4. Title Disorderly house; unlawful for any person to keep, maintain, operate or to visit.

5. Summary/Purpose: Disorderly house; penalty. Provides that it is unlawful for any person to keep, maintain or operate or to visit a disorderly house. The bill allows the governing bodies of counties, cities, and towns to adopt ordinances prohibiting and punishing such conduct. A violation of this law is punishable as a Class 1 misdemeanor. "Disorderly house" is defined to mean a house or building where persons meet or may meet for the purpose of unlawfully dispensing or indulging in intoxicating liquors, unlawful gaming, or boisterous or other disorderly conduct.

6. Fiscal Impact Estimates are: PRELIMINARY; See item 8.

7. Budget amendment necessary: No.

8. Fiscal implications: Anyone convicted of a Class 1 misdemeanor is subject to a sentence of up to 12 months in jail. Therefore, this proposal could result in an increase in the number of persons sentenced to jail.

There is not enough information available to reliably estimate how many additional inmates in jail could result from this proposal. Any increase in jail population will increase costs to the state. The Commonwealth pays the localities \$8.00 a day for each misdemeanant or otherwise local responsible prisoner held in a jail. It also funds most of the jails' operating costs, e.g. correctional officers. The state's share of these costs on a per prisoner, per day basis varies from locality to locality. However, according to the Compensation Board's most recent Jail Cost Report (FY 2005), the estimated total state support for local jails averaged \$28.35 per inmate, per day in FY 2005.

9. Specific agency or political subdivisions affected: Local and regional jails, Compensation Board, state and local law enforcement agencies.

10. Technical amendment necessary: No.

11. Other comments: None.
