A. In addition to the fees otherwise authorized by this chapter, the clerk of each circuit court shall assess a \$5 fee, known as the "Technology Trust Fund Fee," in each civil action, upon each instrument to be recorded in the deed books, and upon each judgment to be docketed in the judgment lien docket book. Such fee shall be deposited by the State Treasurer into a trust fund. The State Treasurer shall

428 maintain a record of such deposits.

429 B. Four dollars of every \$5 fee shall be allocated by the Compensation Board from the trust fund for
430 the purposes of: (i) developing and updating individual land records automation plans for individual
431 circuit court clerks' offices; (ii) implementing automation plans to modernize land records in individual
432 circuit court clerks' offices and provide secure remote access to land records throughout the
433 Commonwealth pursuant to § 2.2-3808.3; (iii) obtaining and updating office automation and information
434 technology equipment including software and conversion services; (iv) preserving, maintaining and
435 enhancing court records, including, but not limited to, the costs of repairs, maintenance, *land records*

438 Board in consultation with circuit court clerks and other users of court records shall develop and update
439 policies governing the allocation of funds for these purposes. However, such funds shall not be used for
440 personnel costs within the circuit court clerks' offices. The Compensation Board policies governing the
441 allocation of funds shall require that a clerk submit to the Compensation Board a written certification
442 that the clerk's proposed technology improvements of his land records will provide secure remote access
443 to those land records on or before July 1, 20072008.

444 The annual budget submitted by each circuit court clerk pursuant to § 15.2-1636.7 may include a
445 request for technology improvements in the upcoming fiscal year to be allocated by the Compensation
446 Board from the trust fund. Such request shall not exceed the deposits into the trust fund credited to that
447 locality. The Compensation Board shall allocate the funds requested by the clerks in an amount not to
448 exceed the deposits into the trust fund credited to their respective localities.

449 C. The remaining \$1 of each such fee may be allocated by the Compensation Board from the trust
450 fund (i) for the purposes of funding studies to develop and update individual land-records automation
451 plans for individual circuit court clerks' offices, at the request of and in consultation with the individual
452 circuit court clerk's offices, and (ii) for the purposes enumerated in subsection B to implement the plan
453 to modernize land records in individual circuit court clerks' offices and provide secure remote access to
454 land records throughout the Commonwealth. The allocations pursuant to this subsection may give
455 priority to those individual clerks' offices whose deposits into the trust fund would not be sufficient to
456 implement its modernization plan. The Compensation Board policies governing the allocation of funds
457 shall require that a clerk submit to the Compensation Board a written certification that the clerk's
458 proposed technology improvements of his land records will provide secure remote access to those land
459 records on or before July 1, 20072008.

460 D. 1. Secure remote access to land records shall be by paid subscription service through individual
461 circuit court clerk's offices pursuant to § 17.1-276, or through designated application service providers.

463 Technologies Agency pursuant to § 2.2-3808.2 shall be certified by the individual circuit court clerks'
464 offices to the ~~Virginia Information Technologies Agency~~ and the Compensation Board. The individual
465 circuit court clerk's office or its designated application service provider shall certify compliance with
466 such ~~security~~ *secure remote access* standards. Nothing in this section shall prohibit the Compensation
467 Board from allocating trust fund money to individual circuit court clerks' offices for the purpose of
468 complying with such ~~security~~ *secure remote access* standards *or redaction of social security numbers*
469 *from land records*.

470 2. *If a circuit court clerk proceeds to accelerate the redaction of social security numbers from land*
471 *records using local funds, the clerk may request reimbursement for such expenditures from the*
472 *Technology Trust Fund in accordance with subsection B (iv) to provide reimbursement to the locality for*
473 *advancing such funds in the fiscal year in which such local expenditures are incurred. For local*
474 *expenditures to accelerate the redaction of social security numbers from land records incurred in prior*
475 *fiscal years for which reimbursement has not been previously made, the Compensation Board may*
476 *approve payment to the locality in accordance with subsection B (iv) upon certification by the locality*
477 *that such payment has been made.*

478 3. *Every circuit court clerk shall provide secure remote access to land records pursuant to*
479 *§ 2.2-3808.3 on or before July 1, 2008.*

480 E. Such fee shall not be assessed to any instrument to be recorded in the deed books nor any
481 judgment to be docketed in the judgment lien docket books tendered by any federal, state or local
482 government.

483 F. If a circuit court clerk provides secure remote access to land records on or before July 1,
484 20072008, then that clerk may apply to the Compensation Board for an allocation from the Technology
485 Trust Fund for automation and technology improvements in the ~~civil divisions, or the criminal division,~~
486 ~~of his office that are not related to land records.~~ Such request shall not exceed the deposits into the
487 trust fund credited to that locality. The Compensation Board in approval of such application shall
488 consider ~~what local funds have been spent by the jurisdiction to accelerate the implementation of the~~
489 ~~technology plan approved by the Virginia Information Technologies Agency in each circuit court clerk's~~

office.

G. Information regarding the technology programs adopted by the circuit court clerks shall be shared with the Virginia Information Technologies Agency, The Library of Virginia, and the Office of the Executive Secretary of the Supreme Court.

H. Nothing in this section shall be construed to diminish the duty of local governing bodies to furnish supplies and equipment to the clerks of the circuit courts pursuant to § 15.2-1656. Revenue raised as a result of this section shall in no way supplant current funding to circuit court clerks' offices by local governing bodies.

I. Effective July 1, 2006, except for transfers pursuant to this section, there shall be no transfers out of the fund, including transfers to the general fund.

§ 20-121.03. Identifying information confidential; separate addendum.

Any petition, pleading, motion, order, or decree filed under this chapter, including any agreements of the parties or transcripts, shall not contain the social security number of any party or of any minor child of any party, or any financial information of any party that provides identifying account numbers for specific assets, liabilities, accounts, or credit cards. Such information if required by law to be provided to a governmental agency or required to be recorded for the benefit or convenience of the parties, shall be contained in a separate addendum filed by the attorney or party. Such separate addendum shall be used to distribute the information only as required by law. Such addendum shall otherwise be made available only to the parties, their attorneys, and to such other persons as the court in its discretion may allow. The attorney or party who prepares or submits a petition, pleading, motion, agreement, order, or decree shall ensure that any information protected pursuant to this section is removed prior to filing with the clerk and that any separate addendum is incorporated by reference into the petition, pleading, motion, agreement, order or decree. *The clerk has the authority to reject any petition, pleading, motion, agreement, order, or decree for recordation as a land record that does not comply with the provisions of this section.*

2. That any clerk of a circuit court shall have the authority to redact social security numbers from any land record made available via secure remote access pursuant to § 2.2-3808.3, and that this is declarative of existing law.

3. That any clerk of a circuit court may engage a vendor to redact social security numbers from all land records made available via secure remote access pursuant to § 2.2-3808.3, using a software redaction system, for records beginning January 1, 1935, to the date of redaction, and that the redaction shall be completed on or before June 30, 2010.
