2. Patron Shannon

3. Committee Passed House and Senate

4. Title Human research review committees; publication of results.

5. Summary/Purpose: This bill provides that each human research review committee of an institution or agency must ensure that the approved human research projects and the results of such projects are made public on the institution's or agency's website. This substitute bill does not require disclosure of projects and results if exempt under the Virginia Freedom of Information Act.

6. Minimal Fiscal Impact: See Item 8.

7. Budget amendment necessary: No

8. Fiscal implications: Each institution or agency should have staff that maintains a website, so there should minimal fiscal impact in posting results.

9. Specific agency or political subdivisions affected: Any agency conducting human research is affected.

10. Technical amendment necessary: No

11. Other comments: None
