

**Virginia Department of Transportation
2007 Fiscal Impact Statement (Regular Session)**

1. Bill Number: SB 1110 Enr 1

House of Origin ☐ Introduced ☐ Substitute ☐ Engrossed

Second House ☐ In Committee ☐ Substitute ☒ Enrolled

2. Patron: Houck, R.

3. Committee: Senate Local Government

4. Title: Service districts; roads whether under VDOT jurisdiction or not.

5. Summary/Purpose:

Gives public service districts authority to intervene in roadways controlled by VDOT.

6. Fiscal Impacts are unavailable

7. Budget amendment necessary: NO

8. Fiscal implications: Facility construction by other groups within rights of way controlled by VDOT, unless subject to VDOT controls, can result in situations where VDOT must reconstruct its facilities in the interest of public safety. This situation would have an undetermined fiscal impact due to items such as labor, materials, etc. used for the reconstruction. Having transportation work accomplished and funded by other agencies may reduce the need for the expenditure of VDOT funds to accomplish necessary work.

9. Specific agency or political subdivisions affected: VDOT and all localities where a service district has authority over certain territory are affected by this bill.

10. Technical amendment necessary: NO

11. Other comments: NO
