C. Minor changes to regulations published in the Virginia Administrative Code under the Virginia Register Act, Chapter 41 (§ 2.2-4100 et seq.) of this title, made by the Virginia Code Commission pursuant to § 30-150, shall be exempt from the provisions of this chapter.

§ 54.1-3314.1. Continuing education requirements; exemptions; extensions; procedures; out-of-state licensees; nonpractice licenses.

A. Each pharmacist shall have obtained a minimum of ~~fifteen~~ 15 continuing education hours of pharmaceutical education through an approved continuing pharmaceutical education program during the year immediately preceding his license renewal date.

B. An approved continuing pharmaceutical education program shall be any program approved by the Board.

C. Pharmacists who have been initially licensed by the Board during the one year preceding the license renewal date shall not be required to comply with the requirement on the first license renewal

118 date that would immediately follow.

119 D. The Board may grant an exemption from the continuing education requirement if the pharmacist
120 presents evidence that failure to comply was due to circumstances beyond the control of the pharmacist.

121 E. Upon the written request of a pharmacist, the Board may grant an extension of one year in order
122 for a pharmacist to fulfill the continuing education requirements for the period of time in question. Such
123 extension shall not relieve the pharmacist of complying with the continuing education requirement for
124 the current period.

125 F. The pharmacist shall attest to the fact that he has completed the continuing education requirements
126 as specified by the Board.

127 G. The following shall apply to the requirements for continuing pharmaceutical education:

128 1. The provider of an approved continuing education program shall issue to each pharmacist who has
129 successfully completed a program certification that the pharmacist has completed a specified number of
130 hours.

131 2. The certificates so issued to the pharmacist shall be maintained by the pharmacist for a period of
132 two years following the renewal of his license.

133 3. The pharmacist shall provide the Board, upon request, with certification of completion of
134 continuing education programs in a manner to be determined by the Board.

135 H. Pharmacists who are also licensed in other states and who have obtained a minimum of fifteen
136 hours of approved continuing education requirements of such other states need not obtain additional
137 hours.

138 I. The Board shall provide for an inactive status for those pharmacists who do not wish to practice in
139 Virginia. The Board shall require upon request for change from inactive to active status proof of
140 continuing education hours equal to that which would have been required should the pharmacist have
141 continued to hold an active license as specified in regulations. No person shall practice in Virginia
142 unless he holds a current active license.

143 J. As part of the annual 15-hour requirement, the Board may require up to two hours of continuing
144 education in a specific subject area. If the Board designates a subject area for continuing education, it
145 shall publish such requirement no later than January 1 of the calendar year for which the specific
146 continuing education is required.
