Offered January 16, 2007

A *BILL to amend and reenact § 40.1-49.4 of the Code of Virginia, relating to enforcement of occupational health and safety standards.*

Patron—Wagner

Referred to Committee on Commerce and Labor

Be it enacted by the General Assembly of Virginia:**1. That § 40.1-49.4 of the Code of Virginia is amended and reenacted as follows:**

§ 40.1-49.4. Enforcement of this title and standards, rules or regulations for safety and health; orders of Commissioner; proceedings in circuit court; injunctions; penalties.

A. 1. If the Commissioner has reasonable cause to believe that an employer has violated any safety or health provision of Title 40.1 or any standard, rule or regulation adopted pursuant thereto, he shall with reasonable promptness issue a citation to the employer. Each citation shall be in writing and shall describe with particularity the nature of the violation or violations, including a reference to the provision of this title or the appropriate standards, rules or regulations adopted pursuant thereto, and shall include an order of abatement fixing a reasonable time for abatement of each violation.

2. The Commissioner may prescribe procedures for calling to the employer's attention de minimis violations which have no direct or immediate relationship to safety and health.

3. No citation may be issued under this section after the expiration of six months following the occurrence of any alleged violation.

4. (a) The Commissioner shall have the authority to propose civil penalties for cited violations in accordance with subsections G, H, I, and J of this section; *however, an employer shall not be assessed any civil penalty for a violation of any safety or health provision of this title or any standard, rule or regulation promulgated pursuant thereto if the violation occurred prior to (i) the effective date of a regulation promulgated by the Board that designates the occupation for which a citation has been issued as a hazardous occupation and (ii) the employer's receipt of written notice of such designation. Any designation of an occupation as a hazardous occupation shall be made by the Board based upon the federal Occupational Safety and Health Administration's determinations of the highest hazard industries based on reported national injury and illness data.* In determining the amount of any proposed penalty he shall give due consideration to the appropriateness of the penalty with respect to the size of the business of the employer being charged, the gravity of the violation, the good faith of the employer, and the history of previous violations. In addition, the Commissioner shall have authority to assess interest on all past-due penalties and administrative costs incurred in the collection of penalties for such violations consistent with § 2.2-4805.

(b) After, or concurrent with, the issuance of a citation and order of abatement, and within a reasonable time after the termination of an inspection or investigation, the Commissioner shall notify the employer by certified mail or by personal service of the proposed penalty or that no penalty is being proposed. The proposed penalty shall be deemed to be the final order of the Commissioner and not subject to review by any court or agency unless, within 15 working days from the date of receipt of such notice, the employer notifies the Commissioner in writing that he intends to contest the citation, order of abatement or the proposed penalty or the employee or representative of employees has filed a notice in accordance with subsection B of this section and any such notice of proposed penalty, citation or order of abatement shall so state.

B. Any employee or representative of employees of an employer to whom a citation and order of abatement has been issued may, within 15 working days from the time of the receipt of the citation and order of abatement by the employer, notify the Commissioner, in writing, that they wish to contest the abatement time before the circuit court.

C. If the Commissioner has reasonable cause to believe that an employer has failed to abate a violation for which a citation has been issued within the time period permitted for its abatement, which time shall not begin to run until the entry of a final order in the case of any contest as provided in subsection E of this section initiated by the employer in good faith and not solely for delay or avoidance of penalties, a citation for failure to abate will be issued to the employer in the same manner as prescribed by subsection A of this section. In addition, the Commissioner shall notify the employer by certified mail or by personal service of such failure and of the penalty proposed to be assessed by reason of such failure. If, within 15 working days from the date of receipt of the notice of the proposed penalty, the employer fails to notify the Commissioner that he intends to contest the citation or proposed

59 assessment of penalty, the citation and assessment as proposed shall be deemed a final order of the
60 Commissioner and not subject to review by any court or agency.

61 D. Civil penalties owed under this section shall be paid to the Commissioner for deposit into the
62 general fund of the Treasurer of the Commonwealth. The Commissioner shall prescribe procedures for
63 the payment of proposed assessments of penalties which are not contested by employers. Such
64 procedures shall include provisions for an employer to consent to abatement of the alleged violation and
65 pay a proposed penalty or a negotiated sum in lieu of such penalty without admission of any civil
66 liability arising from such alleged violation.

67 Final orders of the Commissioner or the circuit courts may be recorded, enforced and satisfied as
68 orders or decrees of a circuit court upon certification of such orders by the Commissioner or the court
69 as appropriate.

70 E. Upon receipt of a notice of contest of a citation, proposed penalty, order of abatement or
71 abatement time pursuant to subdivision A 4 (b), subsection B or C of this section, the Commissioner
72 shall immediately notify the attorney for the Commonwealth for the jurisdiction wherein the violation is
73 alleged to have occurred and shall file a civil action with the circuit court. Upon issuance and service of
74 process, the circuit court shall promptly set the matter for hearing without a jury. The circuit court shall
75 thereafter issue a written order, based on findings of fact and conclusions of law, affirming, modifying
76 or vacating the Commissioner's citation or proposed penalty, or directing other appropriate relief, and
77 such order shall become final 21 days after its issuance. The circuit court shall provide affected
78 employees or their representatives and employers an opportunity to participate as parties to hearings
79 under this subsection.

80 F. 1. In addition to the remedies set forth above, the Commissioner may file a civil action with the
81 clerk of the circuit court having equity jurisdiction over the employer or the place of employment
82 involved asking the court to temporarily or permanently enjoin any conditions or practices in any place
83 of employment which are such that a danger exists which could reasonably be expected to cause death
84 or serious physical harm immediately or before the imminence of such danger can be eliminated through
85 the enforcement procedures otherwise provided by this title. Any order issued under this section may
86 require such steps to be taken as may be necessary to avoid, correct or remove such imminent danger
87 and prohibit the employment or presence of any individual in locations or under conditions where such
88 imminent danger exists, except individuals whose presence is necessary to avoid, correct or remove such
89 imminent danger or to maintain the capacity of a continuous process operation to resume normal
90 operations without a complete cessation of operations, or where a cessation of operations is necessary, to
91 permit such to be accomplished in a safe and orderly manner. No order issued without prior notice to
92 the employer shall be effective for more than five working days. Whenever and as soon as the
93 Commissioner concludes that conditions or practices described in this subsection exist in any place of
94 employment and that judicial relief shall be sought, he shall immediately inform the affected employer
95 and employees of such proposed course of action.

96 2. Any court described in this section shall also have jurisdiction, upon petition of the Commissioner
97 or his authorized representative, to enjoin any violations of this title or the standards, rules or regulations
98 promulgated thereunder.

99 3. If the Commissioner arbitrarily or capriciously fails to seek relief under subdivision 1 of this
100 subsection, any employee who may be injured by reason of such failure, or the representative of such
101 employee, may bring an action against the Commissioner in a circuit court of competent jurisdiction for
102 a writ of mandamus to compel the Commissioner to seek such an order and for such further relief as
103 may be appropriate.

104 G. Any employer who has received a citation for a violation of any safety or health provision of this
105 title or any standard, rule or regulation promulgated pursuant thereto and such violation is specifically
106 determined not to be of a serious nature may be assessed a civil penalty of up to \$7,000 for each such
107 violation.

108 H. Any employer who has received a citation for a violation of any safety or health provision of this
109 title or any standard, rule or regulation promulgated pursuant thereto and such violation is determined to
110 be a serious violation shall be assessed a civil penalty of up to \$7,000 for each such violation.

111 I. Any employer who fails to abate a violation for which a citation has been issued within the period
112 permitted for its abatement (which period shall not begin to run until the entry of the final order of the
113 circuit court) may be assessed a civil penalty of not more than \$7,000 for each day during which such
114 violation continues.

115 J. Any employer who willfully or repeatedly violates any safety or health provision of this title or
116 any standard, rule or regulation promulgated pursuant thereto may be assessed a civil penalty of not
117 more than \$70,000 for each such violation.

118 K. Any employer who willfully violates any safety or health provisions of this title or standards,
119 rules or regulations adopted pursuant thereto, and that violation causes death to any employee, shall,
120 upon conviction, be punished by a fine of not more than \$70,000 or by imprisonment for not more than

121 six months, or by both such fine and imprisonment. If the conviction is for a violation committed after a
122 first conviction of such person, punishment shall be a fine of not more than \$140,000 or by
123 imprisonment for not more than one year, or by both such fine and imprisonment.

124 L. In any proceeding before a judge of a circuit court parties may obtain discovery by the methods
125 provided for in the Rules of Supreme Court of Virginia.

126 M. No fees or costs shall be charged the Commonwealth by a court or any officer for or in
127 connection with the filing of the complaint, pleadings, or other papers in any action authorized by this
128 section or § 40.1-49.5.

129 N. Every official act of the circuit court shall be entered of record and all hearings and records shall
130 be open to the public, except any information subject to protection under the provisions of § 40.1-51.4:1.

131 O. The provisions of Chapter 30 (§ 59.1-406 et seq.) of Title 59.1 shall be considered safety and
132 health standards of the Commonwealth and enforced as to employers pursuant to this section by the
133 Commissioner of Labor and Industry.
