**11. Other comments:** This bill was introduced at the request of the State Corporation Commission Bureau of Insurance. The subsection B requirement of § 38.2-1825 was enacted when Virginia had no continuing education (CE) law for insurance agents. Once the CE law was enacted, the license of any agent who did not comply with CE requirements was automatically terminated for failure to comply with CE. If an agent wants to comply with CE, the agent should be able to keep his license whether or not the agent has any active appointments with insurers, and the repeal of subsection B would make that possible.
