

2007 SESSION

ENROLLED

HOUSE JOINT RESOLUTION NO. 587

Designating the month of September, in 2007 and in each succeeding year, as Internet Safety Month in Virginia.

Agreed to by the House of Delegates, January 26, 2007
Agreed to by the Senate, February 21, 2007

WHEREAS, more than 90% of children in the United States between the ages of five and 17 now use computers; and

WHEREAS, approximately 50% of children in that age group use the Internet; and

WHEREAS, approximately 31% of youths in the United States have visited an inappropriate website on the Internet; and

WHEREAS, approximately 18% of those children have visited an inappropriate website more than once; and

WHEREAS, approximately 33% of students in the United States in grades five through 12 have chatted with an individual they have not met in person; and

WHEREAS, approximately 11.5% of those students have later met with a stranger whom they chatted with on the Internet; and

WHEREAS, approximately 39% of youths of the United States in grades five through 12 have admitted giving out their personal information, including their name, age, and gender, over the Internet; now, therefore, be it

RESOLVED by the House of Delegates, the Senate concurring, That the General Assembly designate the month of September, in 2007 and in each succeeding year, as Internet Safety Month in Virginia; and, be it

RESOLVED FURTHER, That the General Assembly commend and recognize national, state, and local organizations for promoting awareness of the dangers of the Internet and providing information and training that develops critical thinking and decision-making skills that are needed to use the Internet safely; and, be it

RESOLVED FINALLY, That the Clerk of the House of Delegates post the designation of this month on the General Assembly's website.
