Such fee shall be deposited by the State Treasurer into a trust fund. The State Treasurer shall maintain a record of such deposits.

B. Four dollars of every \$5 fee shall be allocated by the Compensation Board from the trust fund for the purposes of: (i) developing and updating individual land records automation plans for individual circuit court clerks' offices; (ii) implementing automation plans to modernize land records in individual circuit court clerks' offices and provide secure remote access to land records throughout the Commonwealth pursuant to § 17.1-294; (iii) obtaining and updating office automation and information technology equipment including software and conversion services; (iv) preserving, maintaining and enhancing court records, including, but not limited to, the costs of repairs, maintenance, *land records, consulting services*, service contracts, *redaction of social security numbers from land records*, and system *replacements or* upgrades; and (v) improving public access to court records. The allocations pursuant to this subsection may give priority to those individual clerks' offices whose deposits into the trust fund would not be sufficient to implement its modernization plan. The Compensation Board policies governing the allocation of funds shall require that a clerk submit to the Compensation Board a written certification that the clerk's proposed technology improvements of his land records will provide secure remote access to those land records on or before July 1, 2007 2008.

The individual circuit court clerk's office or its designated application service provider shall certify compliance with such ~~security~~ *secure remote access* standards. Nothing in this section shall prohibit the Compensation Board from allocating trust fund money to individual circuit court clerks' offices for the purpose of complying with such ~~security~~ *secure remote access* standards *or redaction of social security numbers from land records*.

2. If a circuit court clerk proceeds to accelerate the redaction of social security numbers from land records using local funds, the clerk may request reimbursement for such expenditures from the Technology Trust Fund in accordance with clause (iv) of subsection B to provide reimbursement to the locality for advancing such funds in the fiscal year in which such local expenditures are incurred. For local expenditures to accelerate the redaction of social security numbers from land records incurred in prior fiscal years for which reimbursement has not been previously made, the Compensation Board may approve payment to the locality in accordance with clause (iv) of subsection B upon certification by the locality that it has advanced such funds.

3. Every circuit court clerk shall provide secure remote access to land records pursuant to § 17.1-294 on or before July 1, 2008.

E. Such fee shall not be assessed to any instrument to be recorded in the deed books nor any judgment to be docketed in the judgment lien docket books tendered by any federal, state or local government.

F. If a circuit court clerk provides secure remote access to land records on or before July 1, 2007 2008, then that clerk may apply to the Compensation Board for an allocation from the Technology Trust Fund for automation and technology improvements in the civil divisions, or the criminal division, of his office that are not related to land records. Such request shall not exceed the deposits into the trust fund credited to that locality. The Compensation Board in approval of such application shall consider what local funds have been spent by the jurisdiction to accelerate the implementation of the technology plan approved by the Virginia Information Technologies Agency in each circuit court clerk's office.

G. Information regarding the technology programs adopted by the circuit court clerks shall be shared with the Virginia Information Technologies Agency, The Library of Virginia, and the Office of the Executive Secretary of the Supreme Court.

H. Nothing in this section shall be construed to diminish the duty of local governing bodies to furnish supplies and equipment to the clerks of the circuit courts pursuant to § 15.2-1656. Revenue raised as a result of this section shall in no way supplant current funding to circuit court clerks' offices by local governing bodies.

I. Effective July 1, 2006, except for transfers pursuant to this section, there shall be no transfers out of the fund, including transfers to the general fund.

§ 17.1-294. Secure remote access to land records.

A. No circuit court clerk shall provide secure remote access to any land record that does not comply with the provisions of this section and the secure remote access standards developed by the Virginia Information Technologies Agency in consultation with the circuit court clerks, the Executive Secretary of the Supreme Court, the Compensation Board, and users of land and other court records.

B. 1. Beginning July 1, 2010, any land record made available to subscribers via secure remote access shall not contain the social security number of any party.

2. However, the original record maintained by the clerk may contain a social security number if otherwise provided by law, but that original record shall not be made available via secure remote access unless it complies with this section.

3. Except in cases where the original record is required by law to contain a social security number, the attorney or party who prepares or submits the land record for recordation has the responsibility for ensuring that the social security number has been removed from the writing prior to the instrument's being submitted for recordation.

C. Nothing in this section shall be construed to prohibit access to any original document as provided by law.

D. The clerk of the circuit court of any jurisdiction shall be immune from suit arising from any acts or omissions relating to providing secure remote access to land records pursuant to this section unless the clerk was grossly negligent or engaged in willful misconduct.

§ 20-121.03. Identifying information confidential; separate addendum.

Any petition, pleading, motion, order, or decree filed under this chapter, including any agreements of the parties or transcripts, shall not contain the social security number of any party or of any minor child of any party, or any financial information of any party that provides identifying account numbers for specific assets, liabilities, accounts, or credit cards. Such information if required by law to be provided to a governmental agency or required to be recorded for the benefit or convenience of the parties, shall be contained in a separate addendum filed by the attorney or party. Such separate addendum shall be used to distribute the information only as required by law. Such addendum shall otherwise be made available only to the parties, their attorneys, and to such other persons as the court in its discretion may allow. The attorney or party who prepares or submits a petition, pleading, motion, agreement, order, or decree shall ensure that any information protected pursuant to this section is removed prior to filing with the clerk and that any separate addendum is incorporated by reference into the petition, pleading, motion, agreement, order or decree. *The clerk has the authority to reject any petition, pleading, motion, agreement, order, or decree for recordation as a land record that does not comply with the provisions of this section.*

2. That any clerk of a circuit court shall have the authority to redact social security numbers from any land record made available via secure remote access pursuant to § 17.1-294 of the Code of Virginia, and that this is declarative of existing law.

3. That any clerk of a circuit court may engage a vendor to redact social security numbers from all land records made available via secure remote access pursuant to § 17.1-294 of the Code of Virginia, using a software redaction system, for records beginning January 1, 1935, to the date of redaction, and that the redaction shall be completed on or before July 1, 2010.

4. That the provisions of subdivision B 1 of § 17.1-294 of the Code of Virginia of this act shall not become effective unless an appropriation of general funds effectuating the purposes of this act is included in a general appropriation act passed by the 2007 Session of the General Assembly, which becomes law.

5. That § 2.2-3808.2 of the Code of Virginia is repealed.
