A BILL to amend and reenact §§ 2.2-1149, 15.2-1800, 15.2-4905, 36-19 and 36-55.30 of the Code of Virginia, relating to purchases of real property by public bodies; survey of property required.

Be it enacted by the General Assembly of Virginia:

1. That §§ 2.2-1149, 15.2-1800, 15.2-4905, 36-19 and 36-55.30 of the Code of Virginia are amended and reenacted as follows:

§ 2.2-1149. Department to review proposed acquisitions of real property; approval by the Governor; exceptions.

Notwithstanding any provision of law to the contrary, no state department, agency or institution shall acquire real property by gift, lease, purchase or any other means without following the guidelines adopted by the Department and obtaining the prior approval of the Governor. *The guidelines adopted by the Department shall require that whenever a fee simple interest in real property is acquired by purchase in an amount that exceeds \$100,000, the Department shall require that a survey of the subject property be completed prior to the purchase; however, no survey is required hereunder if the property being acquired is to be preserved as open space, used for agricultural, forestal, park or recreational purposes, or is predominantly wetlands or other environmentally sensitive land. Any previous survey of the real property being so acquired shall satisfy the survey requirements of this subsection provided that there has been no change in configuration to the parcel, or which change, if any, shall be of record in the circuit court land records, since the date of such survey. The failure to obtain a survey hereunder shall not create a cloud on title to the property.* The Department shall review every proposed acquisition of real property by gift, lease, purchase or any other means by any department, agency or institution of the Commonwealth and recommend either approval or disapproval of the transactions to the Governor based on cost, demonstrated need, and compliance with the Department's guidelines.

The provisions of this section shall not apply to the:

1. Acquisition of real property for open space preservations pursuant to the purposes of § 10.1-1800 and subdivision A 4 of § 10.1-2204, if it does not require as a condition of acceptance, an appropriation of any state funds for the continued maintenance of such property;

2. Acquisition of easements pursuant to the purposes of §§ 10.1-1020 and 10.1-1021 or §§ 10.1-1700, 10.1-1702, and 10.1-1702;

3. Acquisition through the temporary lease or donation of real property for a period of six months or less duration;

4. Acquisition of easements by public institutions of higher education provided that the particular institution meets the conditions prescribed in subsection B of § 23-38.88;

5. Entering into an operating/income lease or a capital lease by a public institution of higher education, for real property to be used for academic purposes, or for real property owned by the institution or a foundation related to the institution to be used for non-academic purposes, in accordance with the institution's land use plan pursuant to § 2.2-1153 provided that (i) the capital lease does not constitute tax-supported debt of the Commonwealth, (ii) the institution meets the conditions prescribed in subsection B of § 23-38.88, and (iii) for purposes of entering into a capital lease, the institution shall have in effect a signed memorandum of understanding with the Secretary of Administration regarding participation in the nongeneral fund decentralization program as set forth in the appropriation act. For the purposes of this subdivision, an operating/income lease or a capital lease shall be determined using generally accepted accounting principles; or

6. Acquisition of real property for the construction, improvement or maintenance of highways and transportation facilities and purposes incidental thereto by the Department of Transportation; however, acquisitions of real property by the Department of Transportation for office space, district offices, residencies, area headquarters, or correctional facilities shall be subject to the Department's review and the Governor's approval.

§ 15.2-1800. Purchase, sale, use, etc., of real property.

A. A locality may acquire by purchase, gift, devise, bequest, exchange, lease as lessee, or otherwise, title to, or any interests in, any real property, whether improved or unimproved, within its jurisdiction, for any public use. Acquisition of any interest in real property by condemnation is governed by Chapter 19 (§ 15.2-1900 et seq.). *When acquiring a fee simple interest in real property by purchase in an amount that exceeds \$100,000, the locality shall require that a survey of the subject property be completed prior to the purchase; however, no survey is required hereunder if the property being*

60 *acquired is to be preserved as open space, used for agricultural, forestal, park or recreational purposes,*
61 *or is predominantly wetlands or other environmentally sensitive land. Any previous survey of the real*
62 *property being so acquired shall satisfy the survey requirements of this subsection provided that there*
63 *has been no change in configuration to the parcel, or which change, if any, shall be of record in the*
64 *circuit court land records, since the date of such survey. The failure to obtain a survey hereunder shall*
65 *not create a cloud on title to the property.* The acquisition of a leasehold or other interest in a
66 telecommunications tower, owned by a nongovernmental source, for the operation of a locality's wireless
67 radio communications systems shall be governed by this chapter.

68 B. Subject to any applicable requirements of Article VII, Section 9 of the Constitution, any locality
69 may sell, at public or private sale, exchange, lease as lessor, mortgage, pledge, subordinate interest in or
70 otherwise dispose of its real property, which includes the superjacent airspace (except airspace provided
71 for in § 15.2-2030) which may be subdivided and conveyed separate from the subjacent land surface,
72 provided that no such real property, whether improved or unimproved, shall be disposed of until the
73 governing body has held a public hearing concerning such disposal. However, the holding of a public
74 hearing shall not apply to (i) the leasing of real property to another public body, political subdivision or
75 authority of the Commonwealth or (ii) conveyance of site development easements across public property,
76 including, but not limited to, easements for ingress, egress, utilities, cable, telecommunications, storm
77 water management, and other similar conveyances, that are consistent with the local capital improvement
78 program, involving improvement of property owned by the locality. The provisions of this section shall
79 not apply to the vacation of public interests in real property under the provisions of Articles 6
80 (§ 15.2-2240 et seq.) and 7 (§ 15.2-2280 et seq.) of Chapter 22 of this title.

81 C. A city or town may also acquire real property for a public use outside its boundaries; a county
82 may acquire real property for a public use outside its boundaries when expressly authorized by law.

83 D. A locality may construct, insure, and equip buildings, structures and other improvements on real
84 property owned or leased by it.

85 E. A locality may operate, maintain, and regulate the use of its real property or may contract with
86 other persons to do so.

87 Notwithstanding any contrary provision of law, general or special, no locality providing access and
88 opportunity to use its real property, whether improved or unimproved, may deny equal access or a fair
89 opportunity to use such real property to, or otherwise discriminate against, the Boy Scouts of America
90 or the Girl Scouts of the USA. Nothing in this paragraph shall be construed to require any locality to
91 sponsor the Boy Scouts of America or the Girl Scouts of the USA, or to exempt any such groups from
92 local policies governing access to and use of a locality's real property. The provisions of this paragraph
93 applicable to a locality shall also apply equally to any local governmental entity, including a department,
94 agency, or authority.

95 F. This section shall not be construed to deprive the resident judge or judges of the right to control
96 the use of the courthouse.

97 G. "Public use" as used in this section shall have the same meaning as in § 15.2-1900.

98 § 15.2-4905. Powers of authority.

99 The authority shall have the following powers together with all powers incidental thereto or
100 necessary for the performance of those hereinafter stated:

102 jurisdiction of the subject matter and of the parties;

103 2. To adopt and use a corporate seal and to alter the same at pleasure;

104 3. To enter into contracts; however, any written contract of the authority shall contain provisions
105 addressing the issue of whether attorney's fees shall be recoverable by the prevailing party in the event
106 the contract is subject to litigation;

108 equip and furnish one or more authority facilities including all real and personal properties which the
109 board of directors of the authority may deem necessary in connection therewith and regardless of
110 whether any such facilities shall then be in existence. *When acquiring a fee simple interest in real*
111 *property by purchase in an amount that exceeds \$100,000, the authority shall require that a survey of*
112 *the subject property be completed prior to the purchase; however, no survey is required hereunder if the*
113 *property being acquired is to be preserved as open space, used for agricultural, forestal, park or*
114 *recreational purposes, or is predominantly wetlands or other environmentally sensitive land. Any*
115 *previous survey of the real property being so acquired shall satisfy the survey requirements of this*
116 *subsection provided that there has been no change in configuration to the parcel, or which change, if*
117 *any, shall be of record in the circuit court land records, since the date of such survey. The failure to*
118 *obtain a survey hereunder shall not create a cloud on title to the property;*

119 5. To lease to others any or all of its facilities and to charge and collect rent therefor and to
120 terminate any such lease upon the failure of the lessee to comply with any of the obligations thereof;
121 and to include in any such lease, if desired, a provision that the lessee thereof shall have options to

8. As security for the payment of the principal of and interest on any bonds so issued and any agreements made in connection therewith, to mortgage and pledge any or all of its facilities or any part or parts thereof, whether then owned or thereafter acquired, and to pledge the revenues therefrom or from any part thereof or from any loans made by the authority;

9. To employ and pay compensation to such employees and agents, including attorneys, and real estate brokers whether engaged by the authority or otherwise, as the board of directors shall deem necessary in carrying on the business of the authority;

10. 11. To appoint an industrial advisory committee or similar committee or committees to advise the authority, consisting of such number of persons as it may deem advisable. Such persons may be compensated such amount per regular, special, or committee meeting as may be approved by the appointing authority, not to exceed \$50 per meeting day, and may be reimbursed for necessary traveling and other expenses incurred while on the business of the authority;

12. To borrow money and to accept contributions, grants and other financial assistance from the United States of America and agencies or instrumentalities thereof, the Commonwealth, or any political subdivision, agency, or public instrumentality of the Commonwealth, for or in aid of the construction, acquisition, ownership, maintenance or repair of the authority facilities, for the payment of principal of any bond of the authority, interest thereon, or other cost incident thereto, or in order to make loans in furtherance of the purposes of this chapter of such money, contributions, grants, and other financial assistance, and to this end the authority shall have the power to comply with such conditions and to execute such agreements, trust indentures, and other legal instruments as may be necessary, convenient or desirable and to agree to such terms and conditions as may be imposed; and

13. To make loans or grants to any person, partnership, association, corporation, business, or governmental entity in furtherance of the purposes of this chapter including for the purposes of promoting economic development, provided that such loans or grants shall be made only from revenues of the authority which have not been pledged or assigned for the payment of any of the authority's bonds, and to enter into such contracts, instruments, and agreements as may be expedient to provide for such loans and any security therefor. An authority may also be permitted to forgive loans or other obligations if it is deemed to further economic development. The word "revenues" as used in this subdivision includes contributions, grants and other financial assistance, as set out in subdivision 12.

The authority shall not have power to operate any facility as a business other than as lessor and shall not have the power to operate any single or multi-family housing facilities. However, the authority shall have the power to apply for, establish, operate and maintain a foreign-trade zone in accordance with the provisions of Chapter 14 (§ 62.1-159 et seq.) of Title 62.1.
