[S 1145]

Approved March 23, 2007

Be it enacted by the General Assembly of Virginia:

1. That §§ 2.2-2001 and 2.2-4310 of the Code of Virginia are amended and reenacted as follows:

§ 2.2-2001. Administrative responsibilities of the Department.

A. The Department shall be responsible for the establishment, operation, administration, and maintenance of offices and programs related to services for veterans of the armed forces of the United States and their Virginia-domiciled surviving spouses, orphans, and dependents. Such services shall include, but not be limited to, benefits claims processing and all medical care centers and cemeteries for veterans owned and operated by the Commonwealth.

B. *The Department shall adopt reasonable regulations to implement a program to certify, upon request of the small business owner, that he holds a "service disabled veteran" status.*

"Service disabled veteran" means a veteran who (i) served on active duty in the United States military ground, naval, or air service, (ii) was discharged or released under conditions other than dishonorable, and (iii) has a service-connected disability rating fixed by the United States Veterans Administration of (a) 50% or greater or (b) 10% or greater if the service-connected disability is combat related.

"Service disabled veteran business" means a business concern that is at least 51% owned by one or more service disabled veterans or, in the case of a corporation, partnership, or limited liability company or other entity, at least 51% of the equity ownership interest in the corporation, partnership, or limited liability company or other entity is owned by one or more individuals who are service disabled veterans and both the management and daily business operations are controlled by one or more individuals who are service disabled veterans.

§ 2.2-4310. Discrimination prohibited; participation of small, women-, minority- and service disabled veteran-owned business.

A. In the solicitation or awarding of contracts, no public body shall discriminate against a bidder or offeror because of race, religion, color, sex, national origin, age, disability, *status as a service disabled veteran*, or any other basis prohibited by state law relating to discrimination in employment. Whenever solicitations are made, each public body shall include businesses selected from a list made available by the Department of Minority Business Enterprise.

B. All public bodies shall establish programs consistent with this chapter to facilitate the participation of small businesses and businesses owned by women ~~and~~, minorities, *and service disabled veterans* in procurement transactions. The programs established shall be in writing and shall comply with the provisions of any enhancement or remedial measures authorized by the Governor pursuant to subsection C or, where applicable, by the chief executive of a local governing body pursuant to § 15.2-965.1, and shall include specific plans to achieve any goals established therein. State agencies shall submit annual progress reports on small, women- and minority-owned business procurement *and on service disabled veteran-owned business procurement* to the Department of Minority Business Enterprise in a form specified by the Department of Minority Business Enterprise. *The Department of Minority Business Enterprise shall make information on service disabled veteran-owned procurement available to the Department of Veterans Services upon request.*

C. Whenever there exists (i) a rational basis for small business enhancement or (ii) a persuasive analysis that documents a statistically significant disparity between the availability and utilization of women- and minority-owned businesses, the Governor is authorized and encouraged to require state agencies to implement appropriate enhancement or remedial measures consistent with prevailing law.

D. In the solicitation or awarding of contracts, no state agency, department or institution shall discriminate against a bidder or offeror because the bidder or offeror employs ex-offenders unless the state agency, department or institution has made a written determination that employing ex-offenders on the specific contract is not in its best interest.
