The bill authorizes the licensee to sell and serve alcoholic beverages for on-premises consumption, and the licensee must meet the required food sale ratio. 6. **Fiscal Impact Estimates are:** FINAL; See item 8.

7. **Budget amendment necessary:** No.

8. **Fiscal implications:** According to the Department of Alcoholic Beverage Control (ABC), there are presently less than 50 mixed beverage caterers now. The cost of the current license is \$1,860, and the cost of the new limited caterer's license is \$500. ABC expects that some of the current caterers would transfer to the limited license. Therefore a decrease in revenue would be expected, but the department believes it could absorb this cost.
