Be it enacted by the General Assembly of Virginia:

1. That the Code of Virginia is amended by adding in Title 22.1 a chapter numbered 16.1, consisting of sections numbered 22.1-335.1 through 22.1-335.8, as follows:

CHAPTER 16.1.

STUDENTS WITH DISABILITIES

TUITION ASSISTANCE GRANT PROGRAM.

§ 22.1-335.1. *Students with Disabilities Tuition Assistance Grant Program; established.*

There is hereby established the Students with Disabilities Tuition Assistance Grant Program (Grant Program), to provide tuition assistance for attendance at an eligible private school, as defined in § 22.1-335.4, of the parent's choice for students with disabilities for whom an individualized educational program has been written in accordance with the federal Individuals with Disabilities Education Act (IDEA) as amended, regulations promulgated pursuant to IDEA, and regulations of the Board of Education.

For the purposes of the Grant Program, students with disabilities shall include K-12 students as defined by the Board of Education in its Regulations Governing Special Education Programs for Children with Disabilities in Virginia and § 22.1-213.

§ 22.1-335.2. *Grant Program; eligibility.*

A. The parent of a student, as defined in § 22.1-1, with a disability, as defined in § 22.1-335.1, who is dissatisfied with the student's progress in a public school may request of the Superintendent of Public Instruction a tuition assistance grant for the student to enroll in and attend an eligible private school, as defined in § 22.1-335.4. When such a request is received by the Superintendent of Public Instruction, an eligible private school shall receive a tuition assistance grant on behalf of the requesting student, in accordance with this section, upon satisfaction of the following conditions:

1. The student has attended a public school in the Commonwealth and has received special education services from a public school for at least one year prior to the request of a grant.

2. Prior to the beginning of the initial school year for which the grant is requested, the parent has obtained acceptance for admission of the student to a private school that is eligible to participate in the Grant Program pursuant to § 22.1-335.4.

3. The parent has notified the division superintendent of his request to the Superintendent of Public Instruction for a tuition assistance grant at least 60 days prior to the beginning of the school year in which the first grant payment is sought. The parental notice shall be transmitted through a communication sent directly to the division superintendent either in writing or through electronic means.

4. The parent has executed and submitted to the division superintendent, prior to the first request for a grant, a written statement asserting his dissatisfaction with his child's progress and acknowledging that the public school has offered or implemented an individualized educational program that is reasonably calculated to provide educational benefit in accordance with the federal IDEA as amended, regulations promulgated pursuant to IDEA, and regulations of the Board of Education.

B. The grant may be awarded annually until the student returns to a public school or is no longer eligible for special education services. However, at any time, the student's parent may remove the student from the private school of attendance and place the student in another private school that is eligible for the Grant Program pursuant to § 22.1-335.4 or in a public school pursuant to § 22.1-335.3. The parents of a student receiving a grant shall provide transportation for the student, at the parent's expense, to and from the private school and school-related activities.

§ 22.1-335.3. *School division; obligations.*

A. Upon receiving a notification from a parent concerning a request for a grant, a division superintendent shall in a timely fashion notify the parent of the student of all options of which the school division is aware and that are available pursuant to this chapter and may offer the student's parent an opportunity to enroll the student in another public school or program within the division.

B. The parent may choose, as an alternative, to request enrollment of his student in a division where
