified survivor or dependent or may become due by reason of his attendance at such institution, not in excess of the amount specified in this subsection, shall be payable on vouchers approved by the Commissioner of the Department of Veterans Services.

The Commissioner of the Department of Veterans Services shall administer the Military Survivors and Dependents Education Program and shall satisfy himself of the attendance and course completion of survivors and dependents at such institution and of the accuracy of the charge or charges submitted on account of his attendance at any such institution. However, neither the Commissioner nor any employee of the Department of Veterans Services shall receive any compensation for such services.

The maximum amount to be expended for each such survivor or dependent pursuant to this subsection shall not exceed, when combined with any federal allowance that may be made for such tuition, institutional charges, fees, rent, books and supplies, the actual costs related to the survivor's or
