Be it enacted by the General Assembly of Virginia:**1. That §§ 51.1-205 of the Code of Virginia is amended and reenacted as follows:**

§ 51.1-205. Service retirement generally.

A. Normal retirement. - Any member in service at his normal retirement date with five or more years of creditable service (i) as a member in the retirement system established by this chapter, (ii) as a member in the retirement system established by Chapter 2.1 (§ 51.1-211 et seq.) of this title, or (iii) while earning the benefits permitted by § 51.1-138 may retire upon written notification to the Board, setting forth the date the retirement is to become effective. Any member, except one appointed by the Governor or elected by the people, who attains 70 years of age shall be retired forthwith. Any employer, subsequent to the employee's normal retirement date, may provide for compulsory service retirement upon a determination that age is a bona fide occupational qualification reasonably necessary to the normal operation of the particular business or that the employee is incapable of performing his duties in a safe and efficient manner. Any such determination shall be made by the employer.

Effective December 31, 2003, any member in service on June 30, 2002, and July 1, 2002, who is credited with five or more years of creditable service rendered under Chapter 1 (§ 51.1-100 et seq.), this chapter, or Chapter 2.1 (§ 51.1-211 et seq.) of this title shall not be subject to the vesting requirements of this section, and §§ 51.1-138 and 51.1-216.

B. Early retirement. - 1. Any member in service who has attained his fiftieth birthday with five or more years of creditable service (i) as a member in the retirement system established by this chapter, (ii) as a member in the retirement system established by Chapter 2.1 (§ 51.1-211 et seq.) of this title, or (iii) while earning the benefits permitted by § 51.1-138 may retire upon written notification to the Board setting forth the date the retirement is to become effective.

2. In addition, any member in service who meets the requirements of subdivision 1 except that he has not attained his fiftieth birthday and who has (i) 20 or more years of creditable service and (ii) who has suffered a life-threatening illness or medical condition that renders it hazardous to his health to continue in his employment, may retire upon written notification to the Board setting forth the date the retirement is to become effective. For purposes of determining the benefits of any employee who retires pursuant to this subdivision, he shall be deemed to be 50 years of age.

3. Effective December 31, 2003, any member in service on June 30, 2002, and July 1, 2002, who is credited with five or more years of creditable service rendered under Chapter 1 (§ 51.1-100 et seq.), this chapter, or Chapter 2.1 (§ 51.1-211 et seq.) of this title shall not be subject to the vesting requirements of this section, and §§ 51.1-138 and 51.1-216.

C. Deferred retirement for members terminating service. - Any member who terminates service after five or more years of creditable service (i) as a member in the retirement system established by this chapter, (ii) as a member in the retirement system established by Chapter 2.1 (§ 51.1-211 et seq.) of this title, or (iii) while earning the benefits permitted by § 51.1-138, may retire under the provisions of subsection A, B, or D of this section if he has not withdrawn his accumulated contributions prior to the effective date of his retirement or if he has five or more years of creditable service (a) as a member in the retirement system established by this chapter, (b) as a member in the retirement system established by Chapter 2.1 (§ 51.1-211 et seq.) of this title, or (c) while earning the benefits permitted by § 51.1-138, regardless of termination date, for which his employer has paid the contributions and such contributions cannot be withdrawn. For the purposes of this subsection, any requirements as to the member being in service shall not apply. No member shall be entitled to the benefits of this subsection if his employer certifies that his service was terminated because of dishonesty, malfeasance, or misfeasance in office. The certification may be appealed to the Board.

Effective December 31, 2003, any member in service on June 30, 2002, and July 1, 2002, who is credited with five or more years of creditable service rendered under Chapter 1 (§ 51.1-100 et seq.), this chapter, or Chapter 2.1 (§ 51.1-211 et seq.) of this title shall not be subject to the vesting requirements of this section, and §§ 51.1-138 and 51.1-216.
