

**Virginia Department of Transportation
2007 Fiscal Impact Statement (Regular Session)**

1. Bill Number: HB 2838 Enr 1

House of Origin ☐ Introduced ☐ Substitute ☐ Engrossed

Second House ☐ In Committee ☐ Substitute ☒ Enrolled

2. Patron: Amundson, K.

3. Committee: Passed Both Houses

4. Title: VDOT biennial report on maintaining and operating existing transportation infrastructure

5. Summary/Purpose:

This bill requires VDOT to submit a biennial report on the condition and needs for maintaining and operating the existing transportation infrastructure based on an asset management methodology. Report shall include the performance standards used to determine the needs, an estimate of the budget required in the upcoming two fiscal years to meet the needs, employment level goals for the upcoming two years, and the percentage of asset management under private contract.

6. Fiscal Impacts are unavailable

7. Budget amendment necessary: NO

8. Fiscal implications: The cost to acquire data needed to develop performance standards and to determine the needs to meet the standards for some operations, such as congestion reduction, is not known at this time. Additional manpower needed would depend on how the data are to be collected and who will perform the analyses.

9. Specific agency or political subdivisions affected: VDOT

10. Technical amendment necessary: NO

11. Other comments: This bill is identical to SB 1128.
