

1 VIRGINIA ACTS OF ASSEMBLY — CHAPTER

2 *An Act to amend and reenact § 10.1-1307.3 of the Code of Virginia, relating to opacity standards for*
3 *the control of air pollution.*

4 [S 925]

5 Approved

6 **Be it enacted by the General Assembly of Virginia:**7 **1. That § 10.1-1307.3 of the Code of Virginia is amended and reenacted as follows:**

8 § 10.1-1307.3. Executive Director to enforce laws.

9 A. The Executive Director or his duly authorized representative shall have the authority to:

10 1. Supervise, administer, and enforce the provisions of this chapter and regulations and orders of the
11 Board as are conferred upon him by the Board;

12 2. Investigate any violations of this chapter and regulations and orders of the Board;

13 3. Require that air pollution records and reports be made available upon request, and require owners
14 to develop, maintain, and make available such other records and information as are deemed necessary
15 for the proper enforcement of this chapter and regulations and orders of the Board;

16 4. Upon presenting appropriate credentials to the owner, operator, or agent in charge:

17 a. Enter without delay and at reasonable times any business establishment, construction site, or other
18 area, workplace, or environment in this Commonwealth; and19 b. Inspect and investigate during regular working hours and at other reasonable times, and within
20 reasonable limits and in a reasonable manner, without prior notice, unless such notice is authorized by
21 the Director or his representative, any such business establishment or place of employment and all
22 pertinent conditions, structures, machines, apparatus, devices, equipment, and materials therein, and
23 question privately any such employer, officer, owner, operator, agent, or employee. If such entry or
24 inspection is refused, prohibited, or otherwise interfered with, the Director shall have the power to seek
25 from a court having equity jurisdiction an order compelling such entry or inspection; and26 5. Temporarily suspend the enforcement of any regulation or permit requirement applicable to any
27 part of an electrical generation and transmission system, whether owned or contracted for, when a public
28 electric utility providing power within the Commonwealth so requests and has suffered a force majeure
29 event as defined in subdivision 7 of § 59.1-21.18:2.30 *B. The Executive Director or his duly authorized representative may pursue enforcement action for a*
31 *violation of opacity requirements or limits based on (i) visual observations conducted pursuant to*
32 *methods approved by the U.S. Environmental Protection Agency, (ii) data from certified continuous*
33 *opacity monitors, or (iii) other methods approved by the U.S. Environmental Protection Agency.*
