WHEREAS, as energy prices have become a hot news topic and a major concern for consumers, ENERGY STAR continues to provide a trustworthy label on products that deliver the same or better performance as comparable models while using less energy and saving money; and

WHEREAS, raising public awareness of energy efficiency and ENERGY STAR products will result in additional families taking action to conserve energy; and

WHEREAS, October is nationally designated as Energy Awareness Month; now therefore be it

RESOLVED by the Senate, the House of Delegates concurring, That the General Assembly hereby designate the first week of October, in 2007 and in each succeeding year, as "Energy Conservation Awareness Week" in Virginia; and, be it

RESOLVED FURTHER, that the Clerk of the Senate post the designation of the first week in October as "Energy Conservation Awareness Week" on the General Assembly's website; and be it

RESOLVED FURTHER, that the General Assembly urges the citizens of the Commonwealth to start conserving energy in their homes by using ENERGY STAR products, which not only reduces energy bills, but improves our environment by reducing pollution.
