§ 38.2-1704. Powers and duties of Association.

In addition to the powers and duties enumerated in other sections of this chapter:

A. In the case of an impaired domestic insurer and subject to (i) conditions imposed by the Association other than those that impair the contractual obligations of the impaired insurer, (ii) approval by the impaired insurer and (iii) approval by the Commission, the Association may:

1. Guarantee or reinsure, or cause to be guaranteed, assumed, or reinsured, any or all of the covered policies of the impaired insurer;

2. Provide moneys, pledges, notes, guarantees or other means required for compliance with subdivision 1 of this subsection and assure payment of the contractual obligations of the impaired insurer pending action under that subdivision; and

3. Loan money to the impaired insurer.

B. In the case of an insolvent insurer, the Association shall, subject to the approval of the Commission:

1. Guarantee, assume, or reinsure or cause to be guaranteed, assumed, or reinsured the covered policies of the insolvent insurer;

2. Assure payment of the contractual obligations of the insolvent insurer; and

3. Provide moneys, pledges, notes, guarantees, or other means reasonably necessary to discharge its duties.

C. Subsection B shall not apply in the case of a foreign or alien insurer where the Commission has determined that the foreign or alien insurer's domiciliary jurisdiction or state of entry provides protection by statute or regulation for residents of this Commonwealth.

D. 1. In carrying out its duties under subsection B of this section, the Association may request that permanent policy liens or contract liens be imposed in connection with any guarantee, assumption, or reinsurance agreement, and those liens may be imposed if the court:

a. Finds that the amounts which can be assessed under this chapter are less than the amounts needed to assure full and prompt performance of the insolvent insurer's contractual obligations, or that economic or financial conditions are sufficiently adverse so that policy or contract liens are in the public interest; and

b. Approves the specific policy or contract liens to be used.

2. Before being obligated under subsection B of this section, the Association may request that temporary moratoriums or liens be imposed on payments of cash values and policy loans in addition to any contractual provisions for deferral of cash or policy loan values, and the temporary moratoriums and liens may be imposed if they are approved by the court.

E. If the Association fails to act as provided in subsection B of this section within a reasonable period of time, the Commission, on behalf of the Association, shall exercise the powers and duties of the Association under this chapter with respect to insolvent insurers.

F. Upon request, the Association may provide assistance and advice to the Commission concerning rehabilitation, payment of claims, continuation of coverage, or the performance of other contractual obligations of an impaired or insolvent insurer.

G. The Association shall have standing to appear before any court in this Commonwealth regarding all matters germane to the powers and duties of the Association, including, but not limited to, proposals for reinsuring or guaranteeing the covered policies of the insolvent insurer and the determination of the covered policies and contractual obligations.

H. Any person receiving benefits under this chapter shall be deemed to have assigned the rights under the covered policy to the Association to the extent of the benefits received because of this chapter whether the benefits are payments of contractual obligations or continuation of coverage. The Association shall require an assignment to it of those rights by any payee, policy or contract owner,
