63 following duties and powers:

64 1. To supervise and manage the Department and its state facilities.

65 2. To employ the personnel required to carry out the purposes of this title.

66 3. To make and enter into all contracts and agreements necessary or incidental to the performance of
67 the Department's duties and the execution of its powers under this title, including contracts with the
68 United States, other states, and agencies and governmental subdivisions of the Commonwealth,
69 consistent with policies and regulations of the Board and applicable federal and state statutes and
70 regulations.

71 4. To accept, hold, and enjoy gifts, donations, and bequests on behalf of the Department from the
72 United States government, agencies and instrumentalities thereof, and any other source, subject to the
73 approval of the Governor. To these ends, the Commissioner shall have the power to comply with
74 conditions and execute agreements that may be necessary, convenient, or desirable, consistent with
75 policies and regulations of the Board.

76 5. To accept, execute, and administer any trust in which the Department may have an interest, under
77 the terms of the instruments creating the trust, subject to the approval of the Governor.

78 6. To transfer between state hospitals and training centers school-age consumers who have been
79 identified as appropriate to be placed in public school programs and to negotiate with other school
80 divisions for placements in order to ameliorate the impact on those school divisions located in a
81 jurisdiction in which a state hospital or training center is located.

82 7. To provide to the Director of the Virginia Office for Protection and Advocacy, pursuant to
83 § 51.5-39.12, a written report setting forth the known facts of critical incidents or deaths of consumers
84 in facilities within 15 working days of the critical incident or death.

85 8. To work with the appropriate state and federal entities to ensure that any person who has been a
86 consumer in a state facility for more than one year has possession of or receives prior to discharge any
87 of the following documents, when they are needed to obtain the services contained in his discharge plan:
88 a Department of Motor Vehicles approved identification card that will expire 90 days from issuance, a
89 copy of his birth certificate if the consumer was born in the Commonwealth, or a social security card
90 from the Social Security Administration. State facility directors, as part of their responsibilities pursuant
91 to § 37.2-837, shall implement this provision when discharging consumers.

92 9. *To work with the Commissioner of Veterans Services and the Commissioner of Rehabilitative*
93 *Services in developing a strategy for coordinating the various programs that address the unique mental*
94 *health needs of veterans, including post-traumatic stress disorder and traumatic brain injuries.*

98 The Commissioner shall have the following powers and duties:

99 1. To employ such personnel, qualified by knowledge, skills, and abilities, as may be required to
100 carry out the purposes of this title relating to the Department;

101 2. To make and enter into all contracts and agreements necessary or incidental to the performance of
102 the Department's duties and the execution of its powers under this title, including, but not limited to,
103 contracts with the United States, other states, agencies and governmental subdivisions of this
104 Commonwealth;

105 3. To accept grants from the United States government and agencies and instrumentalities thereof and
106 any other source and, to these ends, to comply with such conditions and execute such agreements as
107 may be necessary, convenient or desirable;

108 4. To do all acts necessary or convenient to carry out the purposes of this title;

109 5. To develop and analyze information on the needs of persons with disabilities;

110 6. To establish plans, policies and programs for the delivery of services to persons with disabilities
111 for consideration by the Governor and the General Assembly. Such policies, plans and programs for
112 services to those who cannot benefit from vocational rehabilitation shall be prepared over time, and as
113 funds become available for such efforts;

114 7. To operate and maintain the Woodrow Wilson Rehabilitation Center and to organize, supervise
115 and provide other necessary services and facilities (i) to prepare persons with disabilities for useful and
116 productive lives, including suitable employment and (ii) to enable persons with disabilities, to the degree
117 possible, to become self-sufficient and have a sense of well-being;

118 8. To develop criteria for the evaluation of plans and programs relative to the provision of
119 rehabilitative and other services;

120 9. To investigate the availability of funds from any source for planning, developing and providing

121 services to persons with disabilities, particularly those not capable of being gainfully employed;
