

VIRGINIA ACTS OF ASSEMBLY -- 2008 SESSION

CHAPTER 47

An Act to amend the Code of Virginia by adding a section numbered 22.1-16.4, relating to the creation of a nutrition and physical activity best practices database.

[H 246]

Approved February 29, 2008

Be it enacted by the General Assembly of Virginia:

1. That the Code of Virginia is amended by adding a section numbered 22.1-16.4 as follows:

§ 22.1-16.4. Nutrition and physical activity best practices database.

The Department of Education shall develop and maintain a nutrition and physical activity best practices database. The database shall contain the results of any wellness-related fitness testing done by local school divisions, as well as information on successful programs and policies implemented by local school divisions designed to improve nutrition and physical activity in the public schools. This information may include (i) a description of the program or policy, (ii) advice on implementation, (iii) any assessment of the program or policy, (iv) a contact person from the local school division, and (v) any other information the Department deems appropriate. The database shall be readily accessible to all local school divisions in the Commonwealth and the Department of Health. While the Board shall encourage local school divisions to submit information to the database, no school division shall be required to submit information.
